RECOMMENDATIONS FROM OFFICER REPORTS

4. Senior Vice Commander-in-Chief

a. Recommendation, Item 3, page 5

Alonzo Cushing Recognition – It is recommended the event to be an official National SUVCW event to be held at the Cushing Monument at Gettysburg immediately following the parade.

It was moved by Brother Orr, seconded by Brother Norris, for this to be a National event, and for the SVCinC to coordinate with Military Affairs Committee. Motion passed.

5. National Secretary

b. Recommendation 1, page 8

It is recommended the Sesquicentennial Signature Event Committee be instructed to no longer accept applications or submit them to the Council of Administration for approval.

Motion made by Brother Orr to accept the recommendation with a caveat to accept applications for August 20, 2016, seconded by Brother Norris. Motion passed.

c. Recommendation 2, page 8

It is recommended the Commander-in-Chief direct the C&R Committee to resolve the conflict between and within the National Regulations and Job Description to show that the budget is presented for review by the National Encampment and subsequently approved by the Council of Administration.

CinC to send to C&R Committee.

d. Recommendation 3, page 9

It is recommended the Commander-in-Chief direct the C&R Committee to add in Chapter III, Article IV, Section 3 that the office of Camp-at-Large and Department Organizer is also excluded from appointment by the Commander-in-Chief.

CinC to send to C&R Committee.

e. Recommendation 4, page 9

It is recommended the Commander-in-Chief direct the C&R Committee to amend Chapter II, Article VI, Section 2 to reflect that the charter fee is to be forfeited "one year from the date of the application."

CinC to send to C&R Committee.

6. National Graves Registration Officer

a. Recommendation 1, page 23

Recommendation for a change in the Regulations, Chapter V, Article IV, Badges, Section 2(b) as reads "All elected officers of the National Organization, while holding such office, and past elected National officers who have served a full term or who have been elected to fill an un-expired term and who served until the end of that term, a ribbon, the center a broad stripe of old gold, with a narrow border of red, white and blue on each side. All elected Department officers, while holding office or having been granted emeritus status by his Department Encampment, a ribbon with a red center, and the red, white and blue border on each side."

Should be changed to read "All elected and appointed officers of the National Organization, while holding such office, and past elected National officers who have served a full term or who have been elected to fill an un-expired term, or past appointed National officers who have served and completed more than five consecutive terms and who served until the end of that term, shall be entitled to wear a ribbon, the center a broad stripe of old gold, with a narrow border of red, white and blue on each side. All elected Department officers, while holding office or having been granted emeritus status by his Department Encampment, a ribbon with a red center, and the red, white and blue border on each side."

I have underlined the additional terminology within the changed regulation for convince only, the underlined portions if approved would be in the regulation without being underlined. I have looked through the list of officers contained within this email and all the required officers are included who need to be notified of proposed changes in the Regulations of the SUVCW. I request that the Chairmen of the proper committees please present these changes to their committees for review and addition to the National Encampment Agenda.

Secretary was directed to advise submitter to submit the recommendation in the proper manner, as described in the Regulations of the Order.

RECOMMENDATIONS FROM COMMITTEE CHAIRMEN REPORTS

7. There were no recommendations noted in the Committee Reports.

RECOMMENDATIONS FROM DEPARTMENT REPORTS

8. Department of Colorado & Wyoming

Reports & recommendations submitted to the COA should continue to be forwarded to the Departments annotated with action taken to facilitate an exchange of information.

The current plan is to continue to distribution of minutes and reports after they are approved. No additional action required.

b. Recommendation 2, page 40

A summary of actions approved by the national encampment (in a little more detail than the highlights that appear in the Banner) be sent to the Departments.

No action required.

OLD BUSINESS

9. Status of Published Proceedings

- a. Proceedings for 2014 are with Brothers Freshley and Campbell for review.
- b. Proceedings for 2012 and 2013 are in the hands of the respective outgoing and incoming Commanders-in-Chief.
- c. Proceedings for 1986, 1990, 1993, and 2002 are not on the National website. This will be looked into.

10. Status of Banner Editor replacement. Brother Norris stated Brother Crabtree is the strongest candidate for the position. Further action is pending his acceptance and subject to Council of Administration approval.

11. Pictures for Monument Database, Brother Busch. See pages 19 and 20 of officer reports. The consensus of the Council of Administration is to continue with actions being taken.

12. Open Items list was reviewed.

13. Brother Wheeler reminded the council that the Ritual is still out of date and the “pocket” size is very difficult to read. Brother Pierson will review annual proceedings for changes to be made to the ritual. Once the updates have been approved, he will convert it to the smaller size, retaining readability.

NEW BUSINESS

14. Investment of Additional Funds. Brother Orr stated the council had previously approved investing \$400,000 in mutual funds to increase our income. This has been successful. Also, the last of the certificates of deposits has matured. Brother Orr moved to invest \$100,000 in corporate/municipal bonds, with the intention they be held to maturity. Motion seconded by Brother Russ. Motion passed.

15. National Website. Brothers Orr and Wheeler stated there is no index, and it is not user friendly. It was also agreed that it is not easily searchable. Brother Freshley suggests putting together a “punch list” with the expectations for items. The punch list will be presented to webmaster for further action. Brother Freshley was asked by CinC Campbell to be the point person for punch list items.

16. Pennsylvania Department Order 9, Series 2014-2015. Brother Orr stated there are problems within the Department of Pennsylvania, which may have a significant effect on the department in the next six months. It was reported that eleven of the twenty-six camps want to split the department, again.

17. Encampment Committee update. The reservation system for the hotel reservations for the National Encampment at Richmond has had problems. These have been, or are being, addressed. Also, someone needs to communicate with the other Allied Orders. CinC Campbell advised Brother Crane to handle this. Cost of radios for committee communications at encampments will be charged to committee expenses.

18. Brother Orr discussed using a shirt vendor. Shirts will have to be ordered from the company. These will be on the SUV CW Facebook page. A date will be set for order cutoffs.

19. Brother Orr discussed that PCinC Bud Atkinson had found number of old badges in his attic, which were boxed up and given to Brother Wheeler. National Historian Brother Woltz went through the badges and reconditioned ribbons which needed it. These badges will be auctioned, and includes some special and rare badges. The special and rare badges will have starting minimum bids on them. The auction will be restricted to brothers of the Order.

20. Brother Orr addressed an issue with the Pledge of Allegiance, reminding all that it is “one Nation under God”, and not “one Nation, under God.”

21. Brother Pierson presented to the council some concepts of what the Eagle Scout patch could look like. He will email the pictures to the council members so they can review them in better detail. No further action was taken at this time.

22. Brother Petrovic discussed problems with Lincoln Tomb Ceremony. There are problems getting enough people to come to the luncheon. He inquired as to should we consider doing away with luncheon. No action taken at this time.

23. Brother Russ moved to not tie the Spring Council of Administration meeting to Springfield. CinC Campbell moved the motion out of order. The issue will be addressed by the incoming CinC.

24. Memorial University. Brother Michaels stated that additional new module for new members are being developed. The Power Point and script are there in draft form.

25. Brother Wheeler inquired as to if an annual report can be emailed. No decision was made.

26. Scholarships. Brother Orr stated that, according to the Scholarship committee report, the committee stopped taking applications on March 31. These nominations need to go to CinC Campbell before June 30, and the committee also needs send them to Brother Orr so he has the needed information for later issuing the checks.

27. Brother Norris inquired of Brother Orr concerning the issue where camps did not submit their bylaws on time. Brother Orr advised that we are awaiting the IRS on this.

GOOD OF THE ORDER:

28. Chief of Staff Kevin Martin had a flyer for a Department of New York event on May 29, 2015, in the event anyone was able to attend

29. Brother Martin advised that two department encampments, Vermont and Maine, did not currently have National representation. Chaplain Kowalski volunteered to attend the Maine encampment.

CONCLUSION:

30. CinC Campbell provided closing comments, followed by Chaplain Kowalski giving the Benediction.

31. Meeting was officially adjourned at 10:22 PM.

Chapter V, Article V, Section 5 (Duties of CofA) states, “(b) **Present to each annual Encampment of the National Organization** a budget of the estimated receipts of the amounts necessary to conduct the affairs of the National Organization for the ensuing year, and shall recommend the amount to be appropriated for each of the activities of the National Organization and the amount necessary to be raised by per capita dues to meet the same; and no officer or Committee shall spend any amount or incur any indebtedness beyond the sums so appropriated, except by a vote of nine (9) members of the Council of Administration.”
- c. Chapter V, Article VI, Section 2 states, “(b) The National Treasurer is authorized to pay the routine expenses of the Order from the close of the fiscal year until the **approval of the budget by the Council of Administration each year.**”

Recommendation 2: It is recommended the Commander-in-Chief direct the C&R Committee to resolve the conflict between and within the National Regulations and Job Description to show that the budget is presented for review by the National Encampment and subsequently approved by the Council of Administration.

Item 3. Address Conflict Pertaining to Appointment of Camp-at-Large and Department Organizer as Exists Between National Regulations and the Job Descriptions – Council of Administration.

- a. Chapter III, Article IV, Section 3, states, “On assuming office, the Commander-in-Chief **shall appoint all other officers and national committees**, and may appoint one or more Assistant National Secretaries and one or more Assistant National Treasurers and may appoint such aides as he may deem necessary, for such services as he may designate, **except that he shall not appoint the Editor of the Banner, or the Membership-at-Large Coordinator.**” [NOTE: The National Camp-at-Large & Department Organizer are not excluded in this section from appointment by the CinC.]
- b. Chapter V, Article V, Section 5 (Duties of CofA), states, “(d) Elect the Editor of the Banner for a term of three years, subject to removal from office at any time by a majority vote of the Council; and **elect the Camp-at-Large and Department Organizer for a term of one year.**”

- c. The Job Description for the Council of Administration states, "Appoint the National Membership-at-Large Coordinator and the **National Camp-at-Large & Department Organizer** to serve at the pleasure of the majority of the Council of Administration."

Recommendation 3: It is recommended the Commander-in-Chief direct the C&R Committee to add in Chapter III, Article IV, Section 3 that the office of Camp-at-Large and Department Organizer is also excluded from appointment by the Commander-in-Chief.

Item 4. Resolve Problem Between Current Practice and National Regulations with Regard to Time Limit for Forming a New Camp.

- a. Chapter II, Article VI, Section 2, states, "Section 2. Departments shall pay to the National Organization: Twenty-five dollars (\$25.00) for the Department Charter; Twenty-five dollars (\$25.00) for each new Camp Charter, which amount shall accompany the application **and shall be forfeited if the Camp is not instituted within six months from the date of application**; and Ten (\$10.00) for the reinstatement of Camps which have been suspended. Twenty-five dollars (\$25.00) for the reinstatement of Camps which voluntarily surrendered their Charter or which had their Charter revoked provided that this fee shall be waived if a Charter exists."
- b. SUVCW Form 50 (Rev. 5/2014) states on page 1, paragraph 2, "When the Department Secretary receives the Form 51, and if all is found to be in order, the two copies are then forwarded to the Department Commander for his approval. When the Department Commander approves, he signs both copies of the Form 51 and returns them to the Department Secretary, along with a Camp Organization Authorization (Form 52). This form gives the Camp Organizer permission to take the steps necessary to form the new Camp for a period of one year: hold organizational meetings, elect and appoint temporary Camp officers, recruit new Members, etc. **At the end of that year, if the new Camp has not yet completed the Charter application process, their authorization expires and they need to begin the process again with a new Form 51 submitted to the Department Commander...**"
- c. It has been in practice for a number of years that camps have one year to for, rather than the six months still shown in the regulations. I checked the April 2010 edition of the Form 50, which also show the one year period.

Recommendation 4: It is recommended the Commander-in-Chief direct the C&R Committee to amend Chapter II, Article VI, Section 2 to reflect that the charter fee is to be forfeited "one year from the date of the application."

2.6 National Quartermaster; Danny L. Wheeler, PCinC

The Quartermaster store is doing as well as it can. Sales at this time are a little better than last year. We will be having a sale on 150th anniversary items in the next Banner.

We have sold around four cases of Brother Wolz's new book which he gave us at a good price. The GAR grave markers are selling well. I trust we should go over \$50,000.00 again this year.

As far as the ROTC program, it is doing real well. We have sold over 500 so far and should be around 1,000 by May. This program is very time consuming with the e-mails and phone calls.

One problem that the Quartermaster store has can't get changes in a timely manner; I get orders for things that we no longer carry or changes on orders of items, etc. I would like to see Brother Orr and myself take over the Quartermaster store so we can change prices and items as needed.

Again, I would welcome any ideas on new products as this helps to keep sales up in the years to come.

2.7 Council of Administration – 2016; Brian C. Pierson, PDC

I have made a suggestion for the Eagle Scout patch and have forwarded it to the National Eagle Scout Coordinator for action.

2.8 Council of Administration – 2016; Edward J. Norris, PDC

I attended the Gettysburg meeting and voted on all electronic board room votes since that time. I performed all committee work assigned. I'm scheduled to install the officers of the Department of Rhode Island and Department of New York.

2.9 Council of Administration – 2016; Walter E. Busch, PDC

Other than voting on necessary agenda items, I have nothing to report. I will be at Springfield.

2.10 Council of Administration – 2015; Donald W. Shaw, PDC

While keeping busy with the work of the Order at the Camp and Department levels, I have also been busy with duties in connection with the post of Member of the National Council of Administration. I have monitored and participated in all discussions regarding questions coming before the Council. I have cast votes all on issues put to the Council for discussion and decision.

I am slated to represent the C in C at the Nebraska Department Encampment later in April and have been making the arrangements to conduct that visit

I continue to serve as a member of the committee searching for a replacement for the Banner Editor.

I continue to serve as a member of the National Civil War Memorial Grant Fund Committee.

RECOMMENDATIONS

I have no recommendations to put before the Council at this time.

