RARE RELIC OF THE WAR

The 47th Penn. Vol. Inf. was present in the Wilderness Campaign. William D. C. Rodrock, Chaplain of the 47th, writes:

"On the 5th of May, when Gen. Grant had our Union Army some 90,000 strong laying in the Wilderness Va, all ready for the great conflict: He called for 'a drink of water,' I gave him my canteen filled from the spring, from which it was said Washington had drank...The Gen, taking it said 'thank you Chap'ln,' and handing this case filled with eight fine cigars, continuing further said 'take this in exchange,' & rode rapidly away. He was a great smoker. I relished the fine cigars & have carefully kept the case ever since."

During the Civil War Centennial, there was an organization called the Jefferson Barracks Civil War Historical Society here in St Louis. Several members were or were destined to be members of the Sons. I joined well after this time, when the membership had all but dissipated. However, the society still organized events and I eventually ended up as President. Part of the group's artifact collection was on display at the Barracks museum. No one remembered how the collection came into the hands of the group, so when it officially disbanded, ca. 1995, I came into possession of a cigar case owned by Gen Grant and given to the Chaplain of the

REMEMBRANCE DAY ELSEWHERE

CALIFORNIA & PACIFIC

On November16th, Phil Sheridan Camp 4 held its sixth annual Remembrance Day ceremony at the Camp-owned GAR plot at San Jose's Oak Hill Memorial Park. This year's service was conducted by the Camp's 'Home Guard', as many of the Camp's members were in Pennsylvania to participate in the Annual Remembrance Day Ceremony at Gettysburg. CSVC John E. Stolp led the service, recognizing three Gettysburg Battle veterans buried at the Oak Hill GAR Plot, containing over 400 Union veterans while CJVC Paul Lavrischeff recited President Lincoln's Gettysburg Address.

NEBRASKA

The Nebraska Dept. observed the Gettysburg Address on November 15th, at the 7th annual ceremony, held at the Nebraska State Capitol in Lincoln. The main presenter was Dr. Kenneth Winkle, Professor of History, University of Nebraska-Lincoln. Cub Pack 48, Lincoln, led the Pledge of Allegiance and gave the Gettysburg Address.

OHIO Camp Honors 300 Local Veterans

On Remembrance Day (Nov. 15), MG William T. Sherman Camp 93 honored over 300 U.S. soldiers and sailors buried at the Dayton's Old Greencastle Cemetery. The Sesquicentennial event was the first military honors ceremony there in more than 70 years.

The camp also re-dedicated the restored GAR Hiram Strong Post 79 burial section. Three years of restoration efforts were conducted by Camp 93, aided by community partners. Veterans from the American Revolution through Vietnam are interred at the 170-year old burial ground.

During the ceremony, Ohio Civil War Sesquicentennial Advisory Committee member and Camp 93 CC Fred Lynch recounted the cemetery's history and the notable vets buried there. Pres. Lincoln (James Crabtree) delivered the "Gettysburg Address." DC Tim Graham joined Anthony O'Connell Aux. 10 Pres. Barbara Lynch in placing a wreath. Camp musician Br. Allan Howey provided 19th century music and bugle calls. The Camp Honor Guard, commanded by Br. Delmar Steiner, rendered military honors. Dept. Chaplain Kerry Langdon delivered the invocation and Camp Chaplain Brent Davidson, the benediction.

A highlight of the ceremony was the solemn "Roll Call of the Old Greencastle Guardians" voiced by an artillery reenactment group. Dignitaries rendered memorial honors for each of America's conflicts.

OREGON

One hundred fifty-one years after consecrating the graves of fallen soldiers at Gettysburg, President Lincoln appeared in Oregon to perform the same duty at Newberg's Kilpatrick GAR Post Cemetery, where a white obelisk stands over nearly 100 Civil War veterans buried there. His appearance was part of Oregon's 9th annual ceremony commemorating the Gettysburg Address. The event was sponsored by Col. Edward D. Baker Camp 6 (Camp-at-Large) and took place November 15th.

Lincoln (Stephen Holgate) recited the famous speech and keynote remarks were given by Portland teacher and Civil War historian Shardon Lewis.

Camp 6 and SVR Chaplain Rev. D.H. Shearer provided the invocation and benediction. Military honors were provided by Co. B, 71st Pennsylvania Vol. Inf., SVR. Following a musket salute, Taps was played by Capt. Steven Betschart, SVR. *Photo by Kathy Jo O'Neal*

2. Alonzo Cushing Medal of Honor Br. Hammond recommended a ceremony be held on site of battle at the 2015 Remembrance Day. SVR MG Grim has apparently stated he has no problem with it being an SUVCW event. Br. Hammond will coordinate with the SVR.

