Remembrance Day - 1994

The annual Remembrance Day ceremonies were held in Gettysburg on November 19th, 1994. Led by Commander-in-Chief Harrison, the event again proved to be a fitting tribute to the Grand Army and the anniversary of President Lincoln's Gettysburg Address.

A program of addresses and Memorials was given at the Visitors Center. The traditional parade began at 2 PM and proceeded down Steinwehr Avenue. By most estimates, over two thousand uniformed participants marched through the streets.

At the Comrade Woolson Monument in Ziegler's Grove several addresses were made and wreaths presented by the Allied Orders. Comrade Woolson was the last survivor of the Grand Army of the Republic. Allen W. Moore, Past Commander-in-Chief, was Master of Ceremonies.

HOUSTON CAMP TO MAINTAIN ONLY FEMALE GAR MEMBERS GRAVE

The Brothers of the recently organized Lt. Cmdr. Edward Lea USN Camp No. Two of Houston, Texas, have taken on the project of maintaining the gravesite of the only female member of the Grand Army of the Republic - Sarah Emma Edmonds. Camp Commander, Danial F.B. Lisarelli, explained that it would be an honor for the Camp to assist in the maintenance of Sarah's gravesite which is located in the Washington Cemetery located near Houston.

Sarah Emma Edmonds, born in Canada, enlisted in the Second Michigan Infantry Regiment in Flint, Michigan, in April 1861, under the name of Franklin Thompson. For two years, she served as a soldier, scout, brigade postmaster and staff orderly until an illness revealed her identity. She served out the war as a nurse. Moving to Texas, she married Linus Seelye, and was known locally as Emma Seelye. She was granted a U.S. government pension for her service during the war, and became a member of the George B. McClellan Post, Grand Army of the Republic, becoming the only female member of the GAR. Sarah wrote a book, *Nurse and Spy in the Union Army*, about her soldiering experiences during the war. Many of her papers are housed in the Rice University Archives. Her exploits are mentioned on two state historical markers - one in Houston, Texas at the Washington Cemetery, and one in Flint, Michigan, at the Genesee County Courthouse where she enlisted as Franklin Thompson.

Emma Seelye grave - second from left

Sarah died in 1898, and she was buried in Washington Cemetery next to her Comrades of the war. She has a government headstone which is simply inscribed - Emma Seelye - Army Nurse.

The Lt. Cmdr. Edward Lea Camp now has 12 members and is the second Camp to organize in Texas. The Brothers of the Camp are actively involved in several preservation projects, and look forward to recruiting new members and promoting our Order.

1. First of all, I wish to acknowledge and thank Brothers Don Everett and Gary Gibson of Michigan for arranging a very enjoyable reception and banquet for me on 22 October in Lansing, Michigan. The evening and the roast proved to be very memorable - especially some of the gifts.

2. On 13 November, I and Margaret Atkinson, National Auxiliary President, were most fortunate to be able to participate in the dedication at Gettysburg, Pennsylvania of the new state of Maryland monument to its soldiers, both north and south, who fought there. The ceremony was one of best that I have ever attended. The Governors from both Pennsylvania and Maryland, along with many military and civilian dignitaries were present. The ceremony was conducted with precision and was most impressive. I am also pleased to report that our own Sons of Veterans Reserve (SVR) comprised an integral part of this ceremony and accounted for themselves most admirably.

3. On 19 November, I was back in Gettysburg for a very impressive Remembrance Day Parade and Ceremony sponsored by the SVR, an excellent dinner sponsored by the Pennsylvania Department and a Military Ball sponsored by the SVR. I strongly encourage anyone who has not yet attended the annual Remembrance Day activities to do so. It is very memorable. I would like to personally thank the Michigan Department SUVCW Color Guard-SVR, for the very large and impressive turnout at the Remembrance Day program; I was very pleased and highly honored.