2.11 Council of Administration – 2015; Steve S. Hammond, PDC

My activities over the months since the Council of Administration have been mostly administrative. I worked with the Maryland Historic Trust to place a roadside historic marker, noting the role of the Annapolis and Elk Ridge Railroad. This railroad allowed in the spring of 1861 to avoid moving troops through Baltimore, due to Southern sympathies. The marker was placed at the railroad's western terminus in Annapolis Junction, MD. I also worked with brothers to plan the 150th commemoration ceremony of the death of Abraham Lincoln and the following events at the Samuel Mudd Farm in Waldorf, MD. Further activities include:

- November 22 Attend Council of Administration meeting in Gettysburg, PA
- December 6 Attend Victorian Christmas Party at the Samuel Mudd House in Waldorf, MD
- January 17 Attend the annual meeting/ installation of officers of the General George G. Meade Camp, Department of the Chesapeake; announced placement of the historic wayside marker, sponsored by the camp in Annapolis Junction, MD
- January 25 Attend planning meeting for the 150th anniversary of the assassination of President Lincoln at the Samuel Mudd House
- March 28 Attend the Medal of Honor ceremony held by Antietam Camp #3 at the Dunker Church, Sharpsburg, MD

2.12 Council of Administration – 2014; Ken L. Freshley, PCinC

National CofA duties – Completed my duties as a National Council of Administration member, by voting on items presented to the CofA. I also attended CofA meetings.

Other Events – Attended multiple Civil War living history events and involved in planning of Sesquicentennial Events in our area.

Recommendations – None.

2.13 Banner Editor; Stephen A. Michaels, PCinC

At the time of this report, the Spring 2015 *Banner's* layout is being finalized for printing and mailing to our membership. Included are stories about the GAR Sesquicentennial, Union Defender's Day, Our New Camps, Sites to see at the Richmond National Encampment and Planting the Acorn; How Some Allied Orders Families Have Grown.

The expanded 28-page Winter 2015 *Banner*, commemorating the Civil War's Sesquicentennial, was well received both by both readers and advertisers. It included a color spread on Remembrance Day, stories about Springfield, Ill., commemorations, a Prized Possession, and the Lincoln Memorial.

Collecting material for the Summer 2015 issue of the *Banner* will begin shortly. Due date for submissions is May 31st. Dependent on the progress on preparing my replacement, my goal is to have this issue in the mail by early July.

Additionally, I serve as the Chair for the Memorial University Redesign Committee (see separate report).

I coordinated the Commander-in-Chief's visit to the Wis. Dept. Mid-Winter Meeting on February 7th and remain ready to coordinate the SVCinC's visit to the Wis. Department Encampment on June 7th

2.14 Executive Director; David W. Demmy, Sr., PCC

3.0 National Appointed Officers

3.1 National Aide-de-Camp, Frank C. Avila, PCC

No report given.

3.2 National Camp-at-Large & Dept. Organizer, Loran T. Bures, PCC

Visit to Col. Edward D. Baker Camp No. 6:

I was able to join the Commander-in-Chief on 6 Dec 2014 for the Baker Camp's Annual Banquet and Officer Installation in Dallas, Oregon. Prior to the Banquet, Brother Campbell and I met with the Camp officers to discuss the formation of the proposed Department of the Columbia. During the business portion of the Banquet, the Camp Brothers endorsed the formation of the Department of the Columbia to include the States of Alaska, Oregon, Washington, and possibly Idaho.

Fort Walla Walla Camp No. 3:

Their Form 51 was filed on 18 Nov 2014, and Form 52 was issued on 6 Dec 2014. The formal organizational meeting was held on 14 Feb 2015 in Ritzville, Washington where they approved their Camp Bylaws and elected their Camp officers. At the request of the Commander-in-Chief, I served as the installing officer. On 21 Mar 2015 they filed their Forms 54 and 55 with 41 Charter members (38 Members/Life Members plus 3 Junior Members). Brother Campbell has assigned 30 Mar 2015 as their Date of Rank.

Department of the Columbia:

On 31 Mar 2015 the three Camps-at-Large in the Pacific Northwest (Gov. Isaac Stevens Camp No. 1 of Olympia, WA, Fort Walla Walla Camp No. 3 of Kennewick, WA, and Col. Edward D, Baker Camp

No. 6 of Springfield, OR) petitioned the Commander-in-Chief for the formation of the Department of the Columbia to consist of the States of Alaska, Idaho, Oregon, and Washington.

Department of Arizona:

- On 8 Nov 2014 Brother John Conrad, PCC filed Form 51 to form the General R. H. G. Minty Camp No. 2 of Tucson, AZ. Their Form 52 was issued on 8 Dec 2014.
- On 15 Nov 2015 Brother David Swanson, PCC filed Form 51 to form the General U.S. Grant Camp No. 3 of Flagstaff, AZ. Their Form 52 was issued on 8 Dec 2014.

Repurpose the Office of National Camp-at-Large and Department Organizer:

It is possible that by the end of the current administration, but more likely early in the next administration, the office of National Camp-at-Large and Department Organizer, in its present form, will have nothing left to do. The proposed amendments to the National Regulations would repurpose the office by expanding the duties of the office and renaming the office to better reflect its expanded responsibilities. The proposed amendments were submitted on 10 Mar 2015 for consideration by the National Encampment in August.

Camps-at-Large Page on National Website:

With the assistance of Brother Joshua Claybourn, the information provided on the Camps-at-Large page has been kept up to date.

3.3 National Chaplin, Daniel M. Bunnell, PDC

No report given.

3.4 National Chief of Staff, Kevin L. Martin, PCC

I coordinated and completed the second of the Tri-Year Council of Administration Reports for the Springfield meeting. The chart below summarizes the final report response status.

Report Type	Number of Officers	Reports Received	Percent Complete	Diff over last period
National Elected Officers	14	14	100%	+21%
National Appointed Officers	29	15	52%	+7%
National Standing Committees	19	10	53%	0%
National Special Committees	13	6	46%	-8%
Department Reports	28	28	100%	+25%
Total	103	73	71%	+11%

Overall, there was a total increase of 11% participation compared to the last reporting period. It was an outstanding effort by the National Elected Officers and the Department Reports.

3.5 National Civil War Memorials Officer, Walter E. Busch, PDC

For the sake of brevity, I will not provide an updated list of each department's monuments as little has changed. There are a few more from Missouri, and I've updated the Arkansas spreadsheet, but have received only one or two others from departments. The listing will be provided at the national encampment.

Tom Gaard, member of the national committee on Civil War memorials reported that the link to the Iowa website was missing from the national monuments page, although it was there at one time. Apparently it got lost in transition, but that has now been corrected. I have also been in contact with a member from Nebraska who advises they have a lot of monuments listed and he will start forwarding them to me.

I have begun work on a database and would like a minute for the council to review it. This may end up being too big for one database, as the file also holds copies of PDFs. For that reason, if this database is used, it might need to be separated by department. I have entered 19 along with 210 partial information I had on the Arkansas monuments to see how well cut and paste into the table would work.

The input page looks like:

The screenshot shows a web browser window with the title 'Monuments - Data Entry' and the page header 'Sons of Union Veterans of the Civil War Monuments Database'. The form contains the following fields and values:

I have sent this to the committee for review and the only comments received were from Bruce Butgereit advising that Michigan has their own database; however, the file would never attach to the e-mail properly.

I have not successfully created a query page for people to use on the web. If this is approved, that would probably be the last thing I work on prior to it going on line.

If the council agrees that this database is acceptable (or acceptable with minor adjustments), I will continue data entry. If not acceptable, then I would recommend that the council use the basic formatting developed here for a database which also will bring up the appropriate PDF file and have the webmaster develop a bid package for a vendor to produce a database for us.

3.6 National Color Bearer, Justin M. Dorsey, PCC

No report given.

3.7 National Counselor, James B. Pahl, PCinC

I have advised several brothers on the fine points of our National Regulations. No formal opinions since the last CofA meeting. May I remind the CofA that federal law requires the Order to have published the proceedings of the 2014 National Encampment by March 1, 2015.

3.8 Assistant National Counselor, Joshua A. Claybourn

No report given.

3.9 Assistant National Counselor (Blue Book), James B. Pahl, PCinC

The National Regulations have been updated through the 2014 National Encampment and posted to the Order's web site. However, due to some past Proceedings not yet published, the annotations are only current as of the 130th National Encampment in Reston, VA.

3.10 National Eagle Scout Certificate Coordinator, Robert M. Petrovic, PDC

The Department Eagle Scout coordinators list has been updated and put on the web site. The new information only has the members name and email address. This is so we can process requests faster. We are only accepting email requests for certificates and this seems to be working very well. The Executive Director still receives some requests which he forwards to the correct Department coordinator.

3.12 National GAR Highway Officer, Peter J. Hritsko, Jr.

3.13 National GAR Records Officer, Dean A. Enderlin, PCC

3.14 National Graves Registration Officer, Bruce D. Frail, PDC

I have the honor to report the following to the Council of Administration and the Commander-in-Chief. This report is a reissue of an update sent Brother Eugene Mortorff at his request on the 25th of March 2015. We are still watching three areas that had been hacked. I am not sure if you are up to date on the hacking so I will go into some detail for you. The database was attacked by a set of bots (programs designed to gather information) we believe one of them was controlled by Ancestry.com as we were able to locate its source in the United Kingdom to some IP's that they were using, this was brought to our attention via a database alert system that was designed into the new database format which switched over to a secondary database backup system (the 24 hour back up located in Hong Kong), we had been operating on the main database located in the US, this change happened as soon as the bot was recognized and we were able to stop its full action within a day and a half or so,

there was no data loss as the bot wasn't designed to copy the code of our database, just steal/copy the data within it. Our IT man who has been working on the new database design designed a set of code that will watch for any more attempts from bots of that nature.

One of the other bots was located as coming from the Ukraine and was also stopped as above, the last bot/hacker was a local computer operator in the USA that was stealing/copying information from all the counties in Ohio, one at a time. This hacker used updated code added to our current code that changed the number of results that they could download at any one time. This was brought to our attention thru the database alert system because of a line of code that we had placed into the database which only allows for the downloading of 500 records by any one IP address in a 48 hour time frame unless that request comes from a root level administration account of which there are only three of those accounts. One is mine, one is Ken (our IT man) and one is a safety back door system. It is almost impossible to keep this type of attack from happening again, we can and have added code that will slow down the process for the attacker and once known to us we can block any use from that IP address.

These attacks were allowed to happen because of the reintroduction of search fields that had been removed from the database prior to 2009, it was these search fields that had forced the shutdown of the database for several months in early 2009 while Brother Jim Davenport was the NGRO. There was the desire of the C of A and people who use the database that these search fields be reintroduced and that was the basis for the database design in the first place. Brother Jim Davenport resigned from the office of NGRO not long after the system was back on line and I was appointed by Brother Kennedy in August of 2009, Brother Jim Davenport is still a very valued and trusted member of the National Committee on Graves Registration.

The above attacks were prevented by the new database design which consists of four (4) databases that are running at the same time in two separate locations as follows, the main database is our actual time database and is run at a location in Massachusetts, USA, the second & third databases are run at a 24 hour delay with the second being in Hong Kong and the third being in Massachusetts, the fourth database is run at a 168 hour delay (1 week) and is located in Hong Kong. These databases use the .org and .com extensions and can be switched manually or automatically as needed to protect the system and to keep our presence with an active database on the internet. The first year and a half of the database design was putting these protections into place.

This was the first major test of the new system and it came through with flying colors, no down time, no lost data, no one in the public knew anything of what was going on but for a little over three days our main database was down, this what the new database system was designed for. Once we knew we had stopped the bots, we resynchronized the databases to upload all the records that had been submitted into the 24 hour database and ran them for 4 hours in tandem before dropping the 24 hour back down to its delay setting, this ensured that no data was lost during the changeover.

This along with some other coding problems has slowed down the overall database design but we are working on some of the last design changes now, again we now go thru a testing phase that is a little longer then when we first started, we had been waiting one week before going live with changes from the testing database location and now we are waiting one month and only completing one change at a time. This change in design has not cost the SUVCW any more money then what was approved nor will it. The only change is the full completion date and the contract makes allowances for that. The two main changes to come are the addition of photos (in which we are running into coding issues) and the bio pages (which work in connection with the photos hence some of the same coding issues). I do not have a finish date at this time, It could be done in a month or it could take a year or longer.

We also have an issue with the organization of the Headstone Committee of which Brother Campbell is fully aware, this issue has concluded with the removal of a Brother from the committee due to his interference and unwillingness to work within the policies of the SUVCW and the VA. That committee has a list of headstones orders to put into the works and is working with genealogists to volunteer their time to do Next of Kin research for the SUVCW, I will be speaking at the 2015 New England

Regional Genealogical Conference in two weeks where I will be introducing this volunteer program. I will be able to go into much more detail with my 2014-2015 closing report to the National Encampment.

Recommendation 1: Recommendation for a change in the Regulations, Chapter V, Article IV, Badges, Section 2(b) as reads "All elected officers of the National Organization, while holding such office, and past elected National officers who have served a full term or who have been elected to fill an un-expired term and who served until the end of that term, a ribbon, the center a broad stripe of old gold, with a narrow border of red, white and blue on each side. All elected Department officers, while holding office or having been granted emeritus status by his Department Encampment, a ribbon with a red center, and the red, white and blue border on each side."

Should be changed to read "All elected and appointed officers of the National Organization, while holding such office, and past elected National officers who have served a full term or who have been elected to fill an un-expired term, or past appointed National officers who have served and completed more than five consecutive terms and who served until the end of that term, shall be entitled to wear a ribbon, the center a broad stripe of old gold, with a narrow border of red, white and blue on each side. All elected Department officers, while holding office or having been granted emeritus status by his Department Encampment, a ribbon with a red center, and the red, white and blue border on each side."

I have underlined the additional terminology within the changed regulation for convince only, the underlined portions if approved would be in the regulation without being underlined. I have looked through the list of officers contained within this email and all the required officers are included who need to be notified of proposed changes in the Regulations of the SUVCW. I request that the Chairmen of the proper committees please present these changes to their committees for review and addition to the National Encampment Agenda.

Short and to the point a number of inquiries have been forwarded from both Comdr. Campbell, Bro. Demmy our Executive Director and others.

Topics usually range from seeking information to identify photos, badges and various insignia to helping trace family records. I have tried to respond to each in a timely manner.

The Order continues to make some money through the sale of my book and it seems to be proving informative and a source of membership inquiries for both the Sons and Loyal Legion.

Thank you for the chance to share a love of history for our Order.

As many of you will recall, in 2014 the SUVCW website (www.SUVCW.org) underwent a major re-design and overhaul. The new design aims to be aesthetically pleasing and present a vibrant, thriving image to the public, while also remaining true to the historic nature of SUVCW. A number of the changes also improve the website's functionality, convenience to navigate, and ease to make updates.