3. Dept. Encampments. Nat. Officers signed up to attend most of the encampments that CinC Campbell will be unable to attend. Not all departments have determined or informed the date for their encampment. Br. Kevin Martin will send out an updated list of encampment dates and vacancies.

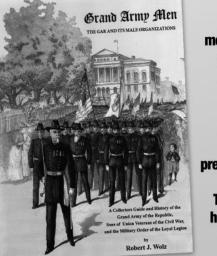

4. New Camp. PDC Pierson advised that a Buford, SC, camp that broke from the SUVCW in the 1970s is interested in returning to the Order. This will be a new camp, needing a new charter, although they could request the original charter for historical purposes.

5. Reports. Br. Busch added that with regard to page 15, all files have been redacted and are up to date. With regard to page 23, Joe Hall will be in charge of credentials.

Ladies and Gentlemen Custom Orders Welcomed

YOUR PATRONAGE IS APPRECIATED!

100 YEARS AGO: WORLD WAR I... THE GAME CHANGER

Like so many others, our organization has always been affected by what happens in the world around us. This was never more apparent than during World War I.

When the Great War began in 1914, most Americans, including the Sons, took little note. But by 1915, Americans were paying much more attention to the war. The sinking of the Lusitania aroused furious denunciations of German brutality.

The nation placed great importance on the role of children, teaching them patriotism, national service and asking them to encourage war support and educate the public about the importance of the war. While the Boy Scouts helped

distribute war pamphlets, helped sell war bonds, and helped to drive nationalism and support for the war, the Sons authorized a Junior Order in 1915. Juniors were 12-18 year olds.

In Eastern cities a new "Preparedness" movement argued that the U.S. needed to immediately build up strong naval and land forces for defensive purposes; an unspoken assumption was that America would fight sooner or later. The movement soon made its way throughout the Sons. Propelled by the sinking of the Essex in May 1916, a resolution on Preparedness was read and approved in most Camps:

"That we, as Sons of Veterans, earnestly urge that the nation founded by Washington and the patriots of the Revolution; preserved by Lincoln and the soldiers of '61, and defended by the boys of 1898, shall not continue in a position which invites assualt from any nation in the world:

"That the flag for which four hundred thousand men died and for which two million soliders fought, is too sacred a thing to be imperilled by any lack of preparation for defense on land or on sea;

"Resolved, That we urge upon the President and the Congress of the United States that broad, comprehensive and aggressive measures be at once adopted that shall put the United States of America in a posture of adequate defense—that the citizens shall be taught to be soldiers, if need be; that the army shall not be longer a laughing stock for weakness, and that the navy of the United States shall be made the equal of any in the world."

Months after war had been declared in 1917, the Sons National Encampment approved a statement on National Preparedness and a letter was sent to President Wilson, pledging support for the war. In fact, 15-20% of our Order's brothers enlisted.

Those remaining helped raise money for the war effort. \$26,426.65 was raised for the War Ambulance fund with the Ladies' assistance. Fourteen ambulances were purchased with those funds.

Sons membership peaked at 57,824 brothers in 1917, the high point for the entire 20th Century. Three years later, the membership had dropped to one half that number and continued to fall. Despite various recruiting initiatives, the Order's attempts to restore its depleted ranks and accompanying patriotic fervor were unsuccessful

The post-war depression, a prevalence of new veteran organizations and the decline of the GAR were contributing factors. Struggling to maintain a unique identity, efforts to change the Sons of Veterans name began in earnest. Similarly, in 1918, the Sons uniquely designated November 19th as Veterans Night, recognizing the remaining Union veterans and commemorating Lincoln's Gettysburg address. It was quickly overshadowed when Armistice Day was established on November 11th a year later. By the time Armistice Day was renamed Veterans Day in 1954, Union veterans were all but gone. The Sons established Remembrance Day (November 19th) two years later to again commemorate Lincoln's address.

And one more change: beginning in 1919, most Department Encampments included a service, memorializing those brothers who made the ultimate sacrifice during the recent war...a tradition that continues to this day.

World War I had changed our Order; the paradigm had shifted.

HONORING OUR NATION'S VETERANS

CALIFORNIA & PACIFIC

Phil Sheridan Camp 4 and Lincoln Camp 10 participated in the United Veterans Council (UVC) 96th Annual Santa Clara County, California Armistice Day Ceremony and Veterans Day Parade on November 11th. For the 14th year in a row, the two Camps, along with Co. C, 8th California Vol. Inf. Reg., SVR, participated in the annual UVC Veterans Day Parade in San Jose. The Camps were honored to include the participation of DC Timothy Reese as they marched down Market Street and fired a musket volley in front of the reviewing stand as a tribute to all veterans and those who gave the ultimate sacrifice on the battlefield.

