The following Proceedings of the 108th Annual Encampment of the Sons of Union Veterans of the Civil War were prepared 10 years after the fact. While every conceivable effort has been made to present an accounting as complete as possible of the Encampment, there are many areas where information was no longer available.

Special acknowledgment needs to be made to Michael S. Bennett, Gordon R. Bury II, Sandi Crawford, Steve Fought, John Heseltine, Glenn Knight, Celeste Lewis, Carole A. Mason, Richard Orr, Jim Pahl, Brian Peters, Rebecca Pratt; and Robert Wolz, without whose assistance these Proceedings could not have been completed to their present extent.

REPORT OF THE COMMANDER-IN-CHIEF

In August 1988 at our 107th National Encampment in Lansing, Michigan. I was honored by being elected to the high office of Commander-in-Chief. When I took this office, I vowed that I would do the very best that I could, and at this time, I trust it meets with your approval. Following is a report of my year’s activities as your Commander-in-Chief.

The day I was elected my first official visitation was to the Auxiliary of the Sons of Union Veterans of the Civil War (Auxiliary) room to congratulate Sister Catherine Zapatka, the new National President and her staff of officers. After that, I went to the Ladies of the Grand Army of the Republic (LGAR) to congratulate Sister Margaret Hills and her staff.

In the evening I was invited to a dinner sponsored by the New England states at a restaurant near the hotel. A very good time was had by all. After that, there was entertainment in the evening, which was very enjoyable.

The following day I went on a bus tour, which was arranged by the Encampment Committee of the Michigan Department, to the State Capital that was very
Interesting, then to Mountain Jacks restaurant, where there was plenty to eat. After that, we went to Sunfield, Michigan to Samuel W. Grinnell GAR Post #283, where the Curtenius Guard Camp #17 SUVCW hold their meetings. On returning to the hotel, we finished packing and left the next morning after saying our good byes to the many friends and started our long trip back home.

November 18 Drove to Gettysburg, Pennsylvania to the Holiday Inn and was greeted very warmly by the members present. I attended the meeting of the National Military Affairs Committee, which was very informative.

November 19 Started off the day by attending the Sons of Veterans Reserve (SVR) staff meeting, and a meeting with the Officers and unit Commanders. I was a guest of Brigadier General Chester S. Shriver at a buffet breakfast given at the Dobbin House with more than 80 SVR members, their families, and many invited Confederate Troops in attendance.

The business of the day was discussed, and after that was concluded, we all left to prepare for the annual parade. The parade formation were called to attention, and led by Brigadier General Shriver. The parade stepped off promptly at 11:00 a.m. at Springs Avenue and Reynolds Street and marched to Soldiers National Cemetery for the observance of the 125th Anniversary of the Dedication of the Cemetery including the remarks made by President Abraham Lincoln and the reciting of the Gettysburg Address by James A. Getty.

It then marched over to Ziegliers Grove for our 32nd traditional memorial wreath laying ceremonies at the Woolson Monument by the five National Heads, and the five Pennsylvania Department heads. Sorry to say it was cut short by the cold rain, but we all went in the Cyclorama Auditorium for the program by the Allied Orders. At 6:30 p.m. I was the guest of the Past Commanders and Past Presidents of Pennsylvania Department at its 58th annual banquet, where I brought the National greetings and also my own. The Blue and Gray Ball followed. At this time, I wish to express my sincere appreciation for being asked to March along side of General Shriver. I deemed it a great honor in which I shall always be grateful.

November 20 Meeting of the Council of Administration at 9:00 a.m. to discuss the resignation of the National Secretary, Brother Frank Heacock, and to appoint an interim to serve until the next National Encampment. Brother Chester S. Shriver excepted until then.
November 27  Reception and luncheon for Department Commander Robert Elliot in the Town Hall at Boscowen, New Hampshire. A nice time was had by all who attended this fine affair.

December 3  Attended the Massachusetts Past Department Commanders and Past Department Presidents Christmas party at Elaine’s Restaurant in Halifax, Massachusetts, as their guest.

December 18  I received word that Past National President Jessie G. Wells passed away. I attended the wake in the afternoon on the December 20, 1988.

1990

January 24  Attended a meeting of Auxiliary #50 in the morning and was a guest at a luncheon in the afternoon. I brought the greetings from the National Organization.

February 12  Attended the annual Lincoln Memorial services in Washington, D.C. where I placed a wreath for the National Organization. The National Colors were carried by the Fencibles, who are the official honor Guard of our Order. I wish to commend each and every one of them that were there. After the ceremonies, I attended a luncheon that was hosted by the Lincoln Birthday National Commemorative Committee. There with approximately 100 in attendance at the Pier 7 Restaurant Channel Inn. A most enjoyable time was had by all.

March 11  Attended the Plymouth County and Allied Orders meeting at Rockland, Massachusetts and brought greetings from the National Organization.

March. 17- 19  Attended the California Department Encampment, which was held in the large spacious home of Thelma Crawford and Margaret Mann in Grover City, California. The Department Commander, Wayne Pyle, picked me up in San Jose, and drove to the Motel 6 in Pismo Beach, California, where I stayed as their guest. We had a very nice meeting
with six Members present. On Saturday evening, I attended a lovely banquet in their home with over 30 people present. On Sunday, I was honored when asked to install the new officers. This Department may be small but they still go by the Ritual at their meetings and carry out the work of the Order.

While on the West Coast, I tried to get a call meeting in Colorado but could not get anybody interested to come out for it.

April 8  
Attended the Rhode Island Department Encampment held at the Arsenal where the SUVCW and Auxiliary used to meet many years ago. I brought greetings from the National Organization and my own personal greetings. I installed the new Department Officers.

April 12  
Drove to Springfield, Illinois, with my wife, Auxiliary National President, Catherine Zapatka, and LGAR National President, Margaret Hills. We arrived a day early and were shown around the town, Lincoln's birthplace and Lincoln's Tomb, where the services were held. One day we were shown around some of these places by Robert Graham and another day we were with Roger and Jo-An Wheeler from Iowa. A very pleasant two days was spent by all. In the evening, we were guests of Tom and Eleanor Johnson at a supper with several other fraternal orders present.

April 15  
Lincoln death day ceremonies were held on a very delightful warm and sunny day. I was called on to speak after I placed a wreath at the Memorial. I read Lincoln's Farewell to Springfield. A luncheon was served afterwards and a picture of Lincoln was presented to the National Heads later on in the day. A fine job was done by the entire committee.

April 21, 22  
Attended the Massachusetts Department Encampment held at the Heritage House in Hyannis, Massachusetts, at the Cape. This was a very excellent Encampment. I was called on to speak and brought National Greetings along with my personal greetings at the Banquet. I was presented with a State Flag and a proclamation from the Governor.

April 25  
Attended the Massachusetts Woman's Relief Corps Department Convention at the GAR Hall in Worcester,
Massachusetts. It was a very nice meeting. I brought the National Greetings along with my own personal greetings. In the evening I attended a nice banquet, which was served family style. An enjoyable evening was had by all.

April 29

Attended the Maryland Department Encampment, which was held in the Officers Club at Fort Myers, Virginia. The was a very fine Encampment. I had the honor to sign the application of a new Camp, Camp #6 of Charlstown, West Virginia. I was called on to speak at the Banquet and brought National Greetings and also my own.

