# Let's Fight for America and the American Way of Living!

To the Sons of Union Veterans of the CIVIL WAR:

We, the Officers and Members of the Sons of Union Veterans of the Civil War, should not forget that the Forefathers of this County said: "We hold these truths to be self evident, that all men are created equal; that they are endowed by their Creator with certain inalienable rights; that among these are Life, Liberty and the pursuit of Happiness.

We should not forget that our Fathers fought, bled and died for the purpose of preserving these rights, not only for themselves and their families, but for all the citizens of this fair land, and for all those who cared to come and enjoy the freedom and blessings of the United States of America.

We, the Sons of Union Veterans of the Civil War, who all our lives have enjoyed the freedom, grandeur, justice and liberty of this Country, whose Schools, Colleges, Universities and Free Institutions have been and still are open to us; with memories of the sacrifices and sufferings of our Fathers; with Libby still vocal with the echoes of suffering; with the memory of Bell-Isle, Sallsbury, Millen and Andersonville lighted as though with the lurid fires of Hell; blessed by being entitled to our heritage; nearing the days when the Grand Army of the Republic will be no more; with our promises and pledges back of us to carry on and tell the story when the Boys in Blue are gone; whether you realize it or not the time is here when we must buckle on the armor and go forward in the fight to maintain and protect what has been handed down to us.

Now the question is up to us. Are we going to wither and die, or are we going to grow and grow and grow? Our Fathers volunteered to serve in the Army of the United States three years. Your Commander-in-Chief is now asking that you volunteer some of your spare time to this cause, that by your efforts you awaken the necessary impulse in your neighbor and friend who has the honor and distinction of being a Son of a Union Veteran, to join our ORDER, with the full knowledge of his heritage, and with the purpose of becoming a useful member with a determination to fight if need be for America and the American Way of Living.

Come on Boys! Fall In! We should complete a good year's work, then march straight to Indianapolis for the National Encampment, start in ample time and be sure and be there the week of August 28, 1949.

#### ADDRESS CHANGE

Past Commander-in-Chief Charles F. Sherman, 51 Woodridge Circle, Bridgeport 19, Conn.

The following Brothers having secured five or more members to sign applications and become members of our Order, have been by me appointed "Special Aides":

C. Edward Wetzel, Past Dept. Commander of Ohio, 803 Haynes Street, Dayton, Ohio, Zone 10.

Joseph G. Gilliland, of 610 Court Drive, secured 26 names for a Charter List, for the New Camp at Fostoria, Ohio.

Past Dept. Com. James O. Smith, of 919 East Johnson Street. Madison, Wis.

Before the September Banner is printed the 1949 National Encampment of the Grand Army of the Republic at Indianapolis will be held. Some have said this will be the last Encampment of the Grand Army. Let us hope not, but anyway that will be in the province of its members, who shall meet in Indianapolis the week of August 28, 1949. We shall hope and pray they will in some way, and some how, continue to the last man.

On Monday night, at seven o'clock, P. M., August 29, 1949, the Indiana Department will exemplify the Ritual in the Rainbow Room of Hotel Severin. I hope that all Departments who can will have one candidate or more then and there present for initiation. The Indiana Department will do their best, and it will be worth attending. I am sure they will give us some inspiration. Be sure

The Grand Army of the Republic has been with us ever since our organization and we have basked in the sunshine of their glory. No one will deny it has been very helpful for us, and very gratifying to us that we in turn might do something for them in their declining years, which I am sure has been done as the opportunity presented itself. Now they are nearly gone; the future of the Grand Army of the Republic, its future doings and public functions in all probability will be settled at the coming National Encampment of the Grand Army of the Republic, at Indianapolis, Indiana, beginning August 28, 1949, by its remaining members; but what-

ever its future may God bless them and keep them happy and free from pain and suffering to the end.

Therefore your Commander-in-Chief admonishes you to give the future and welfare of our Order most serious thought; ponder well its future during the coming month; come to the Encampment with a sincere desire and purpose of accomplishing something; give the benefit of your thought and your presence, that we as the National body of the Sons, can hold council together, and come out with a constructive and settled purpose, one that every member believes in, and can work for. Be sure and meet me at Indianapolis.