All of the major and primary website pages have been converted to the new design. However, with over 6,000 pages on the SUVCW website, some less prominent pages will take some time to convert. If any officers find such pages not having the new design and would like their conversion to be expedited, please let me know.

Thus far the new website has received positive reviews, both with existing SUVCW members and with the public we are seeking to reach. SUVCW must have a top notch web presence to compete in today's digital age and a great website key to the SUVCW's survival. In the public's eyes a website is a reflection of an organization itself. If a website looks cheap and is difficult to use, the public will assume that the organizations shares these characteristics. A high quality, clean website is vital to sustain a positive reputation for the SUVCW. I hope and believe that our redesign is a big, important step toward strengthening the SUVCW. In addition to the new SUVCW website, I have also worked to bolster the SUVCW's presence on social media, and specifically Facebook. With a combination of SUVCW-specific posts and general Civil War news/commentary, I have worked to make the SUVCW Facebook page vibrant and active. As a result the page's traffic has climbed dramatically. There has been an increase of approximately 25% in "likes" on the SUVCW page with over 1,000 new likes since January 1, 2014. This is a critical component of outreach and has undoubtedly led to new members.

With the help of Brother David Merchant, I have also assisted with an overhaul of USMemorialDay.org, which in 2009 was turned over to the SUVCW for regular maintenance and upkeep. Since Memorial Day is one of the chief legacies of the G.A.R. and an important part of our educational mission, a modern and dynamic website for Memorial Day will be beneficial for our organization for quite some time.

I look forward to continuing a strong online SUVCW presence. I encourage any brother to reach out to me with questions, corrections, or suggestions by emailing me at webmaster@suvchw.org.

4.2 National Committee on Battle Flag Preservation, Edward J. Norris, PDC

Efforts by states to conserve their flags have been slow. Two historic flags, given by the people of Delaware in August 1862 to the 1st Delaware Volunteer Infantry, are at last being conserved and readied for exhibiting. The \$30,000 conservation project is expected to start in March in Philadelphia and take two months. The Lyons-Muir Historical Museum conserved their GAR Post 100 flag. Over the course of several months, the flag was humidified and flattened to reduce distortions in the weave. It was stabilized and protected by encasing it between layers of sheer nylon tulle. Five historic flags from the Civil War were unveiled by the New Jersey State Museum and the New Jersey Civil War Heritage Association during December. The museum's collections include more than a hundred flags carried by New Jersey soldiers in the war and the museum periodically rotates five of them for display. The Facebook page is up to 1,412 Likes; we're getting the word out there.

4.8 National Committee on eBay Surveillance, James R. Dixon, CC

4.9 National Encampment Site Committee, James T. Crane, PCC

Plans are progressing well as we move along towards the dates of the Encampment. There has been an early influx of reservations which is good for our contractual commitment with the Omni. They are very strict about room blocks, and will not give us any more rooms than what we have blocked unless we sign an agreement to do so. It has rarely happened in the past, as most hotels let us sell through the block of rooms we have.

We had to increase the block of rooms for Wednesday, August 19th to meet the early demand for rooms. There was 20 rooms blocked as normal, but the Committee increased that to 35 rooms to accommodate the demand for the earlier arrival for our attendees. No more reservations will be accepted for arrival on August 19th. So if you try and make a reservation for Monday the 17th through Sunday the 23rd, the hotel will tell you there are no more rooms available. If you wish to arrive early,

you will have to stay at another hotel before the 19th, and then transfer to the Host hotel on the 20th.

The Site Committee has guaranteed 475 room nights, of which we need to pick up 80% or 360 room nights to cancel out having to pay a penalty for meeting space. As of March 24th, we have 262 total room nights already made.

The rest of the Host Committee's forms will be available in the next copy of The Banner, along with the reservation form for the SVR Breakfast. Please try to send these in early as possible to help the Host Committee know where they are in the counts for printing and so on. Money will be tight for them this year.

The Committee will be visiting the Department of Michigan on April 17th & 18th for a site visit for 2017. Then on May 1st & 2nd, we will be visiting the Department of Massachusetts for their site visit for the 2017 Encampment. After reviewing both proposals and sites, the Committee will then discuss who to award the Encampment to. Both Departments should be congratulated for their hard work.

4.10 National Committee on Fraternal Relations, Jerry R. Sayre, PDC

I have compiled the latest list of the several heads of the organizations in our Civil War community and those of interested fraternal societies. I have, on behalf of the Commander in Chief, sent invitations to each of these to join us at Springfield, IL to observe the 150th anniversary of the death of our beloved 16th President, Abraham Lincoln.

4.11 National Committee on GAR Post Records, Dean A. Enderlin, PCC

Current members of the GAR Records Committee are: Dean Enderlin, PCC, chair; Glenn Knight, PDC; Jeffrey Vaillant, PCC; Ernest Blevins; and Walter Busch, PDC. Aides to the committee are: Richard Orr, PCinC (Sr. Advisor); Glen Roosevelt, PDC; Brad Schall, PCinC, and Robert Wolz, PDC.

Our committee continues to use the "GARRecords" group on Yahoo.com as our primary forum for internal communications and file exchange. The group is limited to appointed committee members, committee aides, senior officers, and invited guests. Group administrators are Glenn Knight, PDC, and Dean Enderlin, PCC. Our public website (www.GARrecords.org) is administered by Br. Enderlin, with Br. Knight as backup admin.

Five recommendations involving the GAR Records Project were approved at the 2014 National Encampment. Of these, four (all relating to job descriptions) await completion as of April 2015. The pending items are summarized below:

- New job description for the **Department GAR Records Officer** to be sent to the P&P Committee. (GAR Records Committee Recommendation #1, pg. 47, 2014 Nat'l Committee Reports)
- Amended job description for **National Historian** to be sent to the P&P Committee (GAR Records Committee Recommendation #2, pg. 47, 2014 Nat'l Committee Reports)
- Amended job description for **National Committee on History** to be sent to the P&P Committee (GAR Records Committee Recommendation #3, pg. 48, 2014 Nat'l Committee Reports)
- Amended job description for **Camp & Department Historian** to be sent to the P&P Committee (GAR Records Committee Recommendation #4, pg. 49, 2014 Nat'l Committee Reports)

On 17 August 2014 the Council of Administration assigned the task of reviewing the job descriptions to the P&P Committee (see CofA Meeting Minutes, 17 August 2014, New Business, items 7e, 7f, 7g and 7h), however, on the advice of the National Counselor, it was later concluded that job descriptions no longer fall under the purview of the P&P Committee.

Recognizing the National Counselor's concerns, the National GAR Records Committee recommended that the matter be redirected to the C&R Committee at the 16 November 2014 Council of Administration meeting. The Council's decision was that "the current policy is to remain in effect," meaning that the P&P Committee is still tasked with reviewing job descriptions (see CofA Meeting Minutes, 16 November 2014, Reports, item 1d).

Since November 2014, the chairs of the P&P Committee and National GAR Records Committee have kept in touch, and we believe that we have found a solution to the impasse. Additional details will be presented in the report of the P&P Committee.

In addition to routine updates to the GAR Records Catalog and the Post History listings, the GAR Records Program recently took a significant step toward public outreach. The National GAR Records Officer has developed a PowerPoint slideshow to aid in educating others in techniques for locating and identifying GAR ancestors. The slideshow is currently customized to assist members of the DUVCW, who are engaged in a nationwide program to document GAR ancestors preparatory to a 2016 special tribute. The National GAR Records Officer debuted the slideshow at a presentation to Kate B. Sherwood Tent, No. 89, Dept. of CA & NV, DUVCW, in January 2015, and will be delivering the same slideshow to the DUVCW Dept. of CA & NV Annual Convention on 24 April 2015.

Regarding the Vision 2020 Strategic Plan recommendation that the GAR Records Committee "establish and publish a process for Departments to report locations of GAR records in their territories," there has been no progress since our last interim report. When new job descriptions are put into effect, we will be able to move forward with the next phase of the program, which is to prepare a guidance manual for Departments.

No report given.

4.13 National Committee on History, Robert J. Wolz, PDC

No report given.

4.14 National Committee on Legislation, Daniel R Earl, PCC

The purpose of the National Committee on Legislation of the Sons of Union Veterans of the Civil War is to keep Brothers apprised of proposed federal and state legislation affecting the welfare of the Order or the Constitution or welfare of the United States. To that extent, this report summarizes relevant federal and state legislation.

Federal Legislation

None of the Federal legislation previously reported on (refer to the 2014 Final Report) passed in both the House and Senate, and thus died when Congress adjourned sine die in December 2014. The first session of the 114th Congress initially met in January 2015 (the House on January 9th and the Senate on January 7th). To date, there has been no legislation introduced of significant interest to the Order.

Of historical significance to the Order has been legislation in past Congresses that would restore the traditional day of observance of Memorial Day. Thus far there is no indication that such legislation will be introduced anytime soon. If it is, the Committee will report on its status.

State Legislation

CALIFORNIA – The only relevant legislation in California was introduced by Assemblyman Tom Lackey [R-36]. Assembly Concurrent Resolution 11 “would declare that President Abraham Lincoln be honored on February 12, 2015, the anniversary of his birth.” ACR 11 passed both the Assembly and Senate without objection. Concurrent resolutions in California are symbolic only.

NEW JERSEY AND NEW YORK – Legislation has been proposed in New Jersey and New York that would prohibit the sale of any cemetery military marker, monument, statue or cannon without approval of state authorities. This would prevent the sale of GAR cannons which are placed in cemeteries as a gift.

Recommendations

The Committee has no recommendations. If there are any questions please do not hesitate to contact me.

4.15 National Committee on Lincoln Tomb Observance, Robert M. Petrovic, PDC

We have signed contracts with The Abraham Lincoln hotel thru 2019. The room rate this year is \$94.99. We do not have a photographer for the program. I have talked to the new site supervisor for the tomb and everything remains the same as last year. We have a signed contract with the band for this year and they are scheduled to perform for this program until 2019. The ribbons are ordered and we are waiting to pick them up. There are less luncheon reservations than last year and a speaker has been chosen.

4.17 National Military Affairs Committee, Henry E Shaw, PCC

This Interim Report will cover the activities of the National Military Affairs Committee from the 2014 Remembrance Day Weekend (14 November 2014 - 16 November 2014) through and including the date of this Interim Report of the National Military Affairs Committee.

- Twelve SVR General Orders have been issued since the date of this Committee’s Tri-Annual Report dated 21 October 2014, specifically, SVR General Order 2014-05, dated 11 November 2014, SVR General Order 2014-04 dated November 23, 2014, SVR General Order 2014-06 dated 23 November 2014, SVR General Order 2014-07 dated 23 November 2014, SVR General Order 2014-08 dated 23 November 2014, SVR General Order 2014-09 dated 23 November 2014, SVR General Order 2014-10 dated 23 November 2014, SVR General Order 2014-11 dated 31 December 2014, SVR General Order 2015-01, dated 16 February 2015, SVR General Order 2015-02, dated 08 March 2015, SVR General Order 2015-03, dated 16 February 2015 and SVR General Order 2015-04, dated 14 March 2015, all of which are published on the Web Site.

REMEMBRANCE DAY WEEKEND – 2014

- At the Woolson Ceremonies conducted on Saturday, 15 November 2014, Maj. Gen. Robert E. Grim, Commanding Officer of the SVR functioned as Master of Ceremonies and, in the course of the proceedings, presented a check in the sum of \$4,000.00 to a representative of the Gettysburg National Military Park for monument preservation. That donation brings the total to date in the sum of \$77,000.00.
- The Parade was extremely well attended, both from the perspective of the participants and the spectators. In fact, once again, it was necessary to secure special permission from GNMP to secure the use of a portion of East Confederate Avenue to accommodate the overflow of parade participants. Of concern, however, was substantial construction on and the closure of Steinwehr Avenue at its intersection with Taneytown Road. This closure necessitated the parade being detoured onto Tanneytown Road and then dispersing at the

National Military Park adjacent to the site of the old Cyclorama Building. Construction is scheduled for completion in the Summer of 2015.

- The Ball was, as usual, quite a fine success with over 350 participants in attendance. It appears that a donation at least in the sum of \$4,000.00 will be presented to the Gettysburg National Military Park on 21 November 2015 in the course of the Woolson Ceremonies. As in numerous prior years, the efforts of Janice Corfman and SVR Deputy Provost, Captain David K. Hann who handled the tickets at the door and Anne and David Sosnowski who did the Ball decorations should be recognized.

REMEMBRANCE DAY WEEKEND, 2015

- As previously reported, on 31 December 2012, contracts, covering the years 2013, 2014, 2015 and 2016 were executed with the Wyndham Hotel Management contemplating lodging at both the Wyndham Hotel and the adjacent Courtyard Marriott for the aforesaid four years. Thus, the year 2015 is the third year of the four year contract.
- As previously reported, a 4 year contract for the years 2013, 2014, 2015 and 2016 was entered into with the Philadelphia Brigade Band for purposes of providing period dance music at the Original Civil War Ball to be held in the Wyndham ballroom. The contract also includes period dance instruction by the Victorian Dance Ensemble. In addition to playing for the Ball, the Band will also render *The National Anthem* and provide period selections at the Woolson Monument ceremonies and will participate in the Remembrance Day Parade.
- Arrangements have been made with the various CW publications as well as with PCinC Stephen A. Michaels, the Editor of *The Banner*, to publish ads for the Remembrance Day Parade and the Original Civil War Ball. - Through the assistance of PCinC and SVR Web Master Leo Kennedy, Notice of the 2015 Remembrance Day Parade and the 2015 Original Civil War Ball are both posted on the SVR Web site.