May 6, 7

Attended the Connecticut Department Encampment at the Holiday Inn in Hartford, Connecticut. The Department was unable to have regular meeting due to lack of a quorum. In the evening a lovely Banquet was held, and was well attended by many National and Past National Officers from both SUVCW and Auxiliary. Several of N.E. Departments were represented.

May 7

On Sunday morning I left Connecticut with the Auxiliary National President and my wife to attend the wake and funeral of our Senior PC-n-C C. Leroy Stoudt. The Ritual service was conducted by the Pennsylvania Department and me. Many SUVCW and Auxiliary members were present, After the funeral the next day we attend a dinner at a restaurant near by. The next morning we were guests of Sister Irene Stoudt, her daughter and son-in-law, Bill Simpson, at a breakfast Buffet in Dutch County Style.

May 11-13

Attended the New Hampshire Department Encampment at the Ramada Inn in Keene, New Hampshire. It was a very impressive Encampment. Due to the Department Commander Robert Elliott stay in the Hospital, the business was conducted by the Senior Vice Department Commander who took over the chair and did a nice job. The new officers were installed by me with the help of members of the Massachusetts Department.

May 15

I received word on the death of Robert Elliott. A service was put on by the New Hampshire Department SUVCW and the International Order of Odd Fellows.

May 30

I attended the Memorial Service at the Cathedral of the
Pines Rindge, New Hampshire. This was a very impressive ceremony. A check was presented Mr. Bradley, the Executive Director and in return, a white Carnation was placed on the Alter in memory of the GAR and the SUVCW. New Hampshire is one of the states that still observe the 30th of May as Memorial Day.

June 1 – 3

The Dutch Mill Motor Inn Gibbstown, New Jersey was the place where the New Jersey Department Encampment was held. It is a very fine place to hold the meetings. Friday evening the banquet was held and I was called on to speak and bring the National Greetings. I installed the new Officers. Afterwards, I left for Des Moines, Iowa for the Department Encampment, which began on June 9. I had as my traveling companions my wife Betty, Sister Catherine Zapatka and Sister Margaret Hills. We were met by several members of the Iowa Department.

June 9 - 11

The entire Iowa Department Encampment was very enjoyable. I installed the new Officers on Saturday evening and a banquet was held where I was presented many gifts and made an honorary member of the Iowa Department. Before I continue, I must say that I asked sister Jo-An Wheeler and her Husband, Roger, on April 16 to see if they could find a student from Iowa to receive the National Sons Scholarship Award. After a lot of hard work and difficulty in finding a person who met the requirements, a student was found from Winthrope, Iowa. He is a third year history major with a high grade point average. His name is Justin T. Bowden. About the middle of May, I was informed that the above named student had been found, and that he met all of the requirements. After the banquet was over I presented a check to Justin Bowden from the National Organization. Standing with him was his mother and father. He is also a great, great grandson of a Civil War Veteran. This is the first time in the history of our Organization that a scholarship has been awarded to an Iowa student.

June 18 – 21

Traveled to Williamsport, Pennsylvania to the Pennsylvania Department Encampment. The last 250 miles we went through heavy rain and dense fog, but we arrived there O.K. and had a very enjoyable Encampment with many open discussion on varies topics. I was given the opportunity to speak before the Encampment, and while I was speaking, I
noticed that there were six National Officers present. I had them all stand to be recognized. I observed a very impressive memorial service.

June 23 – 25
Attended the Maine Department Encampment at the Johnson Motor Lodge in Waterville, Maine. We had a very informative meeting and I installed the new officers with the help of the Massachusetts delegation present. I was honored at the Allied Orders Banquet and when asked to speak, I brought greetings from the National Organization and my own personal greetings.

June 25 – 28
We left at 4:30 a.m. Sunday Morning for Oleans, New York for the New York Department Encampment. It was a very constructive meeting with a lot of open discussions on several topics. I installed the new officers. The Banquet on Tuesday evening was very enjoyable. I was called on to speak and brought the National greetings and also my own. I had the honor to sign two applications for Camp Charters, Camp #41 Ithaca, New York and Camp #126 of Oneida, New York; congratulations.

July 15,16
We traveled to Weirs Beach, New Hampshire to the GAR Hall where the SUVCW meet, and was escorted to a seat of honor next to the Acting Regional Commander of five of the six N.E. States were present. Due to ill health, the Regional Commander was not there. I installed the new officers in the evening after the banquet. A good talk was given on the Laser Beam and the many uses it can perform. The next morning joint services were held and a memorial service was conducted by Past Department Commander William C. Rule. I was called on to speak and brought greetings from the National Organization, and my own personal greetings.

July 27
I received the sad news that PC-in-C Chester S. Shriver, our National Secretary-Treasurer had passed away at 9:00 p.m. on July 26, 1989. I immediately had an arrangement of flowers sent from the National Organization. The Senior Vice Commander-in-Chief represented me and the National Organization at the funeral.

August 10
I received an invitation to attend the opening of the Daughters of Union Veterans of the Civil War’s National Convention at the Howard Johnson Motor Lodge in
Waterville, Maine. I accepted and was received with honors by the delegation present. I brought the official greetings of the National Organization and wished for Sister Mary Evelyn Petry a most successful and harmonious Convention.

Brothers, this concludes my report of the year as your Commander-in-Chief. I hope that I have in some small way brought honor and credit to this office.

I wish to thank at this time my traveling companions for most of my year, my wife Betty, National Auxiliary President Catherine Zapatka, and National LGAR President Margaret Hills. To both Sisters Catherine and Margaret, may you both have a harmonious Encampment.

To National President Mary Evelyn Petry of the Daughters of Union Veterans of the Civil War, our paths have crossed many times and the meetings we attended together were most enjoyable. I wish for you and your staff a harmonious Convention.

To National President Thelma Pant, National President Woman's Relief Corps. Auxiliary to the Grand Army of the Republic, I have enjoyed the several events where we have been together, and at this time, I wish for you and your staff a harmonious convention.

To my National Staff, I wish to thank each one in being so helpful in making this, our administration a success. To my daughter, Marie, who had the task of typing up all my four General Orders and this report, my thanks to you for putting up with me. To my wife Betty, her help and understanding has helped me throughout the year; many thanks Sister Betty. In addition, to the many new and old friends that I have met, my thanks go to each one of you for being so hospitable wherever we met. I will be forever grateful.

The following Brothers have earned a Certificate of Merit for organizing a new Camp, and for securing five or more new Members into their respective Camps:

- Freeman H. Stittsworth   1 New Camp, 6 New Members, Florida.
- Danny J. Wheeler         9 New Members, New York Department
- David English            5 New Members, New York Department
- James 0. Lee             6 New Members, Iowa Department
- Roger A Wheeler Sr       11 New Members, Iowa Department
- George W. Long           9 New Members, Pennsylvania Department
- Michael A. Riley         7 New Members, Pennsylvania Department
- Martin Wilson            5 New Members, Pennsylvania Department
- Elmer F. Atkinson        10 New Members, Pennsylvania Department
- David B. Orr             9 New Members, Pennsylvania Department
William McMaster   5 New Members, Pennsylvania Department
Henry Hively   5 New Members, Pennsylvania Department
Jerry Armentrout   5 New Members, Ohio Department

National Aid Ribbons Awarded
Joseph Houchin   5 New Members, Iowa Department

I would like to make the following recommendations:

1. That we continue to support the ceremonies on Remembrance Day at Gettysburg, Pennsylvania; Lincoln Memorial in Washington, D.C; Lincoln Tomb in Springfield, Illinois; Cathedral of the Pines in Rindge, New Hampshire; and the National Military Department, SVR;

2. That we continue the scholarship award to a student of the Commander-in-Chief’s choice and that this student must be enrolled in a college with a major in American History;

3. That the Commander-in-Chief be sent a copy of the new budget and a monthly statement of expenditures of the National Treasurer be sent along with vouchers;

4. That the Treasurer’s books be audited at least once during the year. The reason is to save a lot of time the night before National Encampment opens. I would suggest that it be done at the convenience of the National Treasurer;

5. That the scholarship award be increased by $50.00 to make it a total of $350.00 and that sum be taken out of the GAR Fund; and

6. That the Commander-in-Chief’s expense allotment be increased to $2,000.00 due to the increased cost of traveling throughout the country.

