Bentonville Battleground is getting a monument to the Federal Troops that fought there. I know of no major objection the monument including any from the North Carolina SCV Division. The SCV and the SUV have had a pretty good relationship in recent years so it is helpful that it is the SUV who are the sponsors.

"On Saturday, March 16, 2013 members of the Sons of Union Veterans of the Civil War, Department of North Carolina will participate in a dedication service for a Union monument at Bentonville Battlefield. The five foot tall monument will be placed adjacent to the current North Carolina and Texas monuments in the established monument area. Bentonville is very honored to finally have a monument dedicated to the nearly 60,000 federal troops that fought the March 19 – 21 battle."