4. I am very pleased to report that the newly instituted practice of submittal of written or verbal quarterly reports by your elected and appointed National officers and committee chairs was met with almost 100% success for the first quarter. This is a new procedure which was instituted this year. In the past,

the Order has always waited until the end of the year to have its national officers and committees present their reports. By that time, however, it was either too late to take advantage of favorable circumstances or too late to correct problems. With the current quarterly reporting process, the Council of Administration, your Order's "Board of Directors", is afforded an opportunity to make informed and necessary adjustments in the direction of the Order during rather than at the end of the year. The next quarterly reports are due to me by 19 February, 1995.

5. I also wish to report that the November Council of Administration meeting was probably one of the most productive (in

terms of the short time allocated for it) that I have attended in years. Your Council of Administration members came with prepared motions and focused rather than unstructured, tangential and unproductive discussions. I fully believe that this new format will allow us who sit on your Order's Council of Administration to be much more effective in our dealings and more responsive to the Order and its needs.

6. Since my election I have had the honor and privilege of conferring a Certificate of Merit and National Aide status on the following Brothers: Philip E. Faller and Martin Ahlvin, Mississippi (representing the Commander-in-Chief at a Union soldier's grave site ceremony in Mississippi); Stan Prater, Missouri (representing the Commander-in-Chief at the dinner reception for the incoming President of the Daughters); Aram Plante and Jan Ouhrabka, Rhode Island (exceptional organizational work in Rhode Island); and Danial F.B. Lis-

arelli, Texas (representing the Commander-in-Chief at the charter Camp meeting of the Lone Star Camp #1 in Texas).

During the same period, I have had the pleasure of conferring certificates and National Aide status on the following Brothers for their membership recruitment activities: Charles Yates, Tennessee (5 new Members); Richard Greene, Michigan (5 new members); L. Dean Lamphere, Jr., Michigan, (5 new members); Terrance L. McKinch, Michigan (5 new members); David F. Wallace, Michigan (7 new members); Donald H. Workman, Michigan (17 new members); David Turpin, Iowa (5 new Members); Eugene Carpenter, Rhode Island (8 new Members); Richard Parmenter, Rhode Island (4 new Members); Brian Guiot, Rhode Island (4 new Members); Donald Marcum, Rhode Island (3 new Members); Douglas R. Knight, Massachusetts (5 new Members); William R. Ward, Utah (8 new Members); and Kenneth C. Nelson, Utah (5 new Members). I was particularly pleased to confer the title of National Aide on Keith Ashley, Ohio, who initially served as organizer and now serves as Camp Commander of the new Ohio Brooks-Grant Camp #7. In addition to organizing the Camp, Brother Ashley brought in 37 of the Camp's 54 total membership as new Members into the Order. Finally, I was very pleased to present, via National Patriotic Instructor Danny Wheeler, a Certificate of Merit to Post #961, Veterans of Foreign Wars in Ithaca, New York for its very generous donation of \$500 to the Grand Army of the Republic (GAR) Memorial Fund.

7. In March of last year, the current National Treasurer, Brother Richard Orr, announced that he would not be seeking another term as Treasurer at the end of his current term (August, 1995). In the past when issues such as this came up, we as an Order usually have done nothing and let fate take its course. We were fortunate to have had Brother Orr serve these last few years; however, we may not be so lucky in the future. I do not believe that this is the best way to approach such issues. I firmly believe that it behooves us as an organization to actively solicit and encourage qualified individuals who have the experience and talent for such a position to consider running. Because of the Order's large and continued growth, we

GENERAL ORDERS

now have a vast pool of talented Brothers who, if are made known of the upcoming vacancy in advance, might be willing to be considered for such a position. For those Brothers, enclosed in this Banner issue is a description of the position of National Treasurer. I strongly urge any Brother who feels that he could be an asset to the Order to consider the possibility of running for National Treasurer. The term would be for three years. For our newer Brothers who may not know, it helps if you wish to be considered for the position, that you obtain endorsement from your Camp to your Department Encampment and then from your Department Encampment to the National Encampment. For individuals in Camps-at-Large, you should seek endorsement from your Camp to the National Encampment. And finally, for Members-at-Large who wish to run for the office, you will need to place your own name into nomination at the National Encampment. Strongly consider the possibility of running. Our Order does best when we have individuals in positions who have both the interest and desire to do the work.