Respectfully submitted in F., C., & L.,
Clark W. Mellor
Commander-in-Chief

It was moved and seconded to accept all officers’ reports and refer to the appropriate Encampment Committee; motion passed.

Senior Vice Commander-in-Chief Corfman returned the gavel and control of the Encampment to Commander-in-Chief Mellor.
REPORT OF THE SENIOR VICE-COMMANDER-IN-CHIEF

My thanks to all the brothers who elected me to the office of Senior Vice Commander-in-Chief at our last National Encampment at Lansing, Michigan. The honor bestowed upon me is greatly appreciated.

The first official act in this office was to represent our Commander-in-Chief at the reception for Mary Petrie, National President, Daughters of Union Veterans of the Civil War at Canton, Ohio. A week later, I attended the reception for Clark W. Mellor, our Commander-in-Chief, in Massachusetts.

On Remembrance Day, I marched through the rain and snowflakes as a member of the General Staff, Sons of Veterans Reserve (SVR). The parade and ceremonies marked the 125th Anniversary of the Gettysburg Address. During the ceremonies at the Woolson Monument, I supervised the artillery salute. This was one of the busiest weekends of the year, as it also included an SVR breakfast, Remembrance Day Banquet, Military Ball, and a Sunday morning meeting of the Council of Administration.

On February 11, Janice and I, along with Dick and Lois Smyser, joined the Schlenkers and the Heads of the Allied Ordered at the Lincoln Day Dinner hosted by the Military Order of the Loyal Legion of the United States at Washington D.C. On Lincoln’s Birthday, we participated in the wreath laying ceremonies at the Lincoln Memorial followed by a luncheon for the participants.

Effective April 1, I was promoted Lieutenant Colonel, SVR with duties of Deputy Executive Officer. I retained duties of Chief of Artillery.

On April 15th, we took the cannon and some members of the 16th OVI to Old Fort Niagara (New York) for an Artillery Training School. This was also an organization meeting for the Civil War Artillery Association, which will cut across organization lines to form an artillery organization to promote better recognition in reenactments etc. Some of these units have expressed interest in SVR, and I supplied information to them.

Also regarding SVR, I helped with the organization of the 64th OVI of Mansfield, Ohio, participated in National Encampment at Carrollton, Ohio, and reception for Ohio Department Commander Richard Smyser. We also joined in a battle reenactment at Burbank, Ohio, Memorial Day Parade at Canton, Ohio, and, with my own and the 16th’s cannon helped the 64th OVI with Freedom Days Festival on July 1st.

In June, I represented Commander-in-Chief Mellor at the Michigan Department Encampment, Indiana Department Encampment, and Ohio Department Encampment. I was well received at all three, and appreciate the courtesies extended to me. I also attended the Department Encampment where the members pointed out that they were endorsing me for Commander-in-Chief
before my own Department could. Ohio endorsed me at their Encampment the following week.

On July 28, I attended the Funeral of National Secretary-Treasurer-Treas., General, and good friend, Chester S. Shriver. His friendship and guidance will be missed by all of us.

The Senior Vice-Commander-in-Chief’s fund totals $151.00 as of August 1, 1989. A separate report follows.

May I thank you all for the many courtesies extended to me throughout the past year. It has been an honor to have served as your Senior Vice-Commander-in-Chief.

JUNIOR VICE COMMANDER-IN-CHIEF

Last year in Lansing Michigan, I was elected to the office of Junior Vice Commander-in-Chief, whose prime job is to promote and secure ways to enlarge the membership of this fine organization. I contacted the National Secretary for the names and addresses of all Department Commanders and Secretaries. After which I sent letters to all, to remind the Junior Vice Commanders in their state and also the camp in their state of the job as Junior Vice. Only two Departments responded.

One new camp was reported to me, known as the Harper’s Ferry Camp #6 in West Virginia instituted by PC-in-C Richard Schlenker. The Commander-in-Chief Clark Mellor issued certificates to several members in Florida, New York, Iowa, and . At the Department in June, 62 new members were reported. Three camps had large counts, Lancaster Camp #19, 17 members; Davis Star in Pittsburgh, 19 members, and Anna Ross Camp #1, 24 members. challenges any other state to top this. One way to secure new members is to advertise in the newspaper. It is helping Lancaster.

I attended many affairs during the year. Several of which I represented the National Organization for the Commander-in-Chief. It was an honor to place the National wreath, in the National Cemetery in Gettysburg on Memorial Day.

Something to give your new members,

Am I a new member or do I just belong,
I see you at all the meetings, but no one ever says “HELLO,”
You are all busy with the ones you already know,
I sit among the members but I am lonesome,
The new ones are as strange as I am, and the old ones pass me by.
But, darn it, you fellows ask me to join and talked of Fellowship,
You could have stepped across the room, but never made the trip,
Why can’t you nod and say hello or stop and shake my hand,
Then go and sit among your friends,
Now that I understand,
I’ll be at the next meeting,
I hope to have a nice time.
So that you can introduce yourself and be friends.

The year went very fast, and I hope I lived up to your expectations. I have one question. How many here have a membership application in their pocket?

REPORT OF THE NATIONAL SECRETARY-TREASURER

At the close of the 107th National Encampment held in Lansing, in August 1988, National Secretary Frank M Heacock, I, tendered his resignation effective January 1, 1989.

The National Council of Administration set a special meeting for November 20, 1988, to be held in Gettysburg, Pennsylvania in conjunction with Remembrance Day activities, at which time the ramifications of Brother Heacock’s resignation were to be considered.

Brother Heacock was unable to attend due to his health condition and doctors orders not to travel. On November 11 he communicated this by letter to Commander-in-Chief Mellor and suggested that he declare the office of National Secretary vacant, which was done at the meeting on the 20th.

At that meeting, National Treasurer Chester S Shriver was appointed, with his permission, to serve as Interim National Secretary through the 108th National Encampment at which time a new National Secretary would be elected to serve the remaining year of Brother Heacock’s term.

On December 12, 1988, Brother Shriver traveled to Wilmington, Delaware to effect a transfer of the accouterments of the office. Having previously served in this office he carried out a smooth transition and continued to serve our Order well.
In the spring of this year, Brother Shriver began to feel the affects of an internal distress which after diagnosis caused him to agree to surgery in mid-June and then returning home on June 25 to recuperate with the prospect of further treatment being necessary.

Brother Shriver telephoned me on July 16 to determine if I would be willing to serve as Encampment Secretary in as much as his doctor had advised him not to travel at all. I indicated my willingness and he said he would so inform Commander-in-Chief Mellor, which he did.

Mrs. Shriver phoned me early on Thursday and informed me that Brother Shriver was returned to the hospital the previous evening, Wednesday July 26, 1989, where he succumbed to his illness.