Newly elected Commander of Company C of the 8th California, Paul Lavrischeff led the formation to the cheers of those gathered along the parade route. The firing detail was composed of Camp 4 PCC Frank Avila, Camp 10 CC Kevin Coyne, Camp 10 Brs. THE LINCOLN TOMB CEREMONY TRADITION

A small group, representing the SUVCW and MOLLUS, arrived at the St. Nicholas Hotel in Springfield, IL, in the afternoon of April 14, 1957. Their sole purpose was to inaugurate the Lincoln Tomb Memorial Ceremony on the following day, the anniversary of Lincoln's Death. That year, three wreaths were presented. Following the ceremony, 11 people attended the luncheon at the Hotel Abraham Lincoln.

Gen. U.S. Grant III, Maj. William M. Coffin (AUS-R), SUVCW CinC, and Cmdr. William C. Duval (USN-Ret.), MOLLUS PCinC, conceived of the ceremony and originated the Lincoln Deathday rites. The active cooperation and magnificent assistance by Lincoln Tomb curator Br. George Cashman (later SUVCW PCinC) made the ceremony possible.

Five years later, in 1961, CinC Chadwick delivered "Lincoln's Farewell to Springfield," which started a tradition, which continues today. IL DC Charles A. Brady, Jr. of Chicago, James L. High, Br. George Cashman, J. Colby Beekman, M.J. Burns Jr., and W. Glen Davis were key in growing the April 15th ceremony that year.

Whether Springfield, Illinois, is an annual pilgrimage or a Civil War Sesquicentennial destination, there are a few places you'll want to visit this year.

Woman's Relief Corps, Auxiliary to the Grand Army of the Republic, Inc.

There is a hidden treasure located in Springfield, Illinois, owned and operated by the National Woman's Relief Corps, Auxiliary to the Grand Army of the Republic. The original Victorian house in Springfield which had been the home of our National Headquarters since 1941, was razed and the current building was built in 1963 as a Memorial to the Grand Army of the Republic during the Centennial of the Civil War. With funds raised by the sisters of the Woman's Relief Corps, the Grand Army of the Republic Memorial Museum officially opened its doors in 1964, free of all indebtedness. It has remained so ever since, due to their continued devotion and diligence.

More than 50 years later, the museum still educates visitors on the importance of the Civil War and perpetuates the

memory of the Grand Army of the Republic. Items on display include a full set of GAR badges and Nat. Encampment ribbons, a wide variety of equipment and accoutrements carried by the soldiers, such as cartridge boxes, housewives, haversacks, and their weaponry including rifles, bayonets, and swords. Personal items include diaries, literature & pamphlets, song books and Bibles.

A large drawing showing the escape at Libby Prison hangs on the wall. This was used by Capt. James Wells when he gave lectures as an author. He was twice a prisoner of war and was one of the 103 prisoner who tunneled their way out of Libby prison, and one of the 43 who were successful in making their escape.

In April, the museum will open a special display highlighting Cpl. Alexander H. Rhodes, Co. G, 121st Ohio Vol. Inf. This display will continue through May. There will also be a flag on display that came from the Ford Theater the night Abraham Lincoln was assassinated. On May 3, the WRC will pay tribute to the funeral procession as it passes by the museum on its route to Oak Ridge Cemetery.

DAUGHTERS TO PAY TRIBUTE TO LINCOLN

By PNP Carole Morton, DUVCW

Originally named the National Alliance of Daughters of Veterans of United States of America, the Daughters of Union Veterans of the Civil War, 1861–1865 (DUVCW) was incorporated on December 12, 1885 in Massillon, Ohio. As the organization grew, the Daughters first moved their headquarters to Washington DC, and then in 1952, to Springfield, Illinois. In 1979, the Daughters broke ground for its current Headquarters and Museum at 503 South Walnut Street. In 2009, they purchased the building next door to be used as a Library and Research Center (LRC).

2015 pays tributes to the 150th anniversary of the end of the Civil War, Lincoln's death and the reenactment of Lincoln's funeral procession, which is being coordinated by the Lincoln Funeral Coalition. Early participants in the Coalition, the Daughters made the LRC available to the Coalition for meetings and are providing the mourning sashes and cockades for the pallbearers in the procession. Just prior to the Coalition event in May, both DUVCW buildings will be draped with black bunting.