8. The Commander-in-Chief awards two \$1,000 scholarships on an annual basis. The availability of the Order's annual scholarships is becoming known of more and more throughout the country. I believe that this is a good for two reasons. First, it increases the pool of qualified candidates which in turn allows the Order to pick the most deserving; and second, it helps to get the name of the Sons of Union Veterans of the Civil War (SUVCW) out before the public. This year, the Order received over 20 requests for scholarship consideration. The pool of applicants was filled with some of the brightest and highly talented young people that I have seen. It was both a very difficult but most rewarding task that I have had to select the top two individuals for this year's scholarships.

The two recipients of the annual SUVCW scholarships for 1994/95 were Ms. Gretchen Kroger of Philadelphia, Pennsylvania and Russell C. Young of Mechanicsburg, Pennsylvania. Ms. Kroger is a member of the Anna M. Ross Auxiliary #1. She graduated from high school magna cum laude being in the top 5% of her class (#27 out of 550) with a grade point average of 3.9. Her Scholastic Achievement Test (SAT) score totalled

1,250 (610 verbal and 640 math). She is currently attending Rowan College of New Jersey majoring in elementary education with a history coordinate major. She happens to be also the granddaughter of PC-in-C Bud Atkinson and National Auxiliary President Margaret Atkinson. The second recipient, Mr. Russell Young, is currently finishing up high school and will be attending one of five colleges in the fall. Mr. Young currently ranks 17th out of a class of 222 and also exceeded 1,200 on his SAT. He is a member of the National Honor Society, German Honor Society, National Art Honor Society and was included in the 1994 edition of Who's Who in American High Schools. His great great grandfather was

Corporal Nathan Hale Baker of Company B, 10th Rhode Island Volunteer Infantry. He is interested in pursuing history in college.

The National Committee on Program and Policy is currently working on the development of an application and process to be used by future Commanders-in-Chief which should greatly help streamline this program.

9. Due to the lateness of the post-encampment Banner, the requirement placed onto Departments and Camps-at-Large to have a copy of their Bylaws into National Counselor, James Pahl, by 1 January is extended to 1 March 1995.

10. Among the National staff, there have been two vacancies. Brothers Russel Gregory and Vaughn Rawson, Banner Editor and National Camp and Department Organizer, respectively, have resigned. Both have done an exemplary job in their respective positions and deserve the accolades of

the Order. Both were given a Certificate of Merit for their work. I have appointed Brother Richard Greene (9245 Willits, Mayville, Michigan 48744; 517-843-5967) as the new National Camp and Department Organizer. An ad hoc committee of the Council of Administration is currently seeking a new editor of the Banner for consideration by the full Council of Administration. During the interim, all articles should be sent to the National Secretary, Dave Wallace (7017 Granada Lane, Flint, Michigan 48532).

11. One of our newest Camps-at-Large, the Lot Smith Camp #1, Salt Lake City, Utah, has offered to assist Brothers and applicants FREE OF CHARGE in researching Civil War military records. According to Camp Commander William Ward, the Camp is uniquely placed to be a resource to the National Organization in terms of its access to personnel records of the Civil War. Many of the Camp's Brothers participate in the Civil War Soldiers System project of the National Park Service, Genealogical Society of Utah and the Federation of Genealogical Studies. Brother Ward is currently the user specialist assigned to producing a finished CD-ROM set from the records when complete. In addition, Brother Ken Nelson, the Camp's Senior Vice Commander, is the LDS Family History Library's expert on American military records with special interest in Civil War and GAR records. Brother Ward may be contacted by writing to William R. Ward, Commander (Lot Smith Camp #1 - SUVCW, P.O. Box 11592, Salt Lake City, UT 84147-0592). His e-mail address is:

12. Brothers are reminded and urged to send their donations to both the Senior Vice Commander-in-Chief's and the GAR Memorial Funds. Both funds are integral to the operation of our Order. Donations to the Senior Vice Commander-in-Chief's Fund may be sent to Senior Vice Commander-in-Chief David Medert (16 Shawnee Drive, Chillicothe, Ohio 45601-1148). Donations to the GAR Memorial Fund may be sent to National Patriotic Instructor Danny Wheeler (501 Willow Ave., Ithaca, New York

the area of research and for his work in preserving our Civil War heritage. The September 1994 issue of *Civil War Times Illustrated* has an article on Mark's mural portraying the battle of the brickyard in Gettysburg. Next time you are there make it a point to go and see it.