Dougherty, Chief of Police, Gettysburg Police Department. On 20 March 2015, a check for \$1,000.00 was received from Steinwehr Avenue Heart of Gettysburg Battlefield, Inc. (formerly the Steinwehr Avenue Business Improvement District) for part of the Remembrance Day Parade Fee and on same date mailed the required acceptance of the terms of the Parade Permit, the BID Check for \$1,000.00 and NMAC Chairman's personal check for \$630.73 to the Gettysburg Police Department.  - Original Civil War Ball tickets were ordered on 02 February 2015 and were received on 12 February 2015. Total cost, including shipping, was \$115.00.
 - Further Tasks To Be Accomplished, between March, 2015 and the 134th National Encampment, And In Anticipation Of Remembrance Day Weekend, 2015:
 1. Formal letter to be sent to PCinC Charles E. Kuhn, Jr., requesting him to have Cub Scout Pack No. 88 place refuse containers (as required by the Borough of Gettysburg) along the parade route, prior to the 2015 Remembrance Day Parade and then remove the same following the completion of the Parade.
 2. Order Remembrance Day Parade Streamers from R. B. Powers Co., in Ashley, Ohio.
 3. Make arrangements with Noteworthy Music in Gettysburg (Robert Ranalli) to provide PA system for Woolson Monument Ceremonies.
 4. Make arrangements with Associated Products Services, Mechanicsburg, PA, for purposes of providing 2 portable sanitary facilities at the parade staging area and secure authorizations from Gettysburg Police Chief and the Director of Buildings and Grounds for the Gettysburg Area School District to place the sanitary facilities at the staging area.
 5. Order 13 wreaths from The Floral Boutique in Gettysburg and arrange for the wreaths to be delivered to the Woolson Monument on Saturday, 21 November 2015 at 10:00 A.M.
 6. Effective on 18 March 2015, Brother James A. Getty has elected to retire from participation in the Memorial Day Ceremonies and the Remembrance Day Ceremonies in Gettysburg. Brother Getty’s retirement will necessitate a search for someone that does a top notch first person impression of President Lincoln to deliver *The Gettysburg Address* in the course of the Memorial Service at the Woolson Monument and to ride in the parade.
 7. Make arrangements with Jeffrey C. Young, owner of Gettysburg Carriage Company, to have a carriage at the parade staging area to convey President Lincoln and John Hart (Gen. Scott) and two others in the Remembrance Day Parade.
 8. Secure Dance List from Larry Keener-Farley, the Victorian Ensemble Dance Master so that Dance Cards for the Original Civil War Ball can be prepared.

Grim, Commanding Officer, SVR, to act as Master of Ceremonies at the Memorial Service at the Woolson Monument, to present a check to the Gettysburg National Military Park, to lay a wreath on behalf of the SVR and to lead, along with Mrs. Grim, the Grand March at the Original Civil War Ball at The Wyndham Hotel, commencing at 8:00 P.M. on Saturday 21 November 2015.
 2. Mail a formal personalized letter of invitation to the newly elected Commander-in-Chief, SUVCW, to present remarks in the course of the Memorial Service at the Woolson Monument, and to lay a wreath on behalf of the SUVCW.

10. Arrange ceremony for Friday afternoon, 20 November 2015, with Gettysburg business leaders, for presentation of Certificates in recognition of their \$1,000.00 parade permit donation.

REMEMBRANCE DAY WEEKENDS – 2017 THROUGH AND INCLUDING 2021:

- During the 2014 Remembrance Day Weekend, information was received from the Wyndham Hotel management that the Ball Room at the Hotel had been reserved for the Lincoln Forum and, thus, would not be available for the Original Civil War Ball in 2017. Insofar as the net proceeds of the Ball are donated to GNMP each year, it then became clear that in order to continue with the Ball and thus continue to donate the net proceeds of the Ball to GNMP, it would be necessary to secure another forum, both as a Headquarters Hotel and a site for the SVR Original Civil War Ball.
- SVR Chief of Staff, Colonel Robert M. Petrovic, worked on this matter and negotiated five (5) proposed contracts with the Eisenhower Complex (formerly the Eisenhower Hotel) for the years 2017, 2018, 2019, 2020 and 2021. It should be noted that the Eisenhower Complex has a substantially sized Ball Room.
- The NMAC Committee considered the matter and came to the conclusion that it would be proper for MG Robert E. Grim, Commanding Officer, SVR, to sign each of the five (5) contracts on behalf of the SVR. As of the date of this Report, all five (5) of the subject contracts have been signed by MG Grim and mailed back to the Eisenhower Complex, specifically, for the years 2017, 2018, 2019, 2020 and 2021.
- The five (5) contracts with the Eisenhower Complex, among other things, provide for the identical group rate per night for each of the five (5) years, that is, the sum of \$129.00 plus tax per night. Insofar as the nightly group rate at the Wyndham for 2016 is the sum of \$116.00 plus tax per night, the fixed five (5) year rate of \$129.00 plus tax per night at the Eisenhower Complex thus represents an 11.2% increase over the 2016 rate at the Wyndham.
- It should also be noted that the nightly group rate of \$116.00 plus tax at the Wyndham will expire following Remembrance Day Weekend in 2016. It should also be noted that there is no reason to believe that the group rate at the Wyndham will remain at \$116.00 for the years subsequent to 2016 and most likely will increase to at least the sum as contained in the Eisenhower contracts.
- The contracts with the Eisenhower Complex also provides for rooms, built into the contracts and at no additional expense, for the use of the Allied Orders to display and sell their various items, the same also holding true for the National Quartermaster. Additionally, a large room will be available for the SVR Breakfast, a room will be available for the Council of Administration Meeting and for the Church Service on the Sunday morning of each weekend. And, of course, the use of the Ball Room is built into the terms of each of the five (5) contracts with the Eisenhower Complex.
- The Eisenhower Complex is presently undergoing substantial upgrades and should be a first class facility by November of 2017.

5.0 SPECIAL COMMITTEE REPORTS

5.1 Civil War Sesquicentennial Special Committee, *D. Michael Beard, PDC*

Since our November 2014 report, the committee received two applications. The committee declined an application dated January 16, 2015 from the Department of Kentucky for a March 3, 2015 event citing timeliness an issue. The committee approved a February 9, 2015 application from the Department of Nebraska for a July 26, 2015 event. The Nebraska event is with the COA subcommittee. The COA subcommittee needs a promised letter regarding liability and SVR sponsorship from the sponsor.

During the last four months, the committee has reviewed an introductory online course made up of several interactive power point presentations. Power points covering an organizational overview, badge wear, customs and courtesies and history have already been constructed and were used at the Wisconsin Dept. Orientations on April 6th, 2014 and March 29, 2015.

Br. Day has posted the organizational overview module, narration script and accompanying quizzes to a semi-private educational website, Blendspace.com. The exact link to view these is:

<https://www.blendspace.com/lessons/q8lbgN-XQstUPQ/introduction-to-the-sons-of-union-veterans-of-the-civil-war>

This will allow viewing by the CofA in anticipation of posting this and the other modules and their quizzes on the National SUVCW website.

5.8 Promotion & Marketing Special Committee, Mark R. Day, PDC

Purpose: The Goal of the Committee on Promotion and Marketing is to identify the means of branding the SUVCW and marketing the SUVCW to the greater population at large through the use of Commercial advertising or other mass media outlets and social media services. In my capacity as chairman I hope to generate a plan that can be brought to the National CoA and later the National Encampment that will fulfill the stated goals of the committee's charge.

Actions: Since becoming the chair of the Promotion and Marketing Committee, I have contacted the other members of the committee and solicited their input. The replies that have come forth in the initial discussions with the committee members provided only vague opinions on how to market and brand the SUVCW. For example it was suggested that we advertise in the Civil War Times and other publications that reach out to individuals who are like minded on the importance of the Civil War and its heritage. In another case a member of the committee suggested setting up information booths at the various 150th anniversary events. While both of these suggestions are good ideas, they do not reach down to the actual issues that the committee is charged to provide answers for at the next encampment or to the CoA.

As chairman I felt there was a need to develop an overall plan of action to accomplish the goals identified in the Committee Purpose statement above and I proposed a plan to the Committee members on the 22nd of September. A copy of that plan follows this initial written report for your review and consideration as a recommendation as to how we should proceed in the future. The committee's reaction to the plan I proposed was mixed. The most significant comment that was made by the majority of brothers was a concern, that the plan would create new position requirements at each level of command. Most of the discussion revolved around the assignment of a dedicated Public Affairs Officer, at the National and Department levels, who's duties would be to coordinate press coverage and act as a liaison with the media. Some members of the committee felt

these duties could be assigned to the Signals Officer or the JVC. My response to these concerns was to question the wisdom of assigning this very critical duty to officers who were already dealing with numerous work requirements. I believe that we must have a dedicated PAO at the national and department levels to allow for developing relationships with the media, coordinating press releases, and offering assistance to all levels of command within the order. A secondary concern that was raised dealt with how we should deal with promotion and marketing at the camp level. The concern is how much direction and demand should be placed on the camps. It was argued that some camps would never be able to fill the job of a public relations officer, and that in many cases the camps may have projects or goals that do not lend themselves to promotion and marketing. I found this argument very compelling; it is true that the character and nature of our camps is very diverse and they must be given more leeway to conduct their own programs and operate in a manner that is manageable for them. My current plan has been modified from its original form by saying we would encourage the camps to implement promotion and marketing as they can but that they must follow the standards established by the national for any promotion and marketing they undertake. Having made these changes to the original plan, I proposed it is still important to remember that it is the camps and the men in them who provide the boots on the ground for the promotion and marketing of the SUVCW.

It has been an interesting couple of months as I have sought advice and counsel regarding my plan from the committee and my brothers in the Department of the Chesapeake. This report reflects where we are today and I hope it may provide a road map to where we go in the future. I look forward to talking with the CoA during the meeting on the 18th of November and hearing your concerns and suggestions.

Proposed Plan dated 22 September 2012

PCinC Palmer, PDC Frail, Brothers Johnson and Dixon,

I am sorry that it has taken so long to begin a conversation with you on the issues surrounding the promotion and marketing of our order.

Four months ago, while attending the Department of Pennsylvania Encampment, PCinC Palmer and then SVC Mellor engaged me in a conversation that included promotion and marketing of our brand name. Following that conversation, I was asked to serve as the committee chairman and work the development of a plan to increase public awareness of our activities and programs to aid in recruitment and fund raising. In those four months, I have discussed the problem with leaders at every level within the Department of the Chesapeake. Through those discussions and correspondence with brothers representing various departments, outlining suggestions and strategies to improve the SUVCW's brand name recognition and our advertising footprint, I began to formulate the vision that I now share with you.

Here are my thoughts on developing a plan to utilize the structure and capabilities that already exist within our organization and begin implementing a strategic plan to increase public awareness of the Sons of Union Veterans of the Civil War.

Our plan must be predicated on the idea that each level of our organization, like the organization of the federal system of government, has clearly defined tasks and duties to conduct in the name of the organization. Like Federalism which allows National, State, and Local government to conduct business at the appropriate level we must design our promotion and marketing program to allow each level to establish programs and make decisions.

I am providing a **rough draft** plan, which list the basic tasks necessary each level of the organization to improve the public awareness of our name brand and image. Please read this over and offer your suggestions and comments.

I intend to go to Remembrance Day and if possible take the rough draft plan and your comments to the COA.

National Level

Establish a National Advertising Plan intended to Gain Name Recognition for the SUVCW by:

- Developing a Professionally created set of PSA's that Highlight the work of the SUVCW for broadcast on national and local media outlets. (*similar to those used by the Methodist church to promote their brand. These PSA's would be made available to Departments and Camps which would work to have them aired on regional and local media outlets*)
- Develop a National Social Media Advertising Plan (*Social media is becoming the most common way of contacting younger individuals*)
- Create and Appoint a National Public Relations Position **on** the National Staff (Jobs would include the preparation of National Press Releases for events such as Remembrance day and Lincoln Death Day. This position would also help coordinate the Regional Press Releases with the Departments for Major Events such as Memorial day in Arlington etc. The National PR position would also be responsible for the development of the PSA's)
- Establish regulations for the use of media to protect the value of the Sons of Union Veterans of the Civil War.
- The national Council of Administration would expand the idea of partnering with Ancestry.com or other genealogical services (*The Sons of the American Revolution are currently partnering with Ancestry to provide genealogical research assistance to wounded veterans with great success. Ancestry recently presented the SAR with a check for \$180,000 to facilitate this cooperative effort which might prove a wonderful means of recruiting veterans who share our passion for patriotism and heritage.*)
- The establishment of a National Speakers Bureau to advertise, and track public speaking opportunities that members of the Sons of Union Veterans participate in. (This information would be put up on the webpage to advertise our availability to the public and the tracking would provide useful information on how involved we are in our communities.)
- The Development of closer ties our National Leadership and the National Leadership of Veterans groups such as the VFW, American Legion, Sons of the American Revolution, War of 1812 Society, AMVETS etc. (*These groups have many shared beliefs and large numbers of membership who also may have ties to the Civil War.*)
- National Officers would attempt to contact Large Civil War Round tables in major cities such as New York and Chicago and offer to speak at these organizations meetings on the work of the SUVCW and its continued dedication to the preservation of the GAR

Department Level

- Create an appointed Department Public relations officer on each Department Staff (Duties would be similar to the National PR with the following exceptions; the department PRO would be responsible for ensuring the distribution of PSA materials to the camps and for coordinating with regional media to have the PSA's shown regionally)
- The Department Public Relations Officer would Create a Department Advertising Plan (*Department advertising plans would be forwarded to the National Publicity and Marketing Committee*)
- The Department Public relations officer would act as a clearing house for department media request
- The Department Public relations officer would work cooperatively with the department JVC to assist in recruiting efforts by: creating local information booklets and distributing information booklets to the camps.
- The Department Public relations officer would assist the department staff and camps in arranging recruiting booths at civil war events, heritage group programs, genealogical fairs , and other public events which offer opportunities for recruitment throughout the department
- The Department Leadership would develop relationships with the regional leaders of the VFW, SAR, American Legion, etc.

- The Department Public Relations Officer would write and distribute Press releases for events within the department and identified by the department leadership as key opportunities to promote the SUVCW
- Department leadership would provide assistance to the National leadership in identifying and contacting key leaders in the study or preservation of Civil War history within their department
- The Department Public relations officer will provide assistance to the camp leadership regarding the production and creation of advertising, Press releases, or recruiting information.

Camp Level

- Local camp leaders are encouraged to make every effort to implement an advertising plan which will follow the minimum standards as set forth by the national order by:
 1. identifying a contact persons for each television and print media source in their area
 2. creating and have on hand a standard press release and submit press releases for any and all events which they conduct. (The Department Public Affairs Officer would provide assistance if necessary)
 3. placing SUVCW membership information in local libraries and genealogical research centers.
 4. contacting and developing relationships with other local veterans groups, heritage groups, Civil war round tables, and historic sites
 5. providing speakers to talk with local groups and schools on topics related to the Civil War or the GAR

5. 10 National Regulations Special Committee, James B. Pahl, PCinC

5.11 Restore Memorial Day Special Committee, Alan E. Peterson, PDC

As the National Chairperson of the Committee to Restore Memorial Day back to May 30th, I am VERY disappointed with the involvement and lack of progress, lack of communications and lack of any and all requested reports as to the member's progress in this important project.