The museum's interior will pay homage to our 16th President. On display will be a 6" piece of granite slab from the original Lincoln tomb, artist's renderings of the conspirators, an original John Wilkes Booth Wanted Poster, a letter written by Abraham Lincoln and a Spencer repeating rifle, similar to the one Lincoln test-fired at the White House and ordered adopted for use by Union forces. Displayed will be an oil painting of Abraham Lincoln and similarly, a 1957 edition of the "Banner" with 12 photographs of an aging Lincoln. On display will be several funeral photographs including the Springfield Hearse and Old Bob, Lincoln's horse.

The museum will continue to exhibit numerous artifacts handmade by "Our Boys in Blue", musical instruments of the era, Civil War rifles, a complete set of GAR Encampment medals, encampment souvenirs, two Civil War Medals of Honor, a large GAR stained-glass window from Maine and much, much more.

In honor of Death Day, the Daughters' annual Museum Open House will be held on April 11 from 1 pm to 5 pm and April 15 from 1 pm to 5 pm.

During the funeral procession weekend, the museum will be open Friday, May 1, 10 am to 5 pm, and Saturday and Sunday, May 2 and May 3, 1 to 6pm. Come join us and browse the artifacts and exhibits.

SPRINGFIELD'S OAK RIDGE CEMETERY

Since Abraham Lincoln's death in 1865, Oak Ridge Cemetery has grown to be Illinois' largest municipal cemetery, encompassing 365 acres and over 75,000 interments. The cemetery is the second most visited in the nation, second only to Arlington. Almost one million visit annually, not only to pay respects to deceased family members, but to also visit the final resting place and pay homage to our 16th President. In addition to Lincoln's Tomb, you may want to visit the following:

THE GAR MOUND

The cemetery's Board of Managers set aside this lot for the burial of Union Army vets who did not have family plots elsewhere. The first burial was in 1891, the last in 1930. Buried on this lot, are 97 Union soldiers.

THE CIVIL WAR SOLDIERS MONUMENT

Island near Block A

Erected in 1867 by the Stephenson GAR Post, the monument lists 40 Union officers and enlisted soldiers. Most were killed or died in service. Fourteen are buried around the monument; the rest are buried in family lots throughout the cemetery.

He served three terms in the state legislature and six terms in Congress, resigning to accept a commission as Brig. Gen. of Volunteers from Pres. Lincoln. He was promoted to Maj. Gen. in 1862 and participated in the battles of Belmont, Fort Donelson, Shiloh, and Vicksburg. Here he was relieved of his command by Gen. Grant, but was later restored to his command by Lincoln and served in the Campaign of Louisiana and Texas. In 1870, Gen. McClernand was elected Circuit Judge in Springfield and in 1876, presided over the Democratic Nat. Convention. He lived to the ripe old age of 90.

NELLIE (GRANT) SATORIS JONES

July 4, 1855 – August 30, 1922 - Block 10, Lot 334

Nellie then returned to America where she later married Frank Hatch Jones, a Chicago banker. Her prized possession was a letter from her father written during the siege of Richmond.

WILLIAM HENRY HERNDON

December 25, 1818 - March 18, 1891 - Block 14, Lot 41

Born in Green County, Kentucky; he arrived in Sangamon County with his parents in 1820. He studied law at the Lincoln & Logan law firm. In 1844, Lincoln and Herndon became law partners. The partnership remained intact throughout Lincoln's Presidency and Herndon maintained their *office. Herndon also served as City Attorney, Mayor and Bank Commissioner.

NEW CAMP CHARTERED IN KANSAS

On September 30th, a small interested group of brothers met at PDC Alan Russ's home in St. Francis, Kansas, to finalize the organization of a Camp. CinC Tad D. Campbell signed the charter application on October 9th, establishing the Camp's date of rank and officially bringing Old Glory Camp 7, Dept. of Kansas, on board.

A year earlier, the local newspaper ran an article about Br. Russ's election as Nat. Secretary. (Yes, it was a blatant attempt to get some publicity for forming a camp.) The article mentioned a desire to form a camp and gave his contact information. Two people contacted him, providing a starting point. They managed to locate several more last summer and received one from Colby, Kan., through the Nat. JVCinC. At this point, they felt ready to form the Camp.

Although Cheyenne County and St. Francis were formed in the late 1880's, Kansas census and GAR post records reveal 161 Union veterans who, at one time or another, resided in the county. This list is on display at a downtown bank in the hope that some descendants may express an interest in the SUVCW or its Auxiliary.