SENIOR VICE-COMMANDER IN CHIEF'S FUND

The BANNER joins with Senior Vice Commander in Chief David Medert in appealing in donations for the Senior Vice Commander in Chief's fund. Contributions, which have averaged five to seven hundred dollars per year, are down according to Brother Medert. So far the total received since the National Encampment is only three hundred dollars.

The fund was established by the Order to be used for special programs. One of these programs is the advertising fund which allows the Order to place informational recruiting ads in Civil War related publications. Last year these ads resulted in 340 inquires which proves their value as a recruiting tool.

On the back page of this issue is a form for sending you contributions to the fund. Please take a moment and send a check to keep our Order growing.

Central Regions Conference

The Central Regions Conference will be held in Kokomo, Indiana, on October 7 and 8, 1995. Dr. Gary Dolph, Department of Indiana Commander, is the general chairman and has made arrangements for the conference to meet at Indian University in Kokomo. Hotel accommodations and program arrangements are being developed by Dr. Dolph and his committee.

The Central Regions Commander, Alan Loomis, would like to remind Department Commanders and Presidents that the discussion sessions will focus on President Benjamin Harrison and the proper display of the flag based on the federal flag code. Each Department is requested to research and be prepared to present pertinent information linking persons, military units, or political activities to the military and political career of Benjamin Harrison. The most recent copy of the flag code in the Commander's possession is the "Public Law 94-344 - 94th Congress, S.J. Res. 49 July 7, 1976." It is recommended that Department, Camp, and Auxiliary Commanders and Presidents obtain copies or encourage members to obtain copies of the above mentioned flag code, or its revision, through their Senator or Representative.

Dear Brothers;

I would like to take this opportunity to encourage you to participate in the History Book project. This is an excellent chance for all of us to honor our ancestors and perpetuate the memory of the Grand Army of the Republic.

Please take just a few moments to either write a short biography, or fill out the form and have the publisher write it for you. remember there is no obligation on your part, but don't you think your children or grandchildren would like to know about you and your veteran ancestor?

I am very excited about this book, and I hope you will be too.

In F., C., & L.,

13. Camp and Department Commanders are reminded that copies of fully completed applications must accompany their quarterly reports for every new Member or Associate being reported during that quarter. There are no exceptions to this.

14. At the 113th National Encampment, the Order approved the category of Juniors (Junior Sons) within the SUV CW. This new classification does not represent a new "Member" category or authorize a lowering of the current minimum age (14 years) for a Brother. Briefly, Juniors are boys 8 to 14 years meeting the same eligibility requirements as a Member (no Junior Associates) but who cannot vote or hold any elected office, and for whom Camps and Departments do not have to pay per capita tax on. Juniors cannot be counted towards Camp or Department membership totals and will not receive a Banner. Juniors may be charged dues if so determined by the local camp. It is optional for Camps to have Juniors. Departments do not have to authorize the new category for Camps to take in Juniors; however, Departments can, by vote at its upcoming 1995 Encampment, prohibit its local Camps from having Juniors. It is anticipated that only those boys who have a relative in the local Camp will be voted in by that Camp. It is also expected that any Brother who brings a Junior into the Camp will assume all responsibility for the boy while he attends Camp functions. I would strongly encourage Camps to consider and Departments not to prohibit the inclusion of Juniors in our ranks. We as an Order have a tremendous opportunity to involve our sons, and to serve at a critical time period in their development, as a positive role model in terms of such attributes as appreciation of history, love of the flag, patriotism, citizenship, fraternity, charity and loyalty. Let us not lose this opportunity to help ensure the perpetuation of our Order and the memory of the GAR.