#### IN MEMORIAM

Sympathy is extended to the family of Brother John L. Reeger of New Jersey, who passed away on June 16. Brother Reeger maintained a continuous membership for over sixty years during which time he served as Department Commander in 1924, as Department Secretary-Treasurer from 1915 to 1924, and again from 1928 to 1942. Brother Reeger served the National Organization as a member of the Council-in-Chief from 1936 to 1938, and always took an active part in the affairs of his Camp, his Department, and the National Organization.

#### CENTRAL REGION

The next conference of the Central Region will be held in Decatur, Ill., on October 15 and 16. Headquarters will be at the St. Nich-For National Encampment olas Hotel, and all meetings and the banquet will be there also. All who want Hotel reservations should write that hotel direct and do so at once. Difficulty was experienced in getting a hotel to entertain the conference on account of the close co-operation they give to the University of Illinois to take care of football crowds.

Decatur is the place where the Grand Army was born and a program is being prepared for the presentation of information on this fact. The building where the first Post was organized is still there, although it has been considerably remodeled. Decatur is only 40 miles from the Lincoln country around Springfield and New Salem, and those planning to attend the conference should plan to visit all those famous places, en route to or from the conference.

Dept. Commanders and Presidents in the Region should begin at once to urge a large Believed Identified attendance at the National Encampment from their Departments. Those who attend will feel proud in future years to think of the scene of the final muster out of Grand Army Encampments.

Dept. Presidents and Commanders are requested to send me as soon as possible the names and addresses of the new Dept. Officers. Copies of all your Dept. General Orders should be sent me also.

A telegram has just arrived from Congressman Thomas Martin of Iowa that the Bill authorizing the Post Office Department to issue a Grand Army Stamp has passed and will be placed on sale first at the National Encampment in Indianapolis on August 28.-W. The greatest curse that can be entailed on mankind is a state of war. All the atrocious crimes committed in years of peace, all that is spent in peace by the secret corruptions, or by the thoughtless extravagance of nations, are mere trifles compared with the gigantic evils which stalk over this world in a state of war. God is forgotten in war; every principle of Christianity is trampled upon .-

However, today I should like. with your permission, to devote the few minutes allotted to me as a time to refresh our memories on the origin and significance of Memorial Day.

This day I meet with you as a representative of the Sons of Union Veterans of the Civil War, an organization of direct male descendants of Civil War Veterans, whose main objective is the perpetuation of the memory of the men who wore the Union Blue and the proper observance of Memorial Day.

I am not unmindful of the fact that Memorial Day has come to mean a day when we honor those who served their country in all of its wars, but those of us who are veterans of later wars owe an unpayable debt for the heritage which is ours, to the veterans who founded this sacred day, namely, The Grand Army of the Republic.

At twenty minutes after four o'clock on the morning of April 12, 1861, a shot crashed against the granite walls of Fort Sumter. This was the initial shot of the greatest Civil War ever recorded in the history of civilization.

Perhaps one of the greatest, if not the greatest, contribution that this organization has made to our way of life is that of the Annual Memorial Day Observance which you and I are celebrating here today.

It might be well if we paused for a moment to refresh our memories on the origin of this Memorial Day.

In the spring of 1866, the year following the close of the Civil War, a group of southern women decorated with flowers the graves of soldiers buried in a nearby cemetery. These southern women placed flowers not alone on the graves of their Confederate dead. but in this same cemetery were buried men who wore the Union Blue. The graves of these Union Soldiers also received flowers from the hands of these noble women.

The story of this seemingly inconspicuous act of these southern women spread like wildfire throughout the North.

Following this incident, speakers, writers and newspapers carried the story and the poem, which you all know, "The Blue and the Gray," appeared in print

"Under the Sod and Dew Waiting the Judgment Day Tears and Love for the Blue Love and Tears for the Gray."

Butler, Farragut and a host of others led by In the spring of 1868, General John A. Logan, Commander-in-Chief of the Grand Army of the Republic, issued the first Memorial On June 2, 1865, Gen. We on this side watch it depart with tears and sadness, but to those of us who are left behind may we find courage in the thought that just beyond the horizon there is another shore where their comrades are waiting to welcome them with joy and gladness.

May our departed comrades and veterans of all wars find peace and joy around an eternal campfire, knowing that we are keeping faith with them and that so long as life remains we shall not fail in our promise to carry high the torch of remembrance, and in so doing we shall perpetuate the memory of our fallen comrades.