I, at the present time have only ONE active member on this committee and that being Brother Al Platt of Georgia. He has been very active, on this committee; I only wish I had more like him.

As most of you are aware, we have suggested/recommended that Armed Forces Day (3rd Saturday of May) be made into a three day weekend and put Memorial Day back to May 30th, where it rightfully belongs. Various polls have been conducted regarding this move and at least 95 % of the people spoken to agree.

Here is our problem at the present time, WE DO NOT HAVE A SPONSOR IN THE SENATE OR THE HOUSE. Sen. Inouye passed away, he was the key sponsor of this bill. Rep. Colleen Hannabusa introduced a bill in the house and sat in the Judiciary Committee for a while.

Ms. Hannabusa decided to run for the Senate recently and was defeated; therefore we have NO ONE in congress at the present time.

We have urged, begged our committee members to take action, write, e mail, mail call senators and representatives throughout the country to see if we can get a bill up and running. I have sent members of this committee sample letters, pictures, and other items so they could use them. Again, no response from them, except Brother Platt. I personally have sent out over 75 letters/material thus far to members of the house and the senate on my own expense.

If they would like to remain on the committee, I strongly urge them to start the ball rolling, if they no longer want to serve on this committee, then we should and shall seek new members.

That is my report as of this date. If I have stepped on toes, I am sorry, but I believe in this issue strongly.

5.12 Vision and Strategic Planning Special Committee, Brian C. Pierson, PDC

There is nothing significant to Report for the Strategic Vision Committee. We are still analyzing data.

5.13 Special Committee for Juniors, Brian C. Pierson, PDC

There is nothing significant to Report for the Youth/Juniors Committee. We are still defining program scope, policies, and procedures.

6.3 Department of Colorado & Wyoming, James M. Barker, DC

The following is a summary of the activities of the Department of Colorado & Wyoming during Nov – Mar 2015:

- a. All Camps have elected officers for 2015.
- b. Several Camps have participated in Veterans Day celebrations. Members of several Camps participated in "Wreaths Across America" activities.
- c. This has been a sad period as the Department mourned the loss of PDC Chuck Counts, DJVC & Camp Commander (Camp1) Robert LeMaster and Sister Brenda Cheney, WRC.
- d. Plans are under way for Memorial Day commemorations.
- e. Centennial Camp 100 reports that the Camp's GAR Memorial project at Riverside Cemetery is almost complete and should be dedicated later this year.

Recommendation 1: Reports & recommendations submitted to the COA should continue to be forwarded to the Departments annotated with action taken to facilitate an exchange of information.

Recommendation 2: A summary of actions approved by the national encampment (in a little more detail than the highlights that appear in the Banner) be sent to the Departments.

6.4 Department of Connecticut, Hank Cullinane, DSec

Connecticut has five camps in good standing with the interim Sedgewick camp finalizing its paperwork in early January and becoming a full fledged camp.

Sedgewick camp secured a meeting facility at former Civil War Governor William Buckingham. With help from Alden Skinner Camp members they rescued artifacts that were deteriorating in the leaking attic. Included in these artifacts is a painting of General John Sedgewick the highest ranking Union casualty in the Civil War and the namesake of the camp. Currently it is on display in the New England Civil War museum as the camp is raising money to have it restored.

H A Grant camp has gained a couple of members recently through the national site. This adds to their steady membership. While not an extremely active camp we are hoping these new members might breathe some new life into the camp.

Wooster Russell camp is a very active camp and has plans to participation in the Derby Memorial Day Parade and memorial service participation. They will have a short memorial service at the Derby Civil War monument and will lay wreaths there and at the graves of Cols. William Wooster in Ansonia and Charles Russell in Derby, as they do every year. Several members will be participating in a special End of Civil War ceremony at the Oxford Congregational Church on Saturday, April 11 at 1 P.M. They plan to have a small presence at the Woodbury Civil War encampment and reenactment in August. Then, several will be in Gettysburg in November for Dedication Day on the 19th and will take part in the Remembrance Day Parade on the 21st. In addition, their camp commander takes part in The Illumination in the Soldier's Cemetery by serving as an Honor Guard.

Alden Skinner camp saw the long winter played havoc with meeting nights. The New England Civil War Museum that the camp runs saw decreased attendance over the winter too. The spring is bringing a very active season. First the scholarship committee will be choosing this year's recipient from Rockville high school. Next the camp will be hosting the Department Encampment on May 2nd. In May the museum will have two authors doing presentation on new books about Connecticut regiments. The end of the month will bring Memorial week activities included placing of the flags and a ceremony at Col. Thomas Burpee's grave.

Admiral Foote camp is having some problems. We have a Dept. goal to make a concerted effort to revitalize Admiral Foote this year.

6.5 Department of Florida, Clair D. Whitlam, DC

Department Secretary Custer has sent out via the U.S. Postal Service letters to all donors of funds for the Olustee Monument Commission for the proposed monument, giving them several options as to what they want done with their contribution. He included a self-stamped return envelope for them to return a signed document.

The last remaining member of the Olustee Monument Commission sent me his resignation and I accepted it, I was in the process of issuing a Department Order decommissioning that Commission, when I was reminded that we are suspended from conducting business until that suspension is lifted. The final disposition of the funds that remain in the Florida General Fund that were collected will be resolved at the Department Encampment in June.

6.6 Department of Georgia and South Carolina, Mark A. Hale, DC

It is my pleasure to submit the Department Commander's report for the Department of Georgia and South Carolina to the brothers attending the Council of Administration meeting for the Sons of Union Veterans of the Civil War.

Not resting on our laurels from the 2014 National Encampment the Department of Georgia and South Carolina continues to move forward. All Camps in the Department continue to actively recruit new members, and all are involved with hosting and attending events that puts the message of the Sons of Union Veterans of the Civil War out to the public. One of the upcoming events will be a Traditional Memorial Day Observance at a local cemetery on the 30th of May. Other veterans' organizations have been recruited to help make this a true community event.

An Application for Permission to Form a Camp (Form 51) along with the required Charter fee has been forwarded to the National Organization. This application is for the Edward Wallace Camp 21 in Beaufort, South Carolina. The Wallace Camp has existed for many years and is primarily made up of descendants from USCT units. Due to unfortunate circumstances the Wallace Camp left the National Organization and is now ready to return. The Camp is also in possession of an intact GAR Hall in Beaufort, South Carolina. I would again ask that no fines or penalties be imposed on this Camp, and they be allowed to rejoin the National Organization.

At our upcoming Department Encampment the Department will be forming an exploratory committee to investigate the feasibility of the Department of Georgia and South Carolina hosting the 2021 National Encampment in Charleston, South Carolina.

6.7 Department of Illinois, James L. Lyon, DC

The Department of Illinois and its Camps are still working hard to meet our obligations to keep alive the history of our Civil War Veterans from our state and those that settled here. I'm very proud of my own General E. F. Dutton Camp # 49 as it raised over \$13000 to repair a Civil War monument located on the grounds of the DeKalb County Courthouse in Sycamore, Illinois. Each of our camps will be having services to rededicate markers and monuments throughout the state.

Our Department officers have been working hard to keep our membership informed of the paper work that needs to be sent in on a timely manner to our Department & National officers. I believe we have met those requests that have been sent to us by your Staff. Both our Department Secretary and Treasurer have done an outstanding job of giving us help and direction in making these reports.

At our Encampment on May 9th we will have the honor of your visit at the General John A Logan Camp #26 in Rockford, IL. This is a wonderful place to hold this event as it is one of only a few Veterans Memorial Halls that still exists in the state of Illinois. It was dedicated in 1903 by Theodore Roosevelt as a sitting President. We will have election of officers at that meeting and are hoping that you would do the honors of swearing in these new officers to their elected positions. At our last midterm we did break-out sessions with our key officers and it was well received and we will again be doing that. This is the time (twice a year) that I have the opportunity to talk with all my Staff and Camp officers. It gives them time to share what is going on with their Camp, hear new ideas, and solve problems.

Our 2016 National Encampment Committee has been meeting regularly under the direction of Brother Bill Johnson. This has brought the Brothers of Illinois together to present an outstanding 2016 National Encampment for all of those with a connection to the SUVCW. A large number of these Brothers plan to attend the National Encampment in Richmond, VA. They plan to have a great deal of the information ready at the Lincoln Tomb service in Springfield this April and then for the Richmond National Encampment.

This spring will be very busy for the Department of Illinois.

April 4 th	Memorial Service for a Real Son, Carson Yeager, Stockton IL.
April 10 th	Lincoln Tomb Service in Springfield and Dr. Stephenson Service in Petersburg, IL.
April 15 th	Lincoln Death Day Service, Springfield, IL.
May 1 st – 3 rd	Lincoln Funeral Re-Enactment, Springfield, IL.
May 9 th	Department Encampment, Rockford IL.

The Brothers of Illinois are very proud to serve those that came before us, and preserve the past for those that will come after us.

6.8 Department of Indiana, William R. Adams, DC

As reported in October a committee was created to investigate and develop a method to resolve the current situation of the 26th Indiana Monument at Vicksburg which is no longer on Park Property. The Department of Iowa was the first to become involved with this issue as there are Iowa and Missouri monuments that are near the Indiana monument and separated from the park property. Brother David Lamb and I spoke at some length on the history of the situation and discussed strategy to possibly remedy the separation. In February Brother Lamb contacted me to report that it appears a solution has been reached. The result would have all Monuments placed back on Vicksburg Park Property possibly by the end of this summer. The Indiana Monument has two (2) bronze seals of the State of Indiana missing. I am now contacting state of Indiana authorities to help us find a way to replace both seals. Once the Monument is placed back on Vicksburg Park Grounds we will add the seals.

On October 25, I attended and spoke at the re-dedication of the Memorial Opera House in Valparaiso. The re-dedication of the Opera House occurred to acknowledge the return of the SUVCW back into this building built in 1893 by the Chaplin Brown Post of the GAR. David D. Porter Camp, 116 now holds it meetings in the same room as the Chaplin Brown Post.

On November 1st I attended Champion Hill Camp # 17's dual program to honor the Common Soldier and Brig. General George Wagner. Brig. General George Wagner commanded the 15th Indiana Regiment during the Civil War. The ceremonies were held at the Armstrong Chapel located in the country side in Northwestern Warren County Indiana. I spoke briefly in a full to capacity Armstrong Chapel on the SUVCW and then Mr. Bill Crane spoke on the life of the Common Soldier in the Civil War. We then moved outside to the cemetery next to the chapel where Brig. General Wagner was remembered by his ancestors, and the SVR, I placed a wreath at his grave.

I attended and conducted the Department of Indiana's Midwinter Encampment on January 31, 2015. This meeting was held at the previously mentioned Memorial Opera House in Valparaiso Indiana. Due to its history and it having been the former meeting location for the Chaplin Brown Post 106 of the GAR; it made the perfect location for this meeting. Additionally it provided an opportunity for the other Department of Indiana Camps to see this beautiful old historical building. (See the Banner article)

6.9 Department of Iowa, David M. Lamb, DC

What follows is a brief summation of the principle activities of the Department of Iowa for the most current reporting period; condensed, as it were from its original seventeen pages.

I have included in this digest only those items that I believe to be of significant importance in the administration of this Department.

5 November 2014. Having been informed that the apparent sole remaining monetary issue to be resolved with our National Report from last year is the issuance of a Department of Iowa check in the amount of \$15.00 to cover per-capita dues (from 2013) for Sen. Dennis Black, Col. Robert Pitts, and Mr. Rodney Gaard, I sent an e-mail to Dr. Les Weber (Dept. Treasurer) instructing him to immediately dispatch a check in that amount to Exec. Director Demmy and to post it via overnight mail. I asked him to notify me when said check has been posted.

I received a cc of an e-mail from Exec Dir. Demmy to PDC Rittel, which leads me to the assumption that the Form 35 from Sec'y. Braden has not, as yet, been received. I once again attempted to contact Secretary Braden to learn what the status is of our Form 35, but have received no response from him.

19th November 2014. General Order No 13 was not formally published by National Secretary Russ until today. Immediately upon receipt of same from the Secretary, I forwarded the document to Chief of Staff Stahr and asked that it be published on the Department website. I also informed DSVC Krock and PDC's Braden, Grim, and Rittel of the receipt of the document as all of them have worked to affect it's issuance in some manner over the past weeks.

14 February 2015. I received an e-mail from National Secretary Russ relating to CINC Campbell's General Order # 15 compelling the production of recent copies of each Department's individual By-Laws to be sent to National Treasurer Orr prior to 1 March, 2015. I immediately sent a query (also via e-mail) to Dept. Sec'y. Braden asking that he provide me with same for signature and submission to National.

22 February 2015. I met with Secretary Braden to review his collected documentation for submission to National Treasurer Orr. All appears to be in order, and I thanked Brother Jim for his diligent efforts in getting these matters ironed out in so expeditious a manner.

10 March 2015. This evening I telephoned PCIN James Pahl, National Legal Counsel, to inform him that in the course of investigating potential fraudulent practices on the part of personnel in one of our Iowa SVR Units, we had uncovered information that two camps (Twombly #2, and Bates #64) within the Department of Iowa had lost their Federal tax-exempt status' for non-compliance with annual reporting requirements. I had personally verified this information through the Internal Revenue Service website and had also asked PDC Ronald F. Rittel to independently do likewise. PCINC Pahl advised me that holding valid tax-exempt status was a requirement for being considered to be "in good standing" within the Order, and Camps that were no longer tax exempt did not meet that criteria. PCINC Pahl advised me that I needed to immediately suspend the offending camps until such time as they could provide evidence that they were taking steps to appeal their loss of exemption and had paid the required fees to institute reviews of their situations.

I also telephoned Col. Donald Darby, AG/SVR and obtained his advice pertaining to the Iowa officer and Senior Non-commissioned officer who appear to have committed fraudulent acts; and, also informed him of other irregularities pertaining to units within the Fourth Military District. Col. Darby advised that these units should be suspended immediately and not allowed to participate in further uniformed functions as representatives of this Order.

I obtained a clarification e-mail from PCINC Pahl advising that members of the suspended camps who hold the "rank" of being Past Department Commanders would still be allowed to be seated as delegates at the State Encampments and could vote on issues to come before the membership. Other members of the suspended camps who have not transferred to viable camps could attend the encampment but could not act as voting delegates. (Those individuals would NOT be charged registration fees to attend as guests).