New Camp 7 officers being sworn in are JVC Ethan Smith, CC Chance Marble, SVC Pat Owens, and PDC Alan Russ (Sec/Treas. and Camp Organizer).

The camp is named after the original Camp, founded in St. Francis in 1911. It's not known exactly when that Camp closed. St. Francis was also home to Samuel Webber GAR Post 412 until the 1930s.

The Camp currently has seven members and almost all are officers: CC Chance Marble, SVC Pat Owens, JVC Ethan Smith, Sec/Treas. Alan Russ, and Council Members Pat Owens, Bruce Frahm, and PDC Rocky Bartlow. Kent Melcher is the seventh brother of the camp. Brs. Marble and Smith live 35 miles south, in Goodland. CC Marble is 23 years old and is very interested in making the camp a success. The Camp plans to meet quarterly and has discussed what its emphasis should be. There's a stand-alone GAR cemetery two miles north of the town and there was considerable interest in the SUVCW graves registration program.

The other Kansas Camps are in the eastern half of the state, with the closest being 360 miles away. Hopefully, interest will spread to other northwestern Kansas communities in the coming years.

NEW CAMPS IN PROGRESS

The following Camps have been given permission to form (approved Form 51 on file):

Abraham Lincoln Camp 2, Branson, MO, Dept. of Missouri. Organizer is PCinC Edward Krieser of Walnut Shade, MO. Deadline is April 12, 2015.

Robert M. Blair Camp 5, Enid, OK, Dept. of Oklahoma. Organizer is PDC John Williams of Tulsa, OK. Deadline is May 15, 2015.

Col. Hans Heg Camp 15, Windlake, WI, Dept. of Wisconsin. Organizer is PCC Brian McManus of Windlake, WI. Deadline is September 28, 2015.

Sgt. Judson Hicks Camp 111, Arcadia, NY, Dept. of New York. Organizer is Br. Daryl VerStreate, Jr. of Newark, NY. Deadline is September 29, 2015.

Army of the Tennessee Camp 64, Murfreesboro, TN, Dept. of Tennessee. Organizer is Br. David DuBrucq of Murfreesboro, TN. Deadline is October 23, 2015.

Fort Walla Walla Camp 3, Kennewick, WA, Camp-at-Large. Organizer is Br. Raymond E. Marshall of Richland, WA. Deadline is December 6, 2015.

U.S Grant Camp 3, Flagstaff, AZ, Camp-at-Large. Organizer is PCC David A. Swanson of Cave Creek, AZ. Deadline is December 8, 2015.

Gen. R.H.G. Minty Camp 2, Tucson, AZ. Camp-at-Large. Organizer is John R. Conrad of Scottsdale, AZ. Deadline is December 8, 2015.

INTERESTED IN ORGANIZING A NEW CAMP?

The necessary instructions are found at http://www.suvcw.org/wp-content/uploads/2013/12/Form-50-Instructions-for-Forming-a-Camp.pdf The Dept. Commander authorizes formation on Form 51. A minimum of five members with lineage, not counting Juniors, is required. See Form 50 for specifics.

Phil Sheridan Camp 4 participated in the by-monthly United Veterans Council of Santa Clara County (UVC) Veterans Flag Lowering Ceremony at Oak Hill Memorial Park in San Jose on September 28th.

Oak Hill Memorial Park, in conjunction with the UVC, displays the name of a deceased veteran on a plaque at the flagpole near the main entrance. Each day, a new name is placed on the Honor Plaque. A deceased veteran does not have to be a recent death or interred at Oak Hill to have their name on the plaque.

PCC Frank Avila; SVC John Stolp; Br. Joseph Ferman; and JVC Paul Lavrischeff, CC Stephen Aguirre;. and Br. Richard Ferman (behind). Not shown: Br. Terry Briggs and PCC Bob Kadlec.

On the last Sunday of every other month, the UVC sponsors a Flag Lowering Ceremony at the Veterans of the World War Memorial at the Veterans Plot. Member organizations take turns performing the ceremony, which includes reading all the veteran names which were displayed since the previous ceremony. This year marks the 13th year that Camp 4 has participated.

Despite a heat wave, the 8th annual Ft. Mervine Civil War Encampment had another successful run. The event catered to 372 Naval JROTC Cadets from Soledad, Alvarez & Monterey High Schools on Oct. 3rd and large crowds on October 4th and 5th. PDC Tim P. Reese served as event director and Santa Cruz's Lincoln Camp 10 hosted the event. Manning 18 exhibit and living history tents on Monterey's Presidio Museum Grounds were Phil Sheridan Camp 4, Pleasonton Camp 24, and Wright Camp 22. There were two firing demos a day, including three volleys. The cannons were provided by the Calif. Hist. Artillery Soc. (CHAS) of Salinas and NCWA's Norfolk Lt Art. Blues of Northern Calif. Civil War ambulance and horse teams were provided by CHAS.

