DEPARTMENT ORDER #2

SERIES 2009– 2010

16 July 2009

1. Effective this date I am asking that all camps send any photos and/or articles they wish to have placed in the Department of CO/WY web pages. These articles and/or photos should be sent to myself at the following e-mail address: brewer62@bresnan.net and also to Sr. Vice Commander, Rhy Paris at : Rhy.Paris@state.co.us that way if I am out of town Brother Paris will be able to look them over and keep me apprised as to what is going into the web pages. My intent is to be able to stay on top of the activities throughout the Department and be aware of your individual and group efforts on behalf of the Sons of Union Veterans of the Civil War. Either Brother Paris or myself will then forward the articles and/or photos to Brother Eric Dan Richhart, Department of CO/WY Jr. Vice Commander and Webmaster for the Department web pages for him to insert into the web pages. Brother Richhart has done a fantastic job on updating the Department web pages and will continue to provide his excellent expertise with the materials with which that you provide us.
2. If you are sending a photo please indicate the name(s) of the individual(s) in the photo, where it was taken, when it was take and the nature of the event or activity so that we can be sure to credit your camp and members properly. Photos should be no larger than 620 x 480 in size (size them down if necessary or we can do that for you if you do not have that ability on your computer) and they should be in jpeg, bmp or gif format.
3. When submitting an article please have it in MS Word format or plain text format. The entire article can be placed directly into the e-mail body as well if that is the easiest way for you to do it. Our goal here is to be able to easily insert the article into the web pages without having to rewrite the entire article.

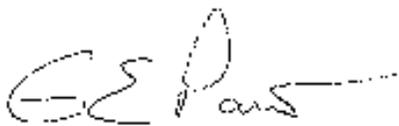

Your assistance with this matter will be greatly appreciated and will add a great depth to the Department web pages and allow other SUVCW brethren to see what your camp is accomplishing.

Ordered this 16th Day of July, 2009.