I then contacted Secretary James Braden, PDC, and advised him of the situation concerning the two Iowa Camps. Secretary Braden provided me with a spreadsheet that contained the fiscal information and EIN numbers for all Iowa Camps so that I can personally check them on the IRS websites.

11 March, 2015. Today, it was my odious duty to issue Department Special Order 2015-1 which immediately imposes SUSPENSIONS upon the Voltaire P. Twombly Camp #2; and the Sgt. Norman F. Bates Camp # 64, for failing to file their required Internal Revenue Service 990N e-postcards resulting in both camps losing their tax-exempt status. The camps are enjoined from conducting further business as entities of this Department other than they must pay all outstanding bills; and assist their members in transferring to other camps if they so desire. The Camp Commanders were given ten days from the date of publication of the Order (or until 21 March, 2015) to submit evidence that they have instituted the necessary reviews and paid associated fees that might result in the re-gaining of their status; or, must turn in their Camp Charters.

I forwarded a copy of Department Special Order 2015-1 to DSVC Krock so that he will be informed.

Department Special Order 2015-1 has been sent to CoS/Signals Officer Stahr with a request that he post it on the Department website.

23 March, 2015. Today, I sent out a final call to Department Officers for the submission of their reports prior to the up-coming encampment.

I also prepared a summation of Department activities since 31st October for submission to CIC Campbell and the CofA through National CoS Martin.

As above stated, this document is a drastically reduced version of the longer (28 page) annual report to the membership of the Department of Iowa. During my tenure as Department Commander, I have visited seven of the nine remaining Camps in Iowa, and have availed myself of every opportunity to visit with brothers and sisters of the Order in every corner of the State. I have maintained close ties with the Governor, the Iowa Legislature, and the Adjutant General of the State of Iowa, and have continuously sought to interface to the greatest extent possible with all of the varied veteran's organizations (VFW, American Legion, AMVETS and VVA). We maintain close ties with all other hereditary lineage societies in the area; and continue to provide counsel to various museum and genealogical societies. I am pleased to report that I believe we are to be successful this legislative session in obtaining appropriations in several areas of historic preservation that of significant interest to this group.

While we face many of the same challenges here in Iowa as are being experienced by others across the Order with tax issues, and declining membership, I believe that by and large the Department of Iowa will continue to thrive; and, to strive to fulfill the promise to our ancestors to keep green the memories of what they did to save our nation and our Constitutional Union. So may it ever be!

It has been an honor to serve the citizens of my state, the brethren of my Order, and the National Organization of the Sons of Union Veterans of the Civil War as Department Commander.

6.10 Department of Kansas, Kent M. Melcher, DC

I was elected and installed as Commander of the Department of Kansas at the January, 2015, Department Encampment, and am proud to serve in the state where the Civil War began at the Battle of Black Jack on June 2, 1856.

My ancestor, Second Lieutenant Ezekiel Kohler Schwartz, Company B, 115th Illinois Volunteer Infantry, campaigned through Kentucky, Tennessee, Alabama, and Georgia. My great-grandfather was called up with Granger's Reserve Corps to the defense of Snodgrass Hill at Chickamauga on September 20, 1863. Company B's First Lieutenant being wounded and carried from the field, GGF Schwartz and Captain Eleazer Slocum led Company B with the rest of the 115th to hold the right side of the Union line against repeated assaults by Sugg's Tennesseans and Texans. Completely out of ammunition, and after two bayonet charges, the regiment retired at twilight at the conclusion of the fighting on September 20, 1863.

The 115th went on to perform valiantly at Dalton, Tunnel Hill, Buzzard Roost Gap, and Resaca, as well as guarding the rail lines in the rear of the Union advance. In December, 1864, the regiment participated in the defense of Nashville.

On returning home, my great grandfather, now First Lieutenant Schwartz, returned to farming and teaching school. He served as Post Commander of the GAR Post in Shelby County, Illinois, burying many of his comrades, observing Memorial Day, and marching in many patriotic parades.

It gives me great satisfaction to carry on my great-grandfather's legacy of service to the "Boys in Blue", dedicating headstones, observing Memorial Day, and promoting awareness of the sacrifices that our ancestors made to preserve the Union. Especially in this day of great divisiveness in our country, I believe it is important for the Sons of Union Veterans to call our citizens to Union!

As Commander, I have set a meeting of the Department's Vision Committee, with its purpose to examine potential programs that may be undertaken by our Camps, with two purposes: 1) to explore ways that our camps may educate our citizens, especially the young, and about causes of the War of Rebellion, the dedication of our political leaders and our soldiers in fighting for Union; and 2) to recruit new and younger members, who will carry on the purpose of the Sons of Union Veterans and the Grand Army of the Republic. I believe we have several locations in Kansas where new camps may be formed.

On March 14 I had the privilege of initiating charter members of our newest Camp, Humboldt #9, and installing camp officers. The camp will recruit from Allen, Bourbon, Neosho, and Woodson counties in Kansas. I want to thank especially, and congratulate, JVDC William Fischer for his diligent work in organizing Humboldt Camp #9. This new Camp is the direct result of the Department's responding to a request from the local historical museum to dedicate a headstone for Rufus Anderson, who enlisted in the First Kansas Colored Regiment.

Private Anderson escaped slavery in Arkansas and made his way by the Underground Railroad to Ft. Scott, Kansas, where he enlisted under an alias, so his slave masters would not be able to find him. After the war, Pvt Anderson returned to settle in Humboldt, KS, where his descendants reside to this day. Historian Carolyn Whitaker promoted the event through local media, with the result that about forty citizens attended the dedication ceremony. In addition, Private Anderson's descendants, the Humboldt High School band, and VFW from Chanute, Kansas, participated in the ceremony.

In cooperation with the Department of Missouri, I participated on March 22, 2015, in a Medal of Honor Commemoration at the grave of Private Wilbur Fiske Moore. Private Moore was cited for "extraordinary heroism on 16 December, 1864, while serving with Company C, 117th Illinois Infantry, in action at Nashville, TN. Private Moore captured the flag of a Confederate battery while far in advance of the Union lines." Ironically, Private Moore and my great-grandfather Schwartz were at Camp Butler, Springfield, Illinois, at the same time in September/October, 1862, prior to their deployment. The 117th and 115th took different paths during the war, but came back together at the Battle of Nashville in December, 1864.

6.11 Department of Kentucky, John Kalbfleisch, DC

Nothing to report.

6.12 Department of Maine, Charles McGillicuddy, DC

Nothing to report.

6.13 Department of Massachusetts, Edward J. Norris, DC

Our Department Encampment is on April 24 and 25 in Boxborough, Massachusetts, JVCinC Martin will be installing our newly elected officers. Things have been running fairly smoothly since the last report. All camps had their elections and installation of officers completed before January 31. We did have a few camps that did not submit their bylaws to the National Treasurer in time for the 501(c)(3) requirement; we'll need to figure out how to get their status changed.

All camps reported their EINs in time. Unfortunately, a snow storm, and there were many, forced us to cancel our Annual Lincoln Day Brunch.

Brother Ed Norris will be finishing his second and final year as Department Commander.

6.14 Department of Michigan, Paul T. Davis, DC

The Department of Michigan currently consists of 23 Camps and one Camp At Large. At this time all Camps are viable and the Department has completed the Installation of Camp Officers for the 2015–2016 term. Two Camps within the Department of Michigan have celebrated their 100th Year anniversary. With that said, while continuing to be viable, we do have one Camp where the birthdates of several of the Brothers are in the range of 1923 and 1924. This may present a challenge in the very near future.

The passing of our elderly Brothers and infirmity of others continues to be a burden on the Department's membership numbers. As we traveled the state we were encouraged, however, that many of the Camps in the Department are initiating new members. While we have a few junior and younger members, recruiting youth continues to be a challenge. We are hopeful that these new Brothers will provide a significant offset for Brothers lost. It will remain unclear as to our final head count, however, until all Forms 27 have been submitted to the Department and the Form 35 Annual Report is completed. If the past is any indication, new Brothers are replacing lost Brothers at about a 60% level which still results in a downward trend in total membership.

The Department is acutely aware of this trend and is actively engaged in numerous activities focused on the recruitment of new Brothers as well as retention of existing Brothers. The state of our economy continues to be a challenge for Brothers who cannot afford membership dues or the costs associated with travel and participation. To the credit of many Camps within the Department, and in the spirit of Fraternity and Charity, they have dipped into their Treasuries to cover dues and per capita payments for Brothers who cannot do so. Even at that, Camps cannot long continue such practices.

As an example of one of our recruiting efforts, the Department regularly attends the Jackson Civil War Muster held here in Jackson, Michigan which attracts approximately 30,000 to 40,000 visitors many of whom have some interest in the Civil War. Our display and reception area was large and remarkable and we have been able to get new Brothers via venues such as this. We also attend smaller Civil War and genealogical related events to garner interest by helping visitors find their Civil War ancestor(s).

At the River of Time, a time line living history event in Bay City, Michigan, the Department and Grant Camp 67 Brothers have set up a recruiting booth and invite visitors who have numbered as high as 60,000 during the event to search for their Civil War ancestors. At least three other Camps utilize the same, Find Your Civil War Ancestor, approach to garner new members as well as provide exposure to the public.

The branding efforts of the Department and the individual Camps within the Department continues to grow with greater public recognition with any and all media outlets and our success in this area continues to provide exposure and recognition for the Sons of Union Veterans of The Civil War. Our cooperation with the VFW and American Legion at parades and Dedication Ceremonies continues to foster greater exposure and improved working relationships.

We are also making significant inroads with ROTC and JROTC units in the state as well as growing our Eagle Scout Award program which we are hopeful will generate more interest from youthful members. One of the Camps in the Department has adopted a middle school and for the past 8 years performed educational programs for 5 Eight Grade Classes. Many of the Brothers are also Civil War Roundtable members and carry our message to these venues including making presentations.

To foster better communication within the Department, Camps have been encouraged to publish Newsletters and share these with the other Camps. The number of Newsletters has grown and have been well received by other Camps and have generated ideas based on events and activities in which other Camps have participated.

Our Graves Registration efforts continue to perform at an exceptional level. Brother Richard Danes, Department GRO and his many Camp GROs are to be commended for their exceptional efforts and diligence to ensure no Civil War soldier goes unnoticed and forgotten.

The Department Monuments and Memorials Officer is very active as well. As a result of information obtained from a now deceased Brother, Brother Bruce Butgereit has redoubled his efforts to get this information into the public domain.

The Department has completed the transfer of its archives to the former Brainerd GAR Post 111 in Eaton Rapids, Michigan which now operates as the Grand Army of The Republic Memorial Hall and Museum. The museum's collection continues to grow and support from the public has been well received. In addition, to cataloging and creating digital files of its holdings, the museum also serves as an education and research center as well as a records repository. Department of Michigan Brothers Keith Harrison and Gary Gallagher serve on the museum's board of directors. Brother Gallagher is also the GAR Records Officer for the Department of Michigan.

The Department of Michigan continues to very visible outside the state. We participate in many national events on a regular basis including the Lincoln Tomb Ceremony in Springfield, Illinois; the Doctor Stephenson Service in Petersburg, Illinois; and annually attended the Gettysburg Remembrance events including marching in the parade, serving as an Honor Guard at the Woolson Memorial Service, and other Michigan dedication services.

The Department formed a committee to explore the hosting of a National Encampment in 2017. A proposal was prepared and submitted to the National Encampment Site Committee. The Site Committee will be visiting the Department on April 17 and 18, 2015 to perform its site evaluation.

6.15 Department of Missouri and Arkansas, Glennon Alsop, DC

Since the last report the Department has had one meeting on March 7th at the Capital Building in Jefferson City. Some of the items discussed at the meeting were the formation of the Abraham Lincoln Camp # 2 in Branson, Mo. We also discussed the final details regarding the closing of the McPherson Camp in Arkansas. Since the meeting I have issued a Department order suspending the Sigel Camp #614 in Rolla, Mo. As they have fallen below the required number of members. It is hoped that the Camp can be saved but the only remaining member of the camp is transferring to another Camp in the Department.

A committee was formed in the Department headed by Don Palmer PC-in-C to solicit funds for the repair of the Missouri Monument at the Vicksburg National Battlefield.

On Nov. 1st 2014 the Gen. Thomas Fletcher Camp dedicated a monument at Mooney's' Bridge in Desoto, Mo.

Members of the Department are involved in the Lincoln Day ceremony in Springfield, Il in April and the Lincoln Funeral Ceremony in May.

There are other events going on that members of the Department are involved in with the start of the new year. The next Department Encampment will be in Jefferson City on June 7th, at the Capitol.

6.16 Department of Nebraska, William Dean, DC

Shiloh Camp 2 in Lincoln:

November – Gettysburg address at Capital building in Lincoln, NE.

December – Wreaths across America at Wyuka Cemetery in Lincoln, NE.

February – Nebraska Rangers stood guard at the Lincoln statue on Lincoln birthday at Capital building in Lincoln, NE. I also displayed my artifacts inside the Capital building that day. Nebraska Rangers recruited members at Lincoln Birthday celebration at Southwest High in Lincoln, NE. I also displayed my artifacts at the celebration that day.

Harrison Camp at Wisner marched in the St. Patrick 's Day parade. They also cleaned and refolded flags at Pilger that go on veterans graves. (Pilger was hit by 2 E4 tornadoes on June 16, 2014 which basically wiped out the town. The town is slowly being rebuilt.)

6.17 Department of New Hampshire, David A. Nelson, DC

I am pleased to report the following for the Department of New Hampshire:

- The 133rd Annual Encampment of the Department of NH will be held on April 18, 2015 We will be privileged to have National Commander Tad Campbell at our encampment and National President of the Auxiliary Rachael Campbell.
- In October of 2014 it was reported that the Department of NH had one camp in suspension for a number of discrepancies in reports and financial reporting. I am pleased to report that the brothers of Camp 5 with the aid of PDC Dan Murray acting as special counsel have resolved these problems and have brought the camp back into good order. Camp 5 has been removed from suspension and is now in full standing with the department.
- Brothers of Camp 7 are active in working with the state on preservation efforts of its Civil War Flags.
- On February 7th the Department held its annual Defenders Day Observance (held to celebrate the Birthday of Abraham Lincoln). This event was well attended to hear a talk by Camp 60 Commander T.J. Cullinane entitled "***Now He Belongs to the Ages, Granite Staters with Father Abraham at the End***"
- The Department of NH continues to work with the city of Franklin, NH to help with restoration efforts of its GAR post located in Soldiers Memorial Building that also houses city hall and other city offices. This GAR Hall is only one of three in the State of NH that is virtually intact and is named for George F. Sweat Co. F 5th Regiment NH Volunteers killed at Antietam. We have established good relations with the City of Franklin and have assisted with efforts to clean and restore the Hall. Camp 7 meets several times a year in this Hall.