Burial with Masonic and Sons of Veteran Reserve honors took place on Saturday, July 29, 1989 at 2:00 p.m. in Evergreen Cemetery, Gettysburg, Pennsylvania.

On Sunday, July 3, Commander-in-Chief Mellor telephoned and appointed me National Secretary pro temp. to serve through the 108th Encampment, which appointment was later confirmed in writing.

Arrangements were made with the cooperation and permission of Mrs. Shriver to visit the National Secretary-Treasurer’s office in the family home at her convenience, in order to prepare for this Encampment.

This was done on Monday July 31 for six hours and again on Wednesday, August 2 for four hours. It was evident that Brother Shriver had made valiant efforts in his last days to prepare for this Encampment but he had not yet prepared the usual thorough statistical report to which we have become accustomed.

Mrs. Shriver is desirous that our organization might obtain its material without undue delay. This could be a monumental task in that there is an accumulation of 30 years worth SUVCW and SVR records and supplies.

Several visits were made to the Gettysburg Post Office for accumulated mail, especially to obtain anything of importance for this meeting.

A visit was made to the Gettysburg National Bank to obtain the necessary Resolution Form and signature card in order that authority might properly devolve upon Brother Shriver’s successors.

It is hoped that the attached financial and statistical reports (see Appendices 1
and 2) will provide sufficient satisfactory information about the condition of our Order with the reminder that your servant is only human and labored under serious time constraints. The membership stands at 2,418 and 132 Camps.

REPORT OF THE NATIONAL COUNSELOR

As National Counselor, I may at various time have offered informally bits of information to Commander-in-Chief Mellor regarding things I had learned in my own tour of duty as Commander-in-Chief.

On current matters, I advised him about a situation in Florida where a new, quite active camp seemed to aspire to premature Department status. Although the present single at-large Camp appeared to have enough members to form three separate camps and to be in a position to apply for a provisional Department charter, the problem seemed to be in securing enough competent officers to man each Camp. Whether this was a situation peculiar to Florida or might also apply more generally. I suggested to Brother Clark that he assure the Florida members that the situation would be seriously addressed at National. It seems unfortunate that those who have been working so diligently and effectively should have to be subjected to discouragement from others presenting objections rather than organizational assistance.

Also, as regards to the situation in at least two other Departments where disaffected members of a Camp want to form an independent Camp-at-Large within the existing Departments. In my opinion, there is no provision at present for such an arrangement. If these members can present to National, valid and serious reasons for the institution of such Camps-at-Large, not based on frivolous facts or unworthy personal attitudes, National should give serious consideration to Constitutional changes, but the relationship of such Camps to both its accredited Department and National should be carefully spelled out.

As a recommendation [or a suggestion], I offer that each retiring Commander-in-Chief should, unofficially and privately, supply to the incoming Commander-in-Chief, pertinent information the former might have gleaned in his tour of duty regarding various members and Departments in the Order, which information might be of value to the Commander-in-Chief, both as a courtesy and a guide to the more effective performance of his new duties.

REPORT OF THE NATIONAL GENEALOGIST

It has been my pleasure to serve as National Genealogist for the past year. Our late National Secretary-Treasurer, PC-in-C Chester Shriver, sent me over 150 letters to answer. Most have been sent replies. The volume of inquiries is proof that there are many men that will join our Order if we just send them an application. If they do not receive one, they cannot become a member.

It has become apparent to me, since becoming National Genealogist that our standards to become a member do not meet the basic standards for genealogical proof. In other words, form number 3 (application for membership) should have another page for references of lineage on page #3. Anyone can write down that he is the daughter or son of someone. However, some proof should be submitted. Other hereditary societies require much more documentation and we should “get with the program.”

Our applications for membership should be submitted in duplicate. One copy staying with the Camp and one with the National. Some may argue that it is not necessary but can you tell me what happened to all those records of the Departments of Alabama, Tennessee, Kentucky, and Arkansas, to name a few? I would like to make a recommendation that all applications for membership now be submitted in duplicate, with the second going to a person or repository assigned by the Commander-in-Chief.

Fifty-one years ago, William Allen Dyer, Commander-in-Chief, proposed that descendants of War Governors of loyal states be admitted for full membership. Also, descendants of military organizations raised for emergencies. He said in his report, “What sense is there in a patriotic order like ours taking in descendants of men who by good fortune were mustered into service, many of whom perhaps never saw fire, and omitting descendants of men who did outstanding service for Union during the years 1861-1865?” This year, 1989, I recommend that the above mentioned be considered by the Commander-in-Chief and if necessary the proper steps be taken to amend our constitution, rules and regulations.

The quantity and quality of letters and requests received by the National Genealogist is overwhelming. It is a never ending job and a very good public
relations office. However, the office should be changed to National Registrar. I believe that would help lessen the burden. I recommend that the office of National Genealogist be changed to National Registrar.

I wish to thank you for signing the certificates for the “real sons and daughters” of Union and Confederate veterans. This project has located about 500 such individuals since 1981 and about 44 widows of veterans.

In closing, I again thank you for having this educational opportunity to serve our members and the public.

REPORT OF THE NATIONAL GRAVES REGISTRATION OFFICER

September 1998: I traveled to Illinois to make sure the headstone for a Medal of Honor recipient was placed and it was.

October 1988: I went to Missouri and Leavenworth, Kansas to check on Civil War Veterans’ graves to make sure that stones were up and that others had been replaced.

November 1988: I did a lot of research on Civil War Veterans, answering letters from different people.

December 1988: I ordered 50 new headstones for Civil War Veterans’ graves in Riverside Cemetery in Denver, Colorado.

March-April 1989: I placed all 50 new headstones by myself at Riverside Cemetery in Denver.

May-June 1989: I traveled to North and South Dakota, Wyoming, and Montana, checking on Civil War Veterans’ grave sites and copying cemeteries.

REPORT OF THE WASHINGTON REPRESENTATIVE

To be allowed to render continued service to our Order, as we are admonished
so to do in our installation ritual, is an honor and a privilege. Commander-in-
Chief Mellor, I thank you for appointing me your Washington Representative and
allowing me further opportunity to serve in the name of my Civil War ancestor.

Serving the Order at the seat of our national government affords many
opportunities for participation in meetings and programs of ceremonial or patriotic
nature with people from other organizations, many who are not familiar with our
order but soon hear of it’s origin and aims.

Having had three other National Officers in the Washington area this year, added
greatly to the visibility of SUVCW. They were Council Member Hammer, Patriotic
Instructor Dixon and Chaplain Estridge, all of whom circulate among the many
other societies and spread our gospel. The continued growth of Lincoln-Cushing
Camp in D.C. is testimony of their recruiting efforts.

Our Constitution requires a Washington Representative for the purpose of
accepting service of legal papers or summons and representing the Order at
memorial services and patriotic functions.

It is a pleasure to report that no papers or summons were served on us this year
although I was advised at the close of our Encampment last year in Lansing,
Michigan, that I might expect such. It seems that an unhappy member had
planned to request his member of Congress to undertake an investigation of our
Order. To my knowledge, nothing has come of this threat.

Positions of leadership and influence on your behalf were held in several Civil
War oriented organizations, specifically the D.C. Civil War Round Table, and the
D.C. Lincoln Group, the Lincoln Commission and the Lincoln Birthday National
Commemorative Committee. You were represented at all major ceremonials and
commemoratives during the year.

