Describe work the funds are needed for: Judith Grover Tent #17 recognized the need for Civil War Veterans and more recent Veterans from the town of Woodstock to be honored. The original Honor Roll that was erected in 1945 included some Veterans names from WWI through Desert Storm (see picture). There is no room left for any additional names.

The new project calls for two additional granite monuments to be placed on site to accomodate the additional names (see pictue of proposed site plan).

The addition will include Civil War Veteran's names as well as Veterans's names from 1865 to the present from the town of Woodstock.

A total of **280** names have been researched and accepted for inclusion to date. **186** of these names are Civil War Veterans.

The granite for the project has been purchased at a cost of \$3,990.00 This reduced the amount in the fund to \$6,610.00. The quote for the engraving of the names is \$30.00 each for a total of \$8,400.00 (see estimate).

The cost for the concrete bases is approximately \$800.00. It is possible that some (if not all) of that cost will be donated.