Continuing the year-long theme of battlefield preservation, James A. Garfield Camp 1 and Frederick's Antietam Camp 3 traveled to Fox's Gap on the South Mountain battlefield on September 14th. While at the Monocacy Nat. Battlefield Visitor Center, the group reviewed the lead up to the 1862 Maryland Campaign and the discovery of Lee's "Special Order 191."

Shown on the recently preserved 45-acre tract of the South Mountain Battlefield are Brs. Rick Knoepfler, Dave Henderson, Clay Matthews, Brad Sharpless, John Aymold, Larry Slagle, Tim McCoy, Brian Horgan, and Faron Taylor. Photo by Br. Brian Quillin, II

After lunch, the brothers journeyed to South Mountain, where a ceremony was held at the monument to MG Jesse Reno, killed that day, 152 years ago. The Camps then moved across the road to conduct their respective meetings on ground recently preserved by the Civil War Trust. Camp 1 contributed funds to help protect the 45acre parcel that retains much of its post-battle appearance.

Later, a few intrepid brothers soldiered on to Antietam Nat. Cemetery to lay flowers at the grave of Moses Gosnell of the 1st Potomac Home Brigade. Brs. Brian Horgan and Gene Mortorff organized and coordinated the combined outing.

On October 20, John W. Foster Camp 2 helped teach young Tiger Cub Scouts in Evansville about the Civil War.

Br. Chris Cooke, Evansville's Superintendent of Cemeteries, provided a tour of Oak Hill Cemetery's Civil War section. Meanwhile, Brs. Dennis Hutchinson and Scott Hurst dressed in uniform and discussed what it was like to be a Union soldier and what it would have been like to be in a river port and "border town" during that time.

The remains of 500 Union men are buried in Oak Hill Cemetery — all victims of Civil War battles. In 1868, the city began efforts to secure designation of the Union veterans' areas as federal property, eventually succeeding in 1898. A memorial was added in 1909.

On November 1st, Champion Hill Camp 17 held a presentation and ceremony at Armstrong Chapel in western Indiana as a part of its activities during the Sesquicentennial of the Civil War.

A few years ago, Br. Bill Lynch mentioned that BG George Wagner was buried in the church cemetery – as were about 23 other veterans. After much discussion and a visit to the site, Camp 17 decided to hold its event at the Armstrong Chapel. In cold, but sunny weather, about fifteen brothers from the department joined with Camp 17 to take part in the ceremony.

Before the graveside ceremony, the brothers were joined

by nearly 70 people for a presentation about the General by Lafayette resident Pete Arvidson, a descendant of Gen. Wagner. LaFayette resident and WW II Navy veteran Bill Crane spoke about the role of the 15th Indiana in the western theater.

The 27th Indiana (SVR) under the command of Br. Alan Teller provided the color guard for the ceremony and period music was provided. DC Bill Adams attended and Camp 116's Br. Steve Mockler served as bugler.

The Warren Cty. and Benton Cty. Historical Societies along with Williamsport and Otterbein American Legion Posts also brought this project to life.

On October 25th, David D. Porter Camp 116 went home! The Camp returned to Valparaiso's Memorial Opera House, where the Chaplain Brown GAR Post 106 originated.

That evening, Camp 116, with the help of Co. D, 27th Indiana, SVR, rededicated the building once again. The program began with music provided by the 30-member Valparaiso University/Community band. The Director of the Opera House and Porter County Board of Commissioners welcomed the SUVCW to their new home and spoke on the history of the Opera House and its place in the community. SVC Jack Shaw joined them in a ceremonial ribbon cutting ceremony. The band finished with the Battle Hymn of the Republic to which followed three volleys were fired by the 27th SVR and Taps was played by Br. Steve Mockler.

Valparaiso's Memorial Opera House was originally built by Post 106 in 1893 and named Memorial Hall. Early guests included Teddy Roosevelt, John Phillips Sousa and the Marx Brothers. It was listed on the National Register of Historical Landmarks in 1984.

KANSAS

Rufus Anderson was born into slavery in Nashville, TN, and as an adult, escaped on the Underground Railroad, to the free state of Kansas. He then enlisted at Fort Scott in the 1st Kansas Colored Vol. Inf. A year later, the 1st Kansas CVI became the 79th USCT. This unit suffered more casualties than any other Kansas Civil War regiment.