Liaison continued with our Auxiliary, the Daughters of Union Veterans and the
Military Order of the Loyal Legion with each order supporting the programs of the
others in the area.

With the 125th Anniversary of the Civil War now in its fourth year, many
opportunities are still present to participate in reenactment programs and many of
which we were able to attend and continue our public information activities. As a
result, we have been able to answer many queries of a historical and
genealogical nature and to refer prospective members to some of our
departments.

Requests for public speaking engagements continue to be numerous and come
from many sources seeking programs such as service clubs, churches, historical
societies, hobby clubs and senior groups, to all of which we respond positively in
hopes of enlightening more citizens about the Civil War and our Order.
Support continues for organizations that continue their efforts toward the preservation of battlefields and other historic sites of the era.

It is noted in the itinerary of this office that the Order was represented on upwards of sixty occasions this past year.

It is with great pride that service in this capacity has been rendered for the past nine years and we pray that these efforts have added somewhat to the success of our Order.

REPORT OF THE NATIONAL GAR HIGHWAY OFFICER

The first thing I would like to report, is that I have written to all Department Commanders that have the GAR (#6) highway through their state, and I have had communications, from most of them. Thanks Department Commanders.

I want to thank the Commander-in-Chief for appointing me to the National GAR Highway Office. I have had a pretty good year.

I have also written to all the states that have Highway #6 and GAR signs going through them, and are still saying they are going to have the GAR signs erected, but will take time. Some states are doing good.

The Department of Iowa has told me they would put the signs that were taken off Highway #6 that is now the Interstate 80 in some places, but as I have traveled, I have not yet seen them, but here in Iowa we really have lots of GAR signs.

I have sent pictures to our Banner editor and he cannot print the pictures that I have sent him, so I will send these pictures of Highway #6 and hope these can be passed along at our convention.

REPORT OF THE NATIONAL HISTORIAN

During the beginning of the year I had received many letters from PC-in-C Chester Shriver and PC-in-C Frank Heacock concerning people who required regimental
histories of just about every regiment in the Union Army. Around Remembrance Day, this mail stopped coming and I wondered and then I found out today from Brother Orton that he had been receiving the mail.

Two things regarding the finding and location of graves, I encourage everybody to do this because in addition to locating the grave, the amount of history that can be uncovered is great. I have made a complete grave registration of all Civil War Veterans in Allegheny County. So far I have recorded 1,395 and have a five or six line mini-biography of each one.

REPORT OF THE NATIONAL MEMBERSHIP-AT-LARGE COORDINATOR

Currently there are 266 Members-at-Large (MAL). We again suffered significant losses because of non-payment of dues for two or more years. A number of MAL have transferred to local camps and three requested discharges. At this time there are approximately 30 MAL who are one year in arrears. Our losses could have been worse. Forty-two members who were one year in arrears have brought their dues up to date. Many said they were paying their dues again because they had began receiving the *Banner* once more. Brother Lee sent copies of the *Banner* to the MAL dropped last year and four sought reinstatement.

During the past year, 327 letters inquiring about members and correspondence from MAL were answered. The MAL is submitting a check in the amount of $400.00.

REPORT OF THE BANNER EDITOR

The *Banner* is alive again! After publishing the Fall 1988, *Banner*, and mailing it out to the membership (2,574), I felt that I had really accomplished something. However, Banners started coming back with no such address; moved, left no address; forwarding address expired; no such number and deceased. This flow of returned Banners continued for over 12 weeks and numbered over 500. How depressing!

Some Department Secretaries sent me news articles alone with their Department
On October 6, 1988, I mailed out letters to all the Department Commanders that had not sent me their latest up-to-date rosters. Commander-in-Chief Clark W. Mellor sent out his General Orders #1, Series 1988-1989, Section #4, of the Fall 1988, *Banner* and ordered all Department Secretaries to send the *Banner* Editor the current list of all their members with their addresses. Commander-in-Chief Mellor also repeated this Order in his General Orders 2, 3, and 4. However, I am still lacking the following Camp rosters: Department of Rhode Island, Camps 7, 11, 17, 19, and 21; Department of Vermont, all Camps; Department of Maine, Camps 1, 5, 7, 10, and 35; Department of , Camps 34, 54, 65, 87, 141, and Camp-at-Large Bill Yank Camp 65 - Missouri and Oklahoma.

A complete mailing list has been set up on a computer in Des Moines, Iowa. I made 1,010 changes that included misspelling of names, change of address, misspelted addresses and changes in zip codes.

The Winter 1988, *Banner* was published (2,752) and mailed out to the membership during March 1989. Only 127 Banners were returned after this mailing.

All the necessary forms, paperwork and publications have been sent into the Rates & Classification Center, Chicago, Illinois, so the *Banner* can receive the “Non-Profit Organization” classification in order to get the lowest 3rd Class Bulk Rate postal fees.

My recommendations are:

1. That the *Banner* change its current format of being a newsletter of just past events. We need a calendar of upcoming events from the National Organization and all the Departments who want to participate;

2. The subscription fee of the *Banner* be increased from $3.00 per year to $4.00 per year;

3. That all the return postage is to be paid by the National Organization after receiving paid receipts from the *Banner* Editor, who is now paying this expense out of his pocket. As of July 31, 1989, it has cost me $414.13;

4. The practice of sending out complimentary *Banners* be extended to include the Past National Presidents of the Auxiliary;

5. Due to the 3rd Class Bulk Rate of postage that to Organization is
required to pay which is 16.7 cents for each Banner compared to the “Non-Profit Organization” Bulk Rate which is 8.4 cents for each Banner. I’m requesting a $250.00 budget increase per mailing of the Banner; and

6. That I be appointed by the Council of Administration for the year 1989-1990 as Editor of the Banner.

NATIONAL COMMITTEE REPORTS

National Committee on Program and Policy

Your Committee on Program and Policy for the current year has the following recommendations:

Picture of the Commander-in-Chief each year be distributed to each Department within 30 days of assuming office—this will provide the identify of the Commander-in-Chief to those members who are physically unable to attend a National Encampment.

Assign printing of National Proceedings to the Banner Editor each year. To ensure printing of Proceedings and maintain record of each Proceeding as he receives the Commander-in-Chief’s General Orders, Washington Representative’s synopsis and is kept apprised as to the general news throughout the year.

Make available a Camp Commander’s badge to each Camp. This would set the Camp Commander’s badge apart from the membership badge. This would enhance that position and the badge would then be passed each year to the new Camp Commander as is the Department Commander’s badge.

That a licensed, bonded stenographer be retained on a permanent basis to take minutes of each National Encampment. To provide a legally bonded professional who is capable of taking appropriate minutes at the National Encampment. That this be done under contract, thereby legally binding that stenographer to produced within a specified time a typed copy of the proceedings prior to payment for services.

That Camp Commanders be allowed the privilege of being an automatic delegate to the National Encampment as is the Department Commander. This would afford a new Camp Commander the right to a voice and vote on the floor of the
National Encampment, thereby beginning his training and education toward possible future officer as Department Commander. It also would encourage attendance at National Encampments of Camp Commanders and establishing an incentive to move through the chairs in their Camps.

