WHO EVALUATED THE NEED FOR THE WORK & WHAT ARE THEIR QUALIFICATIONS?

The DSW Memorials Committee are SUVCW members who have an interest in honoring Civil War Veterans by erecting monuments & plaques at appropriate locations throughout Arizona & New Mexico. The 3 members of the committee volunteered for the Memorials Committee. While no formal education is required to fill the positions, each members conducts in-depth research for all issues that come before them. As appropriate, committee members solicit input from those who oversee the location (i.e. cemetery) in which a plaque/ memorial is to be placed. Additionally, prior to considering recommending construction of a plaque/monument, contact is made with vendors and the best vendor is selected. Vendor selection is not simply based on cost, but the quality of the product and the reputation of the vendor. In the case of Atlas Sign, Yavapai County Facilities staff spoke directly with Atlas Sign to arrive at an agreement as the police requirements and instructions on how to place pole in the ground.

	Dear Brother Busch,	

By way of intro, I am Tim (Prater), Department of the Southwest (DSW), SUVCW.

I am preparing a Civil War Memorial Fund Request (Form CWM #62).

Background:

- DSW is seeking funds for a new monument via Form CWM #62.
- Form CWM #62 states if monument is new, a CWM Form 61 is not required.
- However, I was told to complete both Form 62 & <u>Form 61</u> ~ even though the fund request is only for a new monument.

Please tell me:

- Must/should I submit both Form CWM 61 & Form CWM 62 for a new monument?
- Must/should I submit Form CWM 61, even though Form CWM 62 does not require such?

I appreciate your time and assistance.

In Fraternity, Charity and Loyalty,

tim