15. Pursuant to the National Regulations, a difference exists between Standing and Special National Committees. Standing Committees will reoccur yearly until such time that a National Encampment decides otherwise and amends the regulations. Special Committees are created for a specific purpose and a specified period of time

(usually one year). Special Committees cease to exist after that time period unless it is felt by a National Encampment that they are still needed. The National Organization currently has 12 Standing Committees (Program and Policy, Constitution and Regulations, Membership, Encampment Site, Legislation, Military Affairs, Americanism and Education, Lincoln Tomb Observance, Remembrance Day, History, Fraternal Relations and Graves Registration). The National Organization also has (this year) seven Special Committees (Blue/Gray 1999 Encampment Investigation, Computer Software Standardization, Banner Printing & Distribution, Real Sons & Daughters, National Headquarters Fund Committee, Life Memberships and Grand Army of the Republic Memorial Foundation). I point this out because in the past, several Special Committees have almost been given a defacto status of a Standing Committee and/or were continued way beyond their usefulness. In order to help correct this problem, I had hoped to have had the above distinction highlighted in the last Banner's listing of National Committees. Unfortunately, the distinction did not get printed.

16. Appointments to the last two Special Committees (Life Memberships and Grand Army of the Republic Memorial Foundation) for this year will be finalized in March. If any Brother has a desire to serve on either of these committees, please let me know.

17. I hope that everyone had a very happy holiday season and I trust that your new year will be rewarding in Fraternity, Charity and Loyalty.

PC-IN-C PRESENTS EAGLE SCOUT RECOGNITION

by: Margaret E. Atkinson, National President- Auxiliary to SUVCW

Past Commander-in-Chief Elmer "Bud" Atkinson presented Eagle Scout recognition certificates to two Eagle Scouts, on behalf of the Sons of Union Veterans of the Civil War, at their Court of Honor held in Philadelphia on December 28, 1994. James McCullough and Daniel Price achieved the rank of Eagle Scout and were presented their awards at the ceremony held in their honor by Boy Scout Troop No. 288 at the Bethesda Presbyterian Church. He is pictured here with Eagle Scout Price (left) and Eagle Scout McCullough (right).

Eagle Scout Daniel Price, 18, is currently a freshman attending Purdue University, where he is taking courses in Aeronautical Engineering. He is a 1994 graduate of Northeast High School in Philadelphia, and plans to become an astronaut. Eagle Scout James McCullough, 17, is a Junior at Holy Ghost Preparatory School in Philadelphia, where he is taking college preparatory courses. He holds a keen interest in journalism and excels in swimming.

(Editor's Note): The Eagle Scout Recognition Program is an excellent manner in which to recognize the important achievement of these young men, and also to promote our Order within the local community. Let your local Scout office know about the program and that someone from your Camp is available to present a certificate at the Court of Honor. The Recognition Certificate is available through National Supply, and is on the 1995 National Supply Form included in this issue of the Banner.

The 113th National Encampment of the Sons of Union Veterans of the Civil War voted to honor all Real sons and daughters of Union veterans. As a result, a Real Son, whose father served in the Union Army during the Civil War, will receive honorary Life Membership, while Real Daughters will receive Honorary Membership in the SUVCW. In addition, both will receive a Certificate of Recognition, suitable for framing, acknowledging their status as a Real Son or Daughter. Please note that an honoree need not be a current member of the Allied Orders in order to receive this recognition. Names of potential honorees, along with a summary of their father's service, should be directed to: Jerome Orton, Chairman, Real Sons and Daughters Special Committee, P.O. Box 233, Syracuse, NY 13201-0233.

National Treasurer, Richard D. Orr, reports that our Order has received a bequest in the amount of \$4,858 from the estate of Past Commander-in-Chief Cleon Heald. The terms of the bequest establish the "Cleon Heald Memorial Fund" for one year, after which it is anticipated that the balance of the fund will be transferred into the GAR Memorial Fund. Brother Heald served as Commander-in-Chief of the SUVCW in 1950.