In view of the diminishing numbers of the Civil War uniform, and in further view of the present world situation, we believe we should more actively than we have of late, encourage the enlistment of young men in our Sons of Veterans Reserve. This both from patriotic motives, as well as for the purpose of having the uniform of the Civil War in evidence on patriotic occasions, parades and the like. If this is done right, it will result in good publicity for our Order. We should from now on unite to encourage it, no matter how; perhaps, some of us have felt about it heretofore. If it is worth doing at all, it is worth doing well, and it cannot be so done, if we either hold back with reservation or are not unanimous in supporting the movement. Unless we are to abolish the wearing of the uniform, perhaps we should go still further, and so far as we can, all of us purchase and don the uniform when we march in our parades at our Encampments, instead of using indiscriminate dress as we do now, which in no way impresses the public either in our appearance or in our numbers. Though in the past we may have opposed this, conditions today are very much changed—and with those changed conditions, perhaps we too, may well alter our view. We need sorely the publicity this would give.

National Encampment Site Committee

You are now attending the 1989 National Encampment and I hope that all is going smoothly. Elsie Squires and her Auxiliary members have done a fine job in arranging the Encampment.

Contracts are signed for the 1990 Encampment to be held at the Hotel Ft. Des Moines in Des Moines, Iowa, Sunday, August 12 - Wednesday, August 15, 1990. Rooms are $62.00 guaranteed, single, double, triple, or quad.

Arrangements are nearing completion for 1991 to be held in Indianapolis, Indiana. As this is the 125th Anniversary of the founding of the Grand Army of the Republic (GAR), we have extended an invitation to the Daughters of Union Veterans of the Civil War and the Woman’s Relief Corps to join with us in an Encampment of the five Allied Orders of the GAR. Information has been extended to both so that they can make their decision soon. We would like to have a contract signed within a couple of months.
The Department of Pennsylvania has extended an invitation for the five Orders to hold the National Encampment in Pittsburgh in 1992.

National Military Affairs Committee

Following Commander-in-Chief Mellor’s announcement of his committee assignments all members of this Committee were notified of their appointment on October 12 by the chairman and furnished the Regulations of the SVR, goals of the Committee and a call for a meeting at Gettysburg on Remembrance weekend.

Annual reports of the Sons of Veterans Reserve (SVR) Commander, Inspector General and previous National Military Affairs Committee (NMAC) Chairman were requested with none being forthcoming.

In an attempt to determine the actual strength and personnel of the SVR, District and Unit Commanders were requested to submit rosters. The Third Military District (Ohio) responded immediately. Another District Commander reported never having had a roster of his troops since the usual strength reports do not give names. The two eastern districts, First and Second, furnished rosters by the end of the calendar year.

Four Committee members met with Commander-in-Chief Mellor and General Chester Shriver on Friday, November 18, at Gettysburg. The General requested NMAC approval for the establishment of a cadre for staff who were no longer active but wished to remain members. Approval was given. He then announced transfers to the cadre, new staff assignments and other promotions. With good rapport prevailing, the meeting was most productive.

The traditional SVR breakfast was held Saturday morning the 19th at the Dobbin House at which time the mentioned changes were announced in General Orders 1 and 2. Adjutant General Bury announced his retirement.

A full day of events followed being the 125th Anniversary of the dedication of the National Cemetery by President Lincoln. The Lincoln Fellowship held its traditional program as always on the 19th and our own Remembrance Day on the Saturday nearest the 19th coinciding and the Park Service having special dignitaries and program for the occasion made for much excitement and anxiety for staff.

The Committee approved the appointment of Maj. Donald Roberts as the
Adjutant General, effective January 1, 1989.

Major Roberts is to be commended for the deliberateness with which he assumed his duties, especially his zeal in developing a complete roster of members in good standing through his dues collection efforts. The May issue of his Roster showed approximately 265 members in the Reserve.

A good working relationship existed between the General and the Committee as he shared SVR problems and sought advice.

We deeply regret the passing of General Chester S. Shriver on July 26, 1989 following serious surgery in mid-June.

We would report that the National SVR Encampment in October at Carrollton, Ohio, was poorly attended, that new blood is coming into the Reserve and that some units report a few non-SUVCW members but are working to correct that situation.

We hope that the National Budget Committee will look with kindness toward the annual contribution to the SVR with perhaps a modest increase as it faces some apparent trying times.

National Committee on Fraternal Relations

The writing of this report was done by relying on what has been passed on by verbal reports. We have no written statements from the several Departments of the National Organization.

Previous Committees have tried to have guidelines set up for the reporting of activities at the Department level. What the Fraternal Relations Committees did for their reports in 1987 and 1988, we do not know at this time. No word was passed on for the Committee to use in making this report. No Encampment Proceedings have been published or distributed on an organization-wide basis for some time.

The Committee feels that it is safe in saying that our fraternal relations have remained good and/or no worse than they have remained for many years. Regional activities are known to take place in the New England Region. The Central Regional Area holds meetings throughout the year. In , the Past Commanders and Past Presidents Association and the Lehigh Valley Association hold annual dinners which foster fraternal relations.
While the several Grand Army Allied groups may not always see eye to eye on all matters, a degree of good fraternal relations has been maintained.

In looking back to see what was done and proposed in the past for these Committee reports, recommendations were made from year to year. However, it would appear that not very much was done to implement any recommendations as made from year to year.

This Committee would suggest that by following the report of the 1981 Encampment Committee, an updated plan could be established to serve as a means to gather data on our fraternal relations.

National Committee on Americanization and Education

Departments and Individual Camps have been lax or plain neglectful on reporting activism in these areas. We feel that there is effort being exerted and worthwhile accomplishments being made. We urge that in the future a written exchange of these successful programs could prove of benefit and should be available to Camps or Departments desiring to make use of them.

One area that caused a great deal of concern was the American flag and the Supreme Court’s decision regarding the its desecration. Their vote, which was based on their interpretation of the United States Constitution, has done much throughout our great country to remind the general public that such things as the Flag of our Country, that we often take for granted, are really important to many people after all. We, with our proud heritage dating back to the “Boys in Blue” of the Grand Army of The Republic, dare not rest till this travesty has been rectified by whatever means is necessary. The men and women, who have served their country beneath the emblem of their great country must be wondering, was their service worthwhile?

We should urge Members, Camps, Departments, and the National Organization to actively support those in authority that are willing to stand up and be counted, regarding their positions on the issue of the burning of American Flags, realizing that there is a proper ceremony for this purpose, and contacting those who are cold or indifferent to this issue, informing them of our thoughts in the hope of getting their support also. By doing this we can keep faith with our predecessors who have joined the ranks of Camp Eternal.

National Committee on Legislation

Your Committee, appointed to study legislation of interest and concern to our Order, begs leave to submit the following report to you and through you to the Officers and Delegates attending the 108th Annual Encampment. In so doing, your chairman wishes to acknowledge the fine cooperation extended by the Editor of the Banner, Brother James O. Lee, in printing the quarterly updates from the Committee. This has helped immeasurably to keep our Membership informed of current issues.

Status of Monday Holiday Legislation. Two measures have been introduced in the 101st Congress to return Memorial Day to its traditional date of May 30. H.R. 1050, sponsored by Representative Phil Crane of Illinois, would return Washington’s Birthday, Memorial Day and Columbus Day to their traditional calendar dates. In an Extension of Remarks on February 22, 1989, Representative Crane quoted from a Washington Times editorial as follows:

“The price of these dubious achievements (Monday holidays) is one more sacrifice of tradition at a time when that commodity is in serious short supply. Draining holidays of meaning and color, the plan does honor chiefly to the dollar. Obviously, it is good for travel agencies, motels, gas stations and chronic weekenders. But is that is all the holidays are to mean, then why even retain their names? They might as well be numbered.”