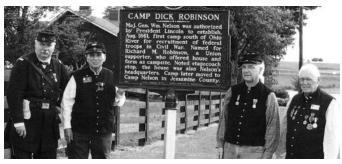

After the war, Pvt. Anderson lived in Humboldt, KS. His grave was unmarked until a local historian helped his family apply for a VA marker. In September, the Dept., Pvt. Anderson's descendants, the historian, the high school band, and a color guard from the Chanute, KS, American Legion united to perform the traditional GAR dedication service. Approximately 40 others also attended.

Br. Jerry Reiman, who recently retired, completed cleaning about 1100 Civil War headstones. He began cleaning headstones in the Topeka Cemetery in the summer of 2013. He began the once-a-month project with Old Abe Camp 16, but soon made the cleaning an almost daily ritual. Br. Reiman did have a listing of Civil War gravesites in Topeka and Shawnee County. His next task will be to clean the markers of black Civil War soldiers at Mt. Auburn Cemetery. When he finishes, he will have cleaned Civil War headstones in eleven cemeteries. Br. Reiman's service was covered in the Topeka Capital-Journal and on Wichita's KAKE

KENTUCKY

Sgt. Elijah P. Marrs Camp 5 recently took advantage of a Kentucky Historical Society grant to fund the restoration of an historical marker for a forgotten Civil War Site. The marker denotes the location of Camp Dick Robinson, Kentucky's first Union camp. Years of weathering had made the sign nearly illegible.

The Camp, located in Garrard County, was established in 1861 to serve as a recruitment and training base for loyal Kentuckians and east Tennesseans. Founded by Navy Lt. (later MG), and Kentucky native, Wm. "Bull" Nelson, the Camp was considered the first violation of Kentucky's neutrality. As the war moved into Tennessee, it lost its value. The site became Camp Breckinridge for the Confederates during the Kentucky campaign of 1862.

Other Union notables who served at Camp Dick Robinson were George Thomas, William T. Sherman and Andrew Johnson.

NEBRASKA

On August 24th, the Dept. and SVR Rangers dedicated new headstones in the rural Best Cemetery near Battle Creek. The Civil War veterans honored were: Pvt. Marsee J. Best, Co. I, 8th Iowa Cav., and Pvt. John T. Wollert, Co. A, 141st Ill. Inf. Over 50 members from both families gathered for the ceremony. 82-year old Sr. Donna Besst Chellew (DUVCW) traveled from California to honor her ancestor.

Sgt. Rick Marx, PDC Norm Weber, Chris Weber, Audie Tejkl, DC Bill Dean, PCC Mark Glaubius, Trent Bosler, Chap. Glenn Kietzmann. Phil Hart, Damien Knight, Battle Creek American Legion Color Guard, and OD Tom Hughes.

On September 6th, the Departments of Nebraska and Iowa, and 1st Nebraska Inf. Vols. dedicated a headstone for Gottlieb Hoyer at Omaha's Prospect Hill Cemetery. He was born in Prussia in 1822 and came to the US in 1840 at age 17. He enlisted in the 9th New Jersey Infantry as a bugler and served in several companies and mustered out with distinguished service. He was also a band director for the regiment. His regiment served in the

NEW YORK

On October 25, Col. John B. Weber Camp 44 rededicated the tombstone of Comrade Charles Alvin Orr in Buffalo's Forest Lawn Cemetery. At fourteen years old, Charles Orr attempted unsuccessfully to enlist in three different units after his older brother, Robert, died at Fredericksburg. Ultimately, he enlisted in September 1864, as a private in Co. G, 187th New York Vol. Inf. Pvt. Orr was mustered out on July 1, 1865 at 17 years of age. He was awarded the Medal of Honor on March 22, 1898. While under heavy fire, he and two others rescued several wounded men during the Battle of Hatcher's Run, Va., in October 1864.

Thoughts on service

"As each has received a gift, use it to serve one another." 1 Peter 4:10

"So He got up from the meal, took off his outer clothing, and wrapped a towel around his waist. After that, he poured water into a basin and began to wash his disciples' feet, drying them with the towel that was wrapped around him." John 13:4-5

Our loving God calls us to loving service. During my association with the SUVCW, I've met many examples of unselfish service.

One of the greatest examples of this was Clark Seum. I first met Br. Seum when I joined the Sons in 1992. Clark had joined the Sons over 50 years ago in Washington State, while serving in the Navy after the Korean War. He later relocated to Moffett Field, and joined Phil Sheridan Camp 4. During the 1970s and 80s, when Sons membership fell dramatically, Clark remained faithful.