#### A Memory-Stirring May 30 Observance

The visit of Hon. Fred W. Cross, formerly the Civil War authority of the State Adjt. General's Office, to Appomattox and the exact spot where General U. S. Grant received the surrender of General R. E. Lee, on the anniversary of the historic meeting proved to listeners a vividly illuminating description of the scene he saw as well as his word picture of the memorable event. #### Death of H. S. Siggelko

It is with deep sorrow and regret that we record the passing of P. D. C., H. S. Siggelko. Bro. Siggelko has held every important office in Henry Harden Camp No. 2 to which he belonged and also in the Wisconsin Department. He has also held important offices in the Commandery-in-Chief and was a faithful attendant at all meetings. His untimely death, caused by the attack of a crazed assassin, will be a loss felt by all from his local Camp to the Commandery-in-Chief.

He could and did fill with dignity and zeal any office to which he was called or assigned. He will long be known as the grand man of the Sons in Wisconsin. As a Brother in the Camp, he gave generously of his time and money for its promotion and advancement. The last rites of Bro. Siggelko were well at-

tended by the high and the low. Henry Harnden Camp conducted the services at the cemetery and our Brother was laid to rest in the family mausoleum. A strong pillar for our cause has fallen much to our sorrow and grief.

#### Department Encampment

Our Dept. Encampment, held in the lovely city of San Diego, came too late for a report in the May issue, so I will try to give you the afternoon services were held in the Los some of the high lights. Our first meeting was a Memorial, held in the First Methodist Church of San Diego. Many beautiful tributes were paid by the representatives of the me that he and his daughter, Dorothea, were different affiliated patriotic orders. The tribute by Dept. Chap. Wood was the most touching. After the ceremonies were finished we listened to a sermon or lecture on the book, "The Big Fish."

We had with us throughout the Encampment Com .- in-Chief of the G. A. R., Theodore A. Penland. Although he had celebrated his 100th birthday in January he was as spry as a cricket; always seemed so happy and gay. When he arose to sing or speak, as he did several times a day, he came up as if propelled by springs. Everyone enjoyed his singing so much but I believe he enjoyed it most of all.

We had several joint meetings with the Auxiliary. Our Dept. Commander, Earl F. Riggs, and the Auxiliary President, his wife, Beatrice Riggs, formed a wonderful team of executives and those joint meetings were very profitable.

Dr. Ralph Barrett, Past Com.-in-Chief, and his lovely wife, Lena, Nat. Auxiliary President, attended most of the joint meetings, as well as the other meetings. Their talks were a great boost to the Encampment. We were sorry that a previous engagement made it impossible for them to finish the meetings

Bro. A. R. McKinney was elected Dept. Commander for the ensuing year, along with Bro. Ralph Garwood, Sr. Vice, and Geo. Boone, Jr. Vice. I was unable to get all the appointments so that will have to go over for next issue.

The contest for new members during the past year was won by Bro. Geo. Palmer, of Fresno, \$15.00; 2nd prize went to Bro. J. Sidney Bachtel, \$10.00; and 3rd prize of \$5.00 was pocketed by Bro. Curtis, of Long Beach. The Honor Banner for the Camp with the most new members went to California State Camp No. 1, of San Francisco.

The Encampment next year is to be held in the beautiful city of Santa Cruz.

Our new Commander of the California & Pacific Department, who has been printing the very popular "News Letter," writes me that it will be discontinued the first of the year.

Walter Smith, Dept. Counselor, had a very bad accident and injured his leg quite severely. At last report they were burning out an infection.

#### Calif. State Camp 1

The regular monthly meeting Tuesday eve ning in the War Memorial Bldg. was a small but enthusiastic one. We rejoiced over bringing home the Honor Banner. Our Auxiliary day afternoon to Longwood Gardens was a tied with Burlingame of Pasadena for the source of much pleasure to the two bus loads most members. Our Organizer, Bro. Bachtel, and some hard working members, brought in night" after the banquet in the evening, by ten new members in April and May. If some other Camp hopes to get the banner next added to the enjoyment of the occasion. year they will have to get out and hustle. It can be done. ## Our Memorial Day celebration was carried out in fine shape. We held G. A. R. services in 18 cemeteries, four on Saturday afternoon, the 28th, and fourteen on Memorial Day

On Monday, May 30, we attended services morning. By traveling in chartered busses and dividing our force into three details we still had our place in the parade which startwho turned out strong this year, with nearly a mile of mechanized equipment in line. Space will not permit an adequate description of the parade but with 14 Bands and Bugle Corps and the line of march crowded ed to our National President, Lena Barrett, with people our city gave a partial answer at