Representative Helen Delich Bentley of Maryland has introduced H.R. 1876, which would designate May 30 as the federal observance of Memorial Day. In the Senate, Senator Daniel Inouye of Hawaii is sponsoring S. 680 which would authorize the President to issue a proclamation calling on the American people to observe Memorial Day and Veterans Day as “days of prayer and ceremonies showing respect for American veterans of wars and other military conflicts.”

In the House of Representatives, measures dealing with holidays are first considered by the Subcommittee on Census and Population. The composition of that panel in the 101st Congress is as follows: Chairman, Representative Thomas C. Sawyer of Ohio; Ranking Minority Member, Representative Thomas J. Ridge of ; other members are Representative Mervyn Dymally of California; Representative Robert Garcia of New York; and Representative Rod Chandler of Washington. Representatives Dymally and Garcia are longtime members of the subcommittee while the other three, including the chairman, are new to the panel.
Other holiday legislation of interest includes H. R. 977, introduced by Representative Steve Gunderson of Wisconsin, which would remove the designation of the third Monday in February as a legal public holiday known as “President’s Day.” Representative Gunderson sees that observance simply as a “heyday” for retailers and a guaranteed three-day weekend for federal employees. He estimates that upwards of $40 million could be saved if only the federal workers employed in the District of Columbia were required to work on that day and double that amount if all federal employees were on the job on that day.

H.R. 746, introduced by Representative Richard T. Schulze of , would authorize the establishment of a federal commission to advise on proposals for national observances.

The Flag Decision. In the final weeks of its term, the U.S. Supreme Court rendered several controversial and far-reaching decisions. One of those cases, *Texas v. Johnson*, involved the constitutionality of a Texas law which banned desecration of the American flag. In that case, one Gregory Johnson, a member of an extremist, revolutionary fringe group, instigated a public flag burning as a protest action during the week of the Republican National Convention in Dallas in August of 1984. A divided Court held that Johnson’s conviction under the Texas flag desecration statute was a violation of the guarantee of free speech, which is protected under the First Amendment. Before discussing the case and its consequences, we should note the following:

A year ago, the Texas Court of Criminal Appeals, that state’s highest tribunal, had overturned Johnson’s conviction. Thus, the Supreme Court affirmed the action of the Texas appellate court in its interpretation of the Texas statute. In prosecuting Johnson, Texas authorities had relied solely on the untested flag desecration law and did not press additional charges of disorderly conduct or breach of the peace, charges that would have likely withstood any court challenge. In this case, the members of the Supreme Court did not split along predictable or ideological lines. Rather, three liberal judges and two conservative Justices voted to throw out the flag law while three conservative Justices and one liberal Justice voted to uphold Johnson’s original conviction.

Every state with the exceptions of Alaska and Wyoming has a flag desecration law on its books. Thus the stage was set for a discussion of the constitutional protection of symbolic free speech as that involved our flag and the power of government in exercise of its authority to safeguard that flag.

As the spokesman for the Court, Justice Brennan, its most senior member,
argued that the flag has earned a cherished place in our society but that by punishing its desecration, the freedom that it represents is diluted. Justice Brennan went on to observe:

“If there is a bedrock principle underlying the First Amendment, it is that the government may not prohibit the expression of an idea simply because society finds the idea itself offensive or disagreeable … We have not recognized an exception to this principle even where our flag has been involved.”

In a concurring but separate opinion, Justice Kennedy declared,

“The hard fact is that sometimes we must make decisions we do not like … And so great is our commitment to the process that, except in a rare case, we do not pause to express distaste for the result, perhaps for fear of undermining a valued principle that dictates the decision. This is one of those rare cases.”

Finally, Justice Kennedy observed,

“It is poignant but fundamental that the flag protects those who hold it in contempt.”

Chief Justice Rehnquist, speaking for a minority of four, quoted extensively from a series of patriotic and inspirational pieces to buttress his assertion that the flag holds a special and protected place in our society. In so doing, he noted,

“But the Government has not established this feeling; 200 years of history have done that. The Government is simply recognizing as a fact the profound regard for the American flag created by that history when it enacts statues prohibiting the disrespectful public burning of the flag.’

In a separate but concurring dissent, Justice Stevens stressed the symbolic significance of the flag as the embodiment of those ideals, which Americans hold dear, and he explained,

“The value of the flag as a symbol cannot be measured … sanctioning the public desecration of the flag will tarnish its value – both for those who cherish the ideas for which it waves and for those who desire to don the robes of martyrdom by burning it.’

Shortly after the decision was announced, a flurry of resolutions and proposed amendments to the Constitution began circulating in both houses of Congress. First the Senate and then the House of Representatives passed non-binding
resolutions which were critical of the decision. Then, on June 23, 1989, the Senate attached a rider sponsored by Senator Joseph Biden of Delaware to a child care measure. That rider would make it a crime for anyone to “knowingly and publicly mutilate, deface, burn, display on the floor or ground or trample upon the American flag” but removed the words, “cast contempt upon” from the statutory language as a means of answering the objections raised by the Court to the limitation on free speech s it found in the Texas case.

As the Congress recessed for its Fourth of July break, President Bush endorsed a constitutional amendment offered by Representatives Robert Michel of Illinois and G.V. “Sonny” Montgomery of Mississippi which would read as follows:

“The Congress of the United States shall have the power to prohibit the physical desecration of the flag of the United States.”

On July 13, 1989, the House Subcommittee on Civil and Constitutional Rights under the chairmanship of Representative Don Edwards of California held its first hearing on the matter. Based on the witnesses who appeared at that initial session, we, as citizens of a free republic, should be in for a treat, a full-blown debate on the fundamentals of the Constitution and how our rights are protected and what limitations exist on the reach of governmental power. Advocates of a constitutional amendment maintain that it is the only remedy that can resolve the issue. They point out that the passage of an amendment is not an easy process and if successful, will still require enabling legislation to give it effect across the land. They argue that without an amendment, a flag law cannot be fashioned that will satisfy a majority of the present Court.

Those who believe that statutes can be revised to meet the objections of the Court maintain that the passage of laws means a quicker and more direct response to the issue than does the more cumbersome and time-consuming process of amending the Constitution. They are loathe to change or “tamper with” the Constitution over a matter like flag burning and prefer a statutory remedy. They argue that an amendment designed to protect the flag may have the effect of “amending” or changing the free speech guarantees of the First Amendment.

A third group maintains that neither a constitutional amendment nor changes in the law are needed or required because both would have the effect of limiting symbolic speech which is exemplified by a flag burned in protest of a policy of action of government. While they may personally abhor such conduct, they are willing to defend one’s right to make a fool of himself and face the ridicule of society. They see the flag as being strong enough to withstand any assault, physical or otherwise.

Supports of the Michel-Montgomery Amendment do not see it as limiting the provisions of the First Amendment but simply as a means of allowing the federal
and state governments to make it a crime to mutilate the flag. They would not attempt to ban disrespectful speech, cartoons, or other depictions of the flag.

Other Measures of Interest. H.R. 875 would expand the boundaries of the Fredericksburg-Spotsylvania National Military Park. H.R. 27 would authorize acquisition of property for the Andrew Johnson Historic Site to honor our 17th President. H.R. 1823 would allow burials on weekends and holidays in national cemeteries.