6.18 Department of New Jersey, David Martin, DSec/Treas

I regret to inform that our commander, Jeffrey Heagy, has been seriously ill recently and unable to file any reports. We will try to get things moving at an officers meeting on April 11.

Our Department Encampment will be on Saturday, June 13, 10 Am - 3 Pm, at Fratelli's Italian Restaurant, 1414 Route 130, Burlington, NJ 08016.

6.19 Department of New York, George J. Weinmann, DC

The New York Department is proud to be part of the National Order of the Sons of Union Veterans of the Civil War. The department continues to perpetuate the memory of our Civil War ancestors. The department continues to hold ceremonies throughout New York State for the 150th Anniversary of the Civil War. The New York Department continues to have a very productive year.

On November 15, 2015, I marched with New York Department members in the Annual Remembrance Day Parade in Gettysburg, PA. Before the parade, I attended the memorial service at the Albert Woolson GAR Monument. I also attended the breakfast run by the Sons of Veterans Reserve in the morning. The weather was very good and the parade had a great turnout. We are proud of our SVR Brothers!

I attended two Christmas Parties during the holiday season. Oliver Tilden Camp #26, SUVCW held its Christmas Party on Dec. 6, 2014 at the Trinity-St Andrew's Lutheran Church, Maspeth, Queens, NY. Then on Dec. 14, 2014, I attended the Moses Baldwin Camp 544, SUVCW Christmas Party. I also had the honor as Department Commander to swear in their new camp officers. I wished them

luck with their new camp positions. NY DUVCW Dept. Pres. Eileen Sleckman was there with some of her members.

On Saturday, January 17, 2015, I attended the annual luncheon held by Admiral John L. Worden Camp 150 at Mary Kelly's restaurant in Beacon, NY. The event was well attended. Members of the Allied Orders were present. New York DUVCW Department President Eileen Sleckman was there to give greetings. I thanked Camp Commander Matt Hereford for inviting me, Janice Weinmann and Tilden Camp member James F. Bond. Matt is our Department JVC and our GAR Highway officer. Everyone had a great time!

The Sgt. Judson Hicks Camp #111, SUVCW is a new camp in Arcadia, NY. It is in the process of obtaining their new charter from national. Interim Commander Daryl VerSteate, & NY Department Secretary Robert Pugsley, PDC have helped to form the new camp. Commander VerSteate helped to raise donations of new toys for Christmas to help veterans' families. Great job Brothers!

The New York Department has been informed that National Council of Administration member Edward J. Norris will be attending our 132nd Encampment of the Department of New York, Sons of Union Veterans of the Civil War. The Encampment will take place at the Holiday Inn in Saratoga Springs, NY on May 1, 2, 3, 2015. The New York Department, Daughters of Union Veterans of the Civil War and the NY Department Auxiliary, Sons of Union Veterans of the Civil War will also hold their encampments at the same location. The New York Department, SUVCW is honored to have Edward J. Norris as our national representative at our upcoming New York Encampment in Saratoga Springs, New York.

Oliver Tilden Camp #26, SUVCW and I are preparing for its Annual Grant Birthday Commemoration at Grant's Tomb located at 122nd Street and Riverside Drive in Manhattan, NY. The event will be held on Sunday, April 26, 2015 at 11:00 am. Many national and department officers and members of the Allied Orders will be present. We are honored to learn that both National Commander-in-Chief Tad Campbell and National Auxiliary President Rachelle Campbell plan to be in attendance. Keynote speaker is Commander-in-Chief Waldron K. Post, II, Military Order of the Loyal Legion of the United States. Patriotic and historic organizations attend each year. Members of the Daughters of the Confederacy and the Archibald Gracie Camp #985 Sons of Confederate Veterans plan to be in attendance again this year. This event is the highlight of the year for the camp and the New York Department, SUVCW.

The New York Department continues to support Oliver Tilden Camp #26, in NYC and the Greenpoint Monitor Museum's efforts to develop the museum's shoreline and establish a building on their land. The museum shares the launch site of the USS Monitor. The museum is applying for Grant money that is available from a \$19.5 Million Dollar lawsuit that was won against Mobile Oil. The museum is applying for grant money for engineering to develop its shoreline with a new shore protection, soil, vegetation, walkway, pier and a dock. The community will benefit from it if the shoreline is developed. It will protect the surrounding properties from flooding from storms like Sandy. NOAA plans to dock its research vessel at the museum's dock and conduct Environmental classes to the public. PS 110 "The Monitor School" is a supporting partner to the project and has provided a classroom in their school for the museum's "Greenpoint Monitor Museum Road Show". The road show teaches the history of the Civil War, John Ericsson and the USS Monitor. Find attached a copy of the museum's vision of its land where it shares the USS Monitor launch site. This will be a great accomplishment for the museum and the Sons of Union Veterans if all goes as planned!

On January 30, 2015, National Oceanic Atmospheric Administration (NOAA) visited PS 110 "The Monitor School" in Greenpoint, Brooklyn, NY. It was the 153rd anniversary of the Launching of the USS Monitor off the Greenpoint shores. NOAA gave a presentation to the schoolchildren in the auditorium on the discovery, conservation and National Marine Sanctuary of the USS Monitor. NOAA gave the museum a piece of coal from the USS Monitor. I accepted the coal on behalf of the museum, which added it to their Civil War collection for all the children to enjoy. What a wonderful gift!

Also on January 30, 2015, The Greenpoint Monitor Museum set up an afternoon meeting with the Brooklyn Borough President Eric Adams and Deputy President Diana Reyna at their Brooklyn Borough Hall office. Tilden Camp, NOAA, along with members of local community organizations and politicians were there to give the museum support. The meeting was very successful. The museum looks forward to working with the Brooklyn Borough President's Office to help make the museum a reality. Topics discussed:

1. The work of NOAA's National Marine Sanctuaries and in particular the USS Monitor National Marine Sanctuary
2. NOAA's partnership with The Greenpoint Monitor Museum & the importance of establishing the Museum on its donated land.
3. Establishment of the USS Monitor Trail which will include a NOAA marker on the Museum's land in Greenpoint.
4. The unveiling of the Marker on May 29 with a history event that day
5. Conceptual renderings prepared by AECOM of the Museum's land showing public waterfront access, raised elevation for flood control, land stabilization, living shoreline, dock for NOAA's research/education vessel with boardwalk through living shore. You can view the conceptual renderings on the museum's website: greenpointmonitormuseum.org.

On Friday, May 29, 2015, NOAA is set to place a USS Monitor Trail Sign on the Greenpoint Monitor Museum's land in Greenpoint, Brooklyn, NY. The placement of the sign will designate the importance in history as the building and launch site of the USS Monitor. The trail sign will be the first in New York State. There will be other signs to follow throughout New York State. NOAA is working closely with the Monitor Museum, Oliver Tilden Camp #26, NYC and Co. I, 83rd NYVI, SVR on the placement of the USS Monitor Trail Signs. After the sign dedication, there will be a History Fair at the local Brooklyn Expo Center. Government Agencies, Historic & Patriotic organizations and local schools will have display tables. There will also be Civil War presentations throughout the day. To name a few, NOAA will give a presentation on the USS Monitor and the National Marine Sanctuary. In addition, Syracuse University Professor named Cathryn Newton, who was a 16-year-old college student when she helped her father discover the U.S.S. Monitor. This historic event is also to commemorate the final year of the 150th Anniversary of the Civil War. The event is an all day event and is free to the public.

Willard Camp #154 continues to work on the Major General Tomas project and the Kellogg family plot in Oakwood Cemetery. There will be 5 signs directing visitors to the General's grave site along with a grave site sign. Mr. Bernie Vogel, Oakwood Cemetery Administrator, determined where the signage will be placed. The Oakwood Cemetery staff then had the signs installed. The signs were designed to look like and have the same colors as the Uncle Sam signs. Both use New York State designated paint colors for roadside historical markers. Thanks to the cemetery staff and Willard Camp, visitors will have no problem finding General Thomas' grave site, thanks to the new signage. A sign dedication will be held in the cemetery in the Spring of 2015.

As we approach Memorial Day, the New York Department will be honoring our veterans by participating in parades and dedications throughout New York State. It is the time of the year when all members renew their oath that they took when they were sworn into our order. New York Department is proud of being part of the national order of the Sons of Union Veterans of the Civil War!

In conclusion, the department continues to support and promote patriotism by presenting certificates of commendation to those awarded in the Boy Scouts Eagle Scout and ROTC programs. As we have done in the past, we continue to perpetuate and honor the memory of our Civil War ancestors who sacrificed so much to preserve the Union. God Bless the Boys who wore the Blue from 1861 to 1865.

Mr. Martin joined our Order in November, 2014 and became a member of the North Carolina Union Volunteers Camp #5 in New Bern, NC. In December, 2014, Brother Martin became a Life Member of the SUVCW. Unfortunately, Brother Martin's health declined rapidly in December, and he passed away on January 25, 2015. His passing was reported in Commander-in-Chief Tad Campbell's Special General Order No. 3 dated January 27, 2015. On January 28th, I attended Brother Luke P. Martin, Jr.'s visitation in New Bern, NC, along with members of SUVCW Camp #5. I conveyed the condolences of C-in-C Campbell and the SUVCW to Brother Martin, Jr.'s family, and I presented them with Brother Martin, Jr.'s Membership Badge with Real Son pin, his Life Member certificate and Life Member card, a Real Son" certificate and a Copy of Special General Order #3. Many thanks to Brothers Jerry Orton, PDC and David Demmy for their invaluable help in recognizing Real Son Luke P. Martin, Jr.

6.21 Department of Ohio, Tim Graham, DC

My thanks go to all the Brothers of the Department of Ohio for their continued support. The following events have occurred since the last CoA meeting in Gettysburg:

- December 13th the incoming officers of the James A. Garfield Camp #142 were installed and two new members initiated.
- January 6th the incoming officers of the Alvin Voris Camp No. 67 were installed.
- January 10th Mid-Winter Encampment at the Harden County Court House in Kenton.
- January 11th the Officers of the Phillip Treim Camp No.43 were installed. The Camp was informed that in order to retain possession of the 3" Ordinance Rifle tube they need to provide some paper work: chain of custody with inventory notation and a hold harmless. They have been encouraged to become SVR.
- January 20th the Officers of the Henry Casey Camp No. 92 were installed.

The only ongoing business is the disposition of the GAR 3 inch Ordinance Rifle in the possession of Treim Camp 43, which has been leased to the 19th Ohio Light Artillery. Copies of all the relevant documents noted above have been received and will be turned over to the Department Secretary. Members of Council may peruse them. I have seen the tube and it is correctly mounted and being promoted at educational and historical events. I do not see any need for further action here. This can be brought up under new business at the Department Encampment.

6.22 Department of Oklahoma, John Manley, DC

Nothing to report.

6.23 Department of Pennsylvania, Douglas P. McMillin, DC

I am pleased to report that we have managed good progress in spite of many hurdles on the projects of the Order this year. Before I report on these projects I beg your indulgence for a few comments on our principle hurdles. I realize that there is a great deal of frustration expressed in this report. I do not express my frustration to the membership however and as I am reporting to a group of men who have been in the hot seat before, I know that you will all understand where of this frustration comes. The reason I share my thoughts in this report is that there have been more troubles this year in the Pa Department than there ever should be. Without some reporting of the story behind the scene, I doubt true understanding would be possible.

We have a list of ambitious and good works to achieve this year. Some of them have made good progress while others have stagnated due to the distractions of personal infighting and conflicts. No one said the office of Commander would be easy. Nor did they promise all brothers would get along. It is good that they did not promise this because they would have lied in doing so. It is a point of great sadness and frustration to me that there are some in this Department that would hold the entire Order hostage to their personal vendettas against both other brothers and even sisters of the Allied Orders.

I recall one PA Past CnC pointing out that Department Commanders and all PDC's and PCnC's are held to a higher standard some years ago. I regret that the PA Department has not displayed this very well this past year either within the Department membership or towards National. From the members of the Past Commanders and Presidents Assoc promoting a boycott of Remembrance Day in a dispute with the SVR, to one angered Brother promoting a multi camp boycott of the next Department Encampment and furthering a division from the ladies orders, we have had difficulties living up to that higher standard.

Many brothers and sisters have come to me demanding charges and discipline be done over this. It has been a difficult time trying to keep reason and fraternity governing over such hostility. Yet I remind those who spew such vitriolic anger, that the mantle of charity should ever be in place over the actions of those who anger us and that fraternity is not served by striking out against those who upset us. Such seems to be the times we are in however and I am sad to see people that should be

unified in building our Order are trying to pull our organization apart when we have bigger threats from outside.

It has been embarrassing to those who call for unity that such actions are being attributed to a Department that prides itself on doing things right. It has also stolen an enormous amount of time from many people whose energies would be better placed in constructive activities rather than repairing the damage caused by these events. I beg the Council's pardon and hope they know that we are working to move forward and put these things behind us rather than keep them in the limelight.

Our biggest projects this year are a Boy Scout Civil War educational weekend. That project is moving along well and we are now looking to present an in depth Civil War history weekend to about 1000 Boy Scouts in October. My highest praise goes out to Committee chair Greg Kline, PCC and committee member Gene Mortorff, SVCnC who have both shown great energy in bringing this project to fruition.

We have a fundraising effort going this year to rescue the Soldiers Monument at the Soldiers National Cemetery in Gettysburg which is in danger of collapse. So far to date we have raised well over \$5000 from the camps of the PA Department to help the National Park Service restore this important National Monument to the Union soldiers of all states who died in the fighting at Gettysburg. Our hopes are to raise over \$10,000 total for this project in the name of the SUVCW.

Our training and educational program is stalled out. The committee has failed to meet in spite of multiple prompts from myself to do so. We are hoping to get the program back on track before Encampment in June even if it means replacement of committee members.