After his military service, Clark served as an Industrial Chaplain with FMC in San Jose. After his retirement, Clark continued to voluntarily serve as Chaplain for a number of organizations, including the American Legion, the Sons at Dept. and Camp levels, and the San Jose Police Dept. He had a pager and was on call 24 hours a day to minister to crime victims and their families.

I was blessed to know Br. Seum well. Not just through our association as Brothers in the Sons, but on a personal level also. When Clark's wife was ill and at San Jose Hospital, Clark would stop in and visit after seeing his wife. I lived about a half block from the hospital. After she passed away, he'd come by occasionally and we would talk, sometimes for hours. Clark got to know my family well, also. Later, as I was going through a difficult time, Clark would call me regularly, checking to make sure I was OK. His prayers helped carry me through.

Clark continued to serve others until his illness made it impossible. His unselfish devotion and service to God, Country, Community, and the Order was an inspiration to me.

IOWA SOLDIER HONORED By 1Lt. David Lamb

On September 20th, the 49th Iowa rendered honors to Pvt. Thomas Dorsett, Co. H, 27th Indiana at Crescent. Pvt. Dorsett had lain in an unmarked grave until a gov't stone was received and placed last May. Descendants came from Western Iowa, as well as Arizona, California, Arkansas, and South Carolina.

Dorsett served his nation from 1862 to 1865 before coming to the Council Bluffs area, where he was a carpenter and farmer. He died in 1926. It is believed that Pvt. Dorsett may have been a prisoner at Andersonville. The regiment will conduct further research.

Before departing the cemetery, the brothers were presented with "goodie bags" by the grateful family, containing a variety of delicious home-baked cookies and a memento of the day's event created by them.

On November 15th, the SVR's Commanding General presented the following awards:

Distinguished Service Award with Gold Star:

Lt. Col. Jack G. Grothe for outstanding service as 4th Military District Cmdr. for 20+ years; longer than any other in SVR history. During his tenure, district membership more than doubled, reaching over 300, with more active units than any other district. Reporting was always complete and on time. Under his leadership, the district conducted the military component of the annual Lincoln Tomb ceremony in Springfield, Ill. For several years, he coordinated the district's annual artillery school, in conjunction with the Nat. Civil War Artillery Association. This event is held at Jefferson Barracks in St. Louis on odd numbered years and in Boscobel, Wis., on even numbered years, attracting about 100 participants each year.

Maj. Eric J. Schmincke, for outstanding service as SVR Provost Marshal since 2007 and prior to that, service as Deputy Provost Marshal. As Provost Marshal, he was responsible for forming up the Remembrance Day SVR Military Parade, held each November in Gettysburg, Penn. The assignment requires great leadership skill and a lot of patience, working with numerous organizations and thousands of people who participate in this outstanding event. The parade ran smoothly regardless of weather or other variables beyond our control. His efforts in making the parade the great success that it is has brought great credit to him and the SVR.

Capt. Jerome Kowalski, SVR Nat. Chaplain, for outstanding spiritual guidance since 2011. The 4th Military District has benefited from his service as its Chaplain for several years too. He's been very faithful; attending the annual SVR breakfasts in Gettysburg and at the SUVCW's Nat. Encampment, providing an inspiring invocation and benediction at each. He's also assisted with the Woolson Monument ceremony at Gettysburg, the Lincoln Tomb ceremony in Springfield, Ill., and the Stephenson ceremony at Petersburg, Ill., and has provided counseling to SVR members in distress.

THE LINCOLN MEMORIAL

By PDC Robert Wolz, National Historian

Following the death of our 16th President, national sentiment demanded a proper national memorial. As early as 1867, Congress incorporated a Lincoln Memorial organization. Unfortunately, a recession soon hit and donations were insufficient to begin the project. Construction died for lack of support.

In 1900 and every couple of years after, new memorial proposals were made, but defeated in Congress. In 1910, Congress finally approved the design and location we now know in Washington. The cost: nearly \$3 million. Pres. William Howard Taft chaired the commission. Construction began in 1916 and while World War I slowed its progress, it was completed in 1922.

The dedication took place on May 30th, 1922, under the auspices of the GAR and MOLLUS. Robert Todd Lincoln was present. Former President Taft presented the monument to current President and Sons' member Warren Harding.

Each year since, MOLLUS has invited the Sons to participate in the Lincoln Birthday celebration at the memorial. The President or his representative places a wreath for the U.S. people, followed by various patriotic orders. Here are some photos of our participation through the years.

Annually, the Memorial receives more than three million visitors, making it one of the most popular attractions in Washington.