On April 11, 1989, the House of Representatives passed H.R. 999 to reauthorize the Advisory Council on Historic Preservation. On May 25th, that measure was reported by the Senate Committee on Energy and National Resources. On May 23, 1989, the House the appointment of enlisted members of the Armed Forces to the American Battle Monuments Commission. That bill is now in the Senate Veterans Affairs Committee.

Recommendation 1: That we urge that congressional hearings be held to consider the merits of H.R. 1050 and H.R. 1876, measures that would restore the Federal observance of Memorial Day to May 30.

Recommendation 2: That we urge the Congress to give careful consideration to the passage of a constitutional amendment as well as changes in statutory law designed to respond to the issue of the desecration of our flag.

Recommendation 3: That we commend the 100th Congress and, in particular, Senator Dale Bumpers and Representatives Robert Mrazek, Michael Andrews, and Frank Wolf for their successful efforts in preserving the integrity of the Manassas (Bull Run) National Battlefield Park.

Recommendation 4: That we urge consideration of H.R. 875 regarding the boundaries of the Fredericksburg-Spotsylvania National Military Park.

It is a privilege to have been associated with my Brothers, Forest F. Altland and Francis Lipp in the work of this committee and to have been able to serve our Order in this capacity during the year that is about to close.

National Committee on Lincoln Tomb Observance

The 33rd Annual Lincoln Tomb Observance ceremony, sponsored by our Order with the active assistance of the Military Order of the Loyal Legion of the United States (MOLLUS) and the Lincoln Deathday Association, Inc., was held April 15, 1989, and recorded the attendance of 59 organizations that presented commemorative wreaths and 78 persons who gathered at the Lincoln Plaza
Hotel for the luncheon following the rites.

As a part of the ceremony, brief addresses were given by Commander-in-Chief Clark W. Mellor, and by LTC Cyril C. Gumbinger who represented Commander-in-Chief William H. Upham of the MOLLUS.

At the luncheon following the ceremony, George Painter, National Park Service staff historian at the Lincoln Home National Historic Site, gave a talk on the home life of the Lincoln family while they lived in Springfield. Edward G. Pree introduced Mr. Painter and gave a tribute to the late George L. Cashman in making the introduction. Thomas L.W. Johnson asked for a moment of silence in honor of the late Martin P. Dutch who died during the past year. Martin Dutch was a longtime friend of the Lincoln Tomb Ceremony and was Senior Vice Commander-in-Chief of MOLLUS at the time of his death.

The 114th Illinois volunteer Infantry provided a color guard, bugler and drummer under the command of Col. Robert M. Graham, a co-chairman of the ceremony. Capt. John L. Satterlee served as chaplain. The Lanphier High School Band of Springfield rendered several appropriate selections for the occasion.

Among the dignitaries present were Catherine S. Zapatka, National President of our Auxiliary, and Mrs. Martin P. Dutch, who represented the National President of the Dames of the Loyal Legion. The Grand Army family was represented by Margaret Hills, National President of the Ladies of the Grand Army of the Republic; Mary E. Petry, National President of the Daughters of Union Veterans of the Civil War, 1861-1865, Inc., and by Thelma Pant, National President of the Woman’s Relief Corps. Senior Vice Commander-in-Chief Charles Corfman was present as was James O. Lee, Editor of the Banner.

The ceremony received television and press coverage in the Springfield area.

Departments of our Order which presented wreaths were Illinois, Indiana, Iowa, Michigan, Ohio, and Wisconsin. Five of those Departments had their Department Commanders on hand. Departmental Auxiliaries taking part were Illinois, Iowa, and Wisconsin. In addition, Gen. John A. McClernand, Camp #4 of Springfield, Illinois, and Gen. Grenville M. Dodge, Camp #75, Des Moines, Iowa, took part as did local Auxiliaries from Des Moines, Springfield and Milwaukee, Wisconsin. For a complete account of the 1989 ceremony, your attention is invited to a forthcoming issue of the Banner.

Your Committee is very much aware and deeply appreciative of the fine support and generosity of the National Organization in providing the funds necessary to sponsor this ceremony each year. Without that dependable source of support, the ceremony could not have developed and grown as it has over the years. We
believe we have been prudent in making expenditures and in relying on as much volunteer help as we have been able to obtain in the various phases of programs planning and development. Here we would be remiss if we did not acknowledge the invaluable contributions made each year by Past National President Ellinore K. Johnson in her capacity as a special consultant.

A complete report of expenses incurred in the conduct of the 1989 ceremony has been filed with the National Treasurer and is available for inspection.

Recommendations: In consideration of the standard of quality established and maintained over the years despite ever rising costs for goods and services and in recognition of the demands made upon the National Organization for financial support for many worthy projects, your committee recommends the renewal of its appropriation of $400.00 for the conduct of the 1990 ceremony. Next year, 1990, will mark the 125th anniversary of the assassination of Abraham Lincoln.

Additional funds as needed to meet projected expenses will be requested from the Lincoln Deathday Association, Inc., which receives financial support from the George L. Cashman Trust. This trust was established under the Will of the late Brother Cashman to help in providing for the necessary expenses which could not be met by the appropriation from the National Organization. This additional source of funds has been of great help as we strive to conduct a ceremony that will be in keeping with both the aims and objectives of our Order and in recognition of the stature of the man we are honoring, Abraham Lincoln.

National Committee on Constitution and Regulations

We have the honor to present this, the report of the Committee of its activities during the administrative year ending at this Encampment.

Due to the energetic and able leadership of our Commander-in-Chief, most situations were resolved promptly and without difficulty. Your chairman has considered and answered many questions referred to him verbally or in writing, including those from others of the Allied Orders. Of the ones submitted for consideration, two are singled out as they will be of particular interests to the Members of our Order as a whole.
One involved the possibility of a Camp leaving a Department and becoming a Camp-at-Large. Pertinent to this are provisions of the Constitution and Regulations. Reference to Constitution Article VI, Section 5 and Article VII, Section 2; and Regulations Chapter I, Article I, Section 3 and Chapter I, Article I, Section 4. The opinion was given that there is no provision of the Act of Congress or the Constitution or Regulations allowing the conversion or affiliation of a state Camp to a Camp-at-Large. Therefore, such conversion or affiliation is not possible as the structure of our Organization presently exists. As can be seen, if a Camp ceases to exist for any reason as a component part of a Department, the Department acquires all of its money and property of every kind. The Camp is deliberately made the basic entity of our Order, as are similar units of other fraternal, hereditary or veterans’ organizations. The Camp is autonomous and rules itself, subject only to proper by-laws and rules of the superior divisions of the Order. Camps-at-Large are authorized only in states in which no Department exists at the time of their organization.

The second matter involved activity in or affiliation with the Sons of Veterans Reserve (SVR) which is the authorized military feature of our Order. This is covered by Chapter IV of the Regulations, and states that to be eligible for membership a Brother shall be a Member in good standing of the Sons of Union Veterans of the Civil War, which in turn means that to be in good standing the Brother must not be in a suspended status for non-payment of his dues or for other reason. If in good standing as above mentioned, he may participate in the activities of the SVR with all of its benefits and privileges; otherwise, he must not be allowed to be identified with it. It was suggested that the Camps ascertain the facts periodically.

To list and comment on all items brought up would consume much time and burden you unduly, but let me say that the year has been a most interesting one, and speaking for the committee as a whole we appreciate the opportunity of serving our Order in this capacity and thank the Commander-in-Chief for the confidence placed in us, and at the same time congratulate him on a most outstanding year of accomplishment.