Our sites committee is all new members and is wrestling with the challenges of setting up an encampment and repairing the damage done to the fraternal relations from last year. We have things under control at last and are attempting to work out a meeting to get the 2016 Encampment planned and discuss possible locations for 2017 and 2018 to bring the committee back into compliance with PA Department Bylaws. This is a joint effort by the PA SUVCW DC, the PA ASUVCW DP and PA DUVCW DP overseeing the new committee to ensure the work is done and there are no more bouts of infighting between the members as with the past committee members.

The PA Department Council is working to draft a Bylaws change requiring that the Senior Council Member be added to the names to access the Department bank accounts in addition to the Department Treasurer. Also it will ensure that the only financial institutions that the Department funds can be kept in are at the very least regional in size to make the account accessible to any brother that may take over a financial office without traveling over 100 miles to transfer the accounts to a local bank. There are provisions for the insuring of the money held by the bank as well.

This is in response to the fact that our Department Treasurer is very ill. It was pointed out to the Council that should he be hospitalized or some other incapacitation occur, his is the only name on the accounts and this could inadvertently cause the Department funds to become inaccessible until proof of ownership could be established over the accounts and a new account signatory could be added or the account moved. It has been tradition to have two names in the past, but this tradition has fallen out of use. Also, tradition is not Bylaws and without it in the Bylaws, it is not a rule of procedure. The Department Bylaws committee is drafting the proper language for this now.

In the interest of repairing the distance between the SUVCW and the SVR units in the region we have been working with 2nd Military District Commander Mark Day to try and arrange an SVR muster in PA for the 2nd Military District and the brothers of the PA Department. We have some indication the U.S. Army War College will be glad to play host to this muster at the US Army Heritage Education Center in Carlisle, PA. This idea has stalled out due to demands on the time of the PA Department

Commander and on the 2nd Military District Commander. My hopes are to revisit this idea for next year as it is too late to act on it for this year before the reenacting season begins in April.

Our Mid Year meeting in October was successful.

Remembrance Day activities were marred by lack of participation by many who boycotted the event due to the cancelation of the Past Department Commanders and Presidents Assoc. This boycott is regrettable as it is one of those moments where, as an outside of the order association the Department Commander has no control over the actions of the Association. Fraternal relations again took a blow over this fight between the Assoc. and the SVR. As is usually the case in such fights, the real losers were those on the sidelines looking on.

Many faces that never miss the event were absent last year. The Gettysburg vendors and restaurants reported all time low sales unseen on this weekend in the past. Granted much of this was due to the redirecting of the parade route by the town of Gettysburg bypassing most of the shops. Local motels however did have vacancies all weekend. This is unheard of for that weekend. Even the Gettysburg Camp suffered a loss in revenue from the annual Pancake breakfast that will curtail their work for the next year from lack of funds. As always in this matter the PA Department Commander calls for unity and fraternity. I am beginning to wonder if anyone is listening anymore.

In January the issue of Youth Protection again reared its ugly head in the State. It too has distracted our work as we are researching and attending to the question of the future of the minors who are members in PA. At this time we await the results of Brother Henry Shaw's research in the matter as he is attempting to gain insights directly from one of the original panelists that drafted the new laws. On Brother Shaw's advice we are taking no action until we have more detailed information. Much rides on this decision and we cannot afford to make snap decisions in the heat of the moment.

The Department Commander has visited half of the 26 camps in the Dept over the last several months.

In February, weather abated long enough for the Annual Lincoln Luncheon hosted by Ruhl Camp #33 of York, PA to be held at the Altland house in New Oxford, PA. Attendance was good and a good time was had by those in attendance. In April the Annual Appomattox Luncheon in Williamsport, PA will be held along with multiple committee meetings the same day.

It is with no little pride I report that we managed to provide 100% compliance in the Bylaws collection required by the IRS in February. Of the 26 camps in PA, 22 managed to actually report in as ordered and we were only required to work out a solution for four camps which are currently in the process of resolving the issues the crisis uncovered. For these camps that have lost their original Bylaws we provided general Bylaws in compliance with the National C&R and have had the camps review, amend and accept them as needed. The two weeks were difficult but may have been for the best as it uncovered problems we did not know we had and allowed us to resolve them without resorting to punitive measures. As a result the Department is stronger and the less vulnerable. At this point I would like to offer my gratitude and thanks to Brother Richard Orr, PCnC, whose work as national treasurer must have been monumental in this task. Many people put a great deal of work into the Department level work in this crisis. Brother Orr had to deal with every Department in the Country and we salute his commitment and service to the Order.

As we begin to wrap up this year's activities rolling toward Memorial Day in May and Department Encampment in June it is my sincere hope that we can finally put the bitterness and hostility that has festered over the last year behind us and move forward in a united front focusing on the objects of the Order and less on our own personal feelings about each other. Like it or not, we have all chosen to be on the same team. My hopes are that we will stand up and behave as the respected leader Pennsylvania has been in the past.

6.24 Department of Rhode Island, Benjamin Frail, DC

The Department of Rhode Island has been having its monthly DOM meetings and is currently planning the Department Encampment and upcoming fraternal events.

6.25 Department of Tennessee, Michael Downs, DC

In January the Department held their encampment in Nashville and the following officers were elected:

Department Commander – Michael Downs
Department Senior Vice Commander – Roger Tenney
Department Junior Vice Commander – David McReynolds
Department Secretary/treasurer – Geoffrey Hintze

The Commander in Chief Tad Campbell was in attendance and installed the new officers.

As the Department Commander I have been involved in the planning of several programs that the Major William A. McTeer Camp No. 39 will be presenting in conjunction with the State of Tennessee's Civil War Sesquicentennial which will be held during the first week of May. I will also be doing a special presentation of my "I am Corporal William Downs but You Can Call Me Bill" program for the March 23rd McTeer Camp meeting. Additionally I have been working with members of the Colonel Robert Byrd Camp #8 as they plan to disband and turn in their charter. Finally I am planning along with the Central Region Association leadership to hold their annual 2016 meeting in the Franklin/Nashville area.

The Fort Donelson Camp No. 62 has been active working with the various Franklin & Nashville 150th programs highlighted by the "Cannons on the Square" "in downtown Franklin, Tennessee, hanging banners for the Franklin 150 celebration and manning a Department table during the various events.

Major William A. McTeer Camp No. 39, SUVCW Activities are as listed by their Commander David McReynolds:

- 14 Aug 2014 – 133rd National Encampment – 4 members attended
- 16 Aug 2014 – Annual East Tennessee History Fair sponsored by the East Tennessee Historical Society. For the second year, the McTeer Camp manned an information tent and provided civil war era music for the visitors to the event.
- 25 Aug 2014 – Published first camp newsletter (Summer 2014) – called McTeer's Loyal Mountaineers.
- 11 Oct 2014 – Battle of Blountville re-enactment. George Lane and David McReynolds represented the camp at a rainy and muddy but well attended event. Distributed information about membership in the SUVCW and made contacts with a number of upper east Tennessee civil war history buffs.
- 8-9 Nov 2014 – Civil War Weekend at Fort Dickerson Park. Camp again participated in his annual event. Commander George Lane cooked his famous red beans and rice to provide Saturday dinner for all the re-enactors who came.
- 26 Nov 2014 – Published second camp newsletter (Fall 2014 edition)
- 13 Dec 2014 – 5th Annual Encampment of Maj. Wm. A. McTeer Camp No. 39, SUVCW

Posted over 250 items of interest on the Camp's Facebook page and kept the Camp's webpage updated with current news and events.

Linked copies of McTeer newsletters to Camp, Department and National SUVCW Facebook pages as well as to the Camp webpage.

Blount County Historic Trust presented its Vanguard Award to the members of the Emancipation Day Celebration/Sgt. Lillard Commemoration Event Committee (which included Camp Commander George Lane)

Participated in the development of a Blount County Driving Tour and distributed pamphlets outlining the route.

Made camp newsletter monthly beginning January 2015.

Made contact with several camp brothers who live in the UK and discussed using Skype to allow their participation in a camp event.

Established monthly "Camp Mess" lunch meeting to facilitate planning and camp growth.

Major event for the first half of 2015 will be the Blue Gray Reunion and Jubilee in Knoxville, TN from 30 April to 3 May 2015. The McTeer Camp will lead the re-dedication of the Sultana Monument at Mt. Olive Cemetery on May 3 as well as provide volunteers at other events. This is a premier sesquicentennial event for Tennessee in 2015.

Along with several members of the Sultana Camp No. 1 I took part in their March teleconference meeting. The membership of this camp is geographically dispersed and as a result the brothers arrange a teleconference in place of camp meetings. The Camp is trying to arrange for a SUVCW information table at the big Civil War show held annually in Memphis and they are making plans to hold the 2016 Department meeting in either Vicksburg or Memphis.

The remaining camps in the Department had nothing new to report.

6.26 Department of Texas, Gene Willis, DSVC

During the past year, the camps, within the department, have continued to be active in numerous projects. They have been reported in the department newsletter. I would like to thank David Appleton for the excellent work he did this year as editor. I would like to remind the camps that the success of the newsletter is dependent upon the camps sending articles to the editor about their activities.

6.27 Department of Vermont, Robert Grandchamp, DC

The Department of Vermont is currently in the midst of awakening from another, long, dark, cold winter in the Green Mountain State. Due to the long, brutal winters up here, much of the SUVCW activity is limited during the winter, and many camps do not meet.

I was appointed to the command of the Department upon vote of the Department Council in October 2014, following the resignation of Whitney Maxfield from that seat. In the interim, I have been in contact with the four camps and working to fill the officer positions that were vacated during the transformation. Membership is an active concern at present; we currently have around fifty members and recruiting is a continual struggle given the age of many of our brothers. We roughly gain and lose around the same number each year. The camps in Barre and Rutland are meeting bi-monthly, while Stannard Camp and Hall Camp have often been unable to meet due to a lack of quorum. Recruiting is going to be the biggest goal and push of my administration. Hall Camp, traditionally based in Orange County, Vermont is the *oldest Camp in New England*; I have promised the brothers in the Department that I will not let this camp die out as long as I am in command.

What we lack in membership, we more than make up for in drive. Scott Camp in Barre, Vermont has been working on a project now for several years documenting Civil War graves in rural cemeteries in Worcester, Calais, and Woodbury, Vermont. Ripley Camp is doing the same in Rutland County. Members of Stannard Camp will attend Memorial Day services this year at the Jericho Center Cemetery in Jericho, Vermont.

Last year, the Department entered into a long term loan agreement with the Vermont Historical Society for the safekeeping, cataloging, and display of Department records and property. This allows for the Department to place the archives in a central location, in addition to allowing for public usage,

and preservation by dedicated professionals. We will continue to add artifacts to the collection as they come to light.

More recently the Department hosted the Spring 2015 meeting of the New England Regional Association of the SUVCW. A dozen brothers from Rhode Island, New Hampshire, Maine, and Vermont joined eight members of the Auxiliary for a superb day of meeting and comradery at a beautifully restored GAR Hall in historic Stowe, Vermont. A highlight of the day was a presentation by a committee trying to save the General Stannard House in Milton, Vermont.

The 2015 Department Encampment will be Saturday April 25, 2015 in Barre, Vermont, and for the first time in several years, a delegation of Vermont brothers will be attending the National Encampment in Richmond, VA in August. In closing, the small, but stalwart band of Green Mountain Boys in the Department of Vermont continue to keep the principals of the Grand Army of the Republic alive up in the northern hills of New England.

6.28 Department of Wisconsin, Kim J. Heltemes, DC

Throughout the fall and early winter, there was work done on getting new camps started in Wind Lake, WI, and in Edgerton/Janesville, WI. The Wind Lake Camp will be Camp 15. The Charter was presented at the Mid-Winter meeting. The Janesville camp paperwork has not been finalized yet. It will be going soon.

I had another Department Officers meeting in November. Many upcoming situations were discussed. It seemed that everyone came out of the meeting as being united and with a better understanding of the direction we want to take the department. I will continue the meetings as long as I am the commander.

While in Berlin, WI, I noticed that the cannon tube in the VFW park was gone. Having had issues with the post about 8 years ago when it was rumored they were going to sell the tube, it led me to find out the location of the tube. It turned out to be a pleasant visit. They ordered a new carriage and constructed a new concrete pad to place the carriage. There will be a dedication next year when it is placed on the pad. I hope that everyone is paying attention to the condition and location of the Civil War cannons and monuments. Please report any changes to the Department right away so we can avoid the sale or theft of any them. There are several monuments being made for placement during the year.

Camp 1

1. Held their monthly meetings.
2. Will hold a "Membership Orientation" on March 29.

Camp 2

1. Elected new officers for Camp 2 on January 10, 2015.

Camp 4

1. Held their monthly meetings.
2. The camp has been working to be involved in a ceremony that will honor Lt. Alonzo Cushing who was just presented the Medal of Honor posthumously. The city of Delafield, WI is going to celebrate the Medal during the Memorial Day weekend and the camp will be part of that celebration.

Camp 5

1. Held their monthly meetings.
2. The camp has been working to be involved in a ceremony that will honor Lt. Alonzo Cushing who was just presented the Medal of Honor posthumously. The city of Delafield, WI is going to celebrate the Medal during the Memorial Day weekend and the camp will be part of that celebration.

Camp 8

1. Held meetings on Jan 16 and March 17, 2015.
2. Attended the "Echoes of the Past", a re-enactment fair, at Oshkosh, WI, where we recruited membership On March 1, 2015.

Camp 15

1. Received their charter at the Mid-Winter meeting.
2. Camp officers were installed during the Mid-Winter meeting.

Camp 49

1. The camps work has been in getting the only active G.A.R. Post building left in Wisconsin in repair. A new basement has been installed under the building and the front porch has been removed. Now the camp is trying to find the funds to get heat and air for the building.

Camp 56

1. They are holding a meeting on March 26.

The Camp has been quite active. We held our quarterly meetings in November and in February, with our newly-formed Auxiliary. Both meetings were well attended. In addition, we have engaged in the following:

- Monuments preservation and establishment to ensure that the sacrifices of Union Soldiers in Arizona are not forgotten. Brother David Swanson PCC is chairing a committee to have a memorial to the California Column erected on the State Capitol grounds.
- Newsletter produced quarterly to members and interested associates.
- Auxiliary to the Sons of Union Veterans of the Civil War actively supports the Camp and its own patriotic activities.
- New Camp Formation: We received permission to form the Gen. R.G. Minty Camp #2 in Tucson and the Gen. U.S. Grant Camp in Flagstaff, and are continuing to recruit members and for the camps.
