# The Frankford Civil War Memorial

Cedar Hill Cemetery  
Frankford & Cheltenham Aves.  
Philadelphia, PA

The Sons of the Union Veterans of the Civil War and the Frankford Memorial Project is seeking funds to aid in the restoration of the monument. The graves of 33 veterans are spread in a circle around the monument. Through efforts of the committee and many donors, the gravestones were recently replaced. This was phase 1 of the project. Phase 2 entails restoring the monument itself. Time and weather has taken its toll on the monument. The cost of the restoration is just over \$14,000. To date, we have raised all but \$3000. We are hoping to finish raising the funds by years end so that we can have a date in the spring for the restoration.

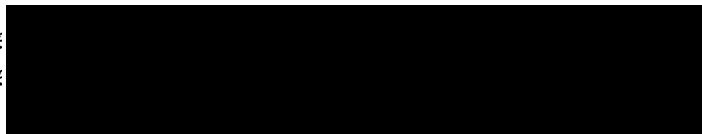

We are seeking individuals or organizations that will undertake the task of helping us offset this cost. We are also accepting public donations in any dollar amount from individuals who wishes to help with this noble project so that one day, this monument along with the graves of those interred will be restored to its great and honorable beauty that was a tribute to those who served from the Frankford community.

Checks can be make out to the Frankford Civil War Monument Fund and sent to:

Tony Matijasick  
21 Kernel Lane  
Levittown PA 19055

For more information, please feel free to contact:

**Re: Frankford Civil War Monument (dedicated July 4<sup>th</sup>, 1867)  
Cedar Hill Cemetery  
Philadelphia, PA**

Dear Tony,

Kreilick Conservation, LLC is pleased to submit this proposal to conserve the Frankford Civil War Monument, located in Cedar Hill Cemetery, Philadelphia, PA.

Kreilick Conservation, LLC will:

- erect scaffolding to access the entire Monument,
- wash the Monument with non-ionic detergent, clean water, and non-metallic bristle brushes,
- apply a biocide to the stone to remove organic growth and the staining caused by it,
- consolidate the stone to improve granular cohesion and to increase the strength of the stone,
- fill cracks with micro-injection of grout up to ¼" from the surface,
- fill top ¼" of cracks with color-matched restoration mortar,
- stabilize top stone w/ eagle to prevent rotation, and
- provide a report documenting each step of the treatment. The report will include our recommendations for subsequent maintenance of the Monument.

The price for this Scope of Services is \$14,400. This price is inclusive of all labor, supplies, travel, and liability insurance. A breakdown of this price is provided below.

This proposal is subject to the attached General Terms of Agreement, which are incorporated into this proposal by reference and made a part hereof. If you are in agreement with the Scope of Services, Terms, and Conditions of this proposal as presented herein, please sign and date one copy where indicated and return to our office. When executed, the proposal, together with the General Terms of Agreement, will constitute our Professional Services Agreement.

Upon receipt of the signed Agreement, and the initial payment, it is anticipated that the project will take 8-10 weeks to complete.

The Conservator will receive payment as follows: one-half (1/2) with signed Agreement, and one-half (1/2) when the treatment has been completed. These payments are not subject to payments by third parties, nor are they subject to retainage.

This proposal is valid for sixty (60) days.

## About Us

[About us](#)

[Staff](#)

[Awards](#)

[News](#)

Kreilick Conservation, LLC provides laboratory and field analysis of materials, condition assessments, emergency response and stabilization, treatment, documentation, and maintenance of architecture, monuments, sculpture, and objects.

Clients include local, state, and national public, private, and non-profit entities involved in the conservation, restoration, and rehabilitation of our cultural heritage.

Kreilick Conservation was established by Conservator and Metallurgist T. Scott Kreilick as a sole proprietorship in 1996 and, subsequently, became a Limited Liability Company in 2002.

The company's offices and studio are located in Oreland, Pennsylvania.

PDC, Chair  
SUVCW  
6519 Cherokee Lane  
Cedar Hill MO 63016-2527

Dear Bob,

It was a pleasure to meet you on Remembrance Day. As per our conversation, I have enclosed the application for a memorial grant. I have also enclosed the estimate along with a few other documents. If you need any information whatsoever, please feel free to contact me any time, any day at [REDACTED]

As of this writing, we are only in need of an additional \$2558 to complete this project. With your grant and a pledge from our camp to match it, we will be well on our way to a spring time restoration date.

This project has been a dream of Bud Atkinson's for the past 20 years and now it looks like that dream will finally be fulfilled. Any help you can give in obtaining funds is greatly appreciated. If the committee makes its decision, can you please notify me as soon as possible so that I may know when funding will be available? Thanks you,

In F., L., & C.,  
Sincerely,

  
Tony Matijasick
