4. I would like to call your attention to the appointment of Dr. John E. Martie of Reno. Nevada as National Patriotic Instructor. This is one of our most important offices in the National Organization, and requires the support of every one of our members. Most of our patriotic work is paid for from our G. A. R. Memorial Fund, so let's all get behind Brother Martie and contribute generously to his fund.

5. Our National Encampment in Boston took action to change the requirements for Life Memberships. Effective immediately, the fee for life membership is as follows: Below the age of 60, One Hundred (\$100.00) Dollars: from 60 to 70, Seventy-five (\$75.00) Dollars: and over 70, Fifty (\$50.00) Dollars. This can be paid over a period of one year, with at least one-third down payment. We have already received several applications for life membership under this new plan, and expect many more.

6. My sincere best wishes to National Presidents Agnes Davis of our Auxiliary, Edna McCready of the Ladies of the Grand Army of the Republic, Grace Broderick of the Daughters of Union Veterans, and to the National President of the Womans Relief Corps, whom I have not yet had the pleasure of meeting. May you all have a very successful and productive year.

THE LEGISLATIVE REPORT

On August 18 President Nixon signed into law H R 9798 which declared Abraham Lincoln's Springfield, Illinois, home to be a national historic site. The measure also authorized the expenditure of \$7.86 million for acquisition and development of the property to include a four-block area surrounding the homestead. The President affixed his signature to the measure while sitting at a desk in the House Chamber of the restored Old State Capitol located a few blocks from the Lincoln property. The legislation had passed both houses of Congress unanimously in the week just prior to adjournment on August 6. This action represented the culmination of several years' work on the part of Rep. Paul Findley of Illinois, who represents the Springfield area in the House. For many years the restored homesite has been under the jurisdiction of the State of Illinois as are the other Lincoln shrines in the Springfield area.

At press time the nation is without an extension of the military draft act. On August 4 just prior to the congressional recess, the House passed H R 6531 by a vote of 297 to 138. A vote in the Senate was deferred until the fall session due to intense opposition on the part of anti-war senators led by Sen. Mike Gravel of Alaska. Much of the opposition centered on the wording of the Mansfield Amendment. After a month of negotiations, a Senate-House Conference Committee agreed on July 30 to remove a reference to a date for the withdrawal of our military forces from South Vietnam. The committee substituted language stating that it was the "sense of Congress" that U. S. military operations in Southeast Asia should end "at the earliest practicable date" and that the President should begin immediate negotiations toward a Vietnam ceasefire, accompanied by arrangements for the release of U. S. POW's. The House vote on August 4 marked the first time that that body has gone on record in favor of any proposal calling for an early end to the Vietnam Conflict. Rep. F. Edward Hebert of Louisiana, chairman of the Conference Committee, defended the compromise by declaring that under its terms, "the President's options are kept free." Action by the Senate is expected within the next few weeks but not without considerable oratory.

4 * * During the 1971 session of the New Hampshire Legislature, the Granite State's flag abuse law was amended to strengthen penalties associated with the theft or unauthorized lowering of the U.S. or New Hampshire flags. Heretofore only a misdemeanor, the law now provides up to six months in jail and a maximum of \$1,000 in fines upon conviction of the illegal acts.

On July 27 Governor Richard B. Ogilvie of Illinois made it official when he signed legislation restoring the celebration of Abraham Lincoln's birthday to the date of his birth, February 12. Under the "Monday holiday" law passed in 1969, the Prairie State has observed the Emancipator's (Continued on Page Eight)

RESOLUTIONS ADOPTED

From the Department of Pennsylvania: We support the action pending to restore United States Citizenship to General Robert E. Lee.

From the Department of Pennsylvania: We oppose the erection of the so-called "Tower of One Nation" on the edge of the Gettysburg Battlefield, and commend Governor Shapp of Pennsylvania for his efforts to secure a permanent injunction to prevent it's erection.

From the Department of New Jersey: Whereas it is the responsibility of every American to understand and maintain this American way of life, and to pass it on so that it may be enjoyed by succeeding generations, BE IT RESOLVED that the Sons of Union Veterans of the Civil War supports:

- 1. The voluntary reading of the Holy Bible and the voluntary offering of prayers in our public schools and at public
- 2. The control of the public schools by the Sovereign States, regardless of the source of funds.
- 3. The reduction of government spending and the balancing of our national debt to curb inflation.

AUXILIARY CONVENTION NEWS

October, 1971

On Monday morning a Joint Opening ceremony for the Sons and Auxiliary was held in the Ballroom of the hotel. Natl. Chief of Staff Dorothy Klunck and Natl. Chief of Staff of the Sons P.C. in C. Leroy Stoudt presided. Natl. Aides of the Aux. marched into the room in double file carrying gold garlands and took their places in the center of the room. Past National Presidents and Past Commanders in Chief each carrying a gold star bearing the name of a state marched in and took their places between the Aides. National Officers of both the Sons and Auxiliary then marched in. As each was introduced they presented a short resume of the activity of their presiding officer during their membership in the Order. They then took places on the right and left of the Natl. President and Commander in Chief. The resume was printed on a small white star which was placed by the National Officers on the replica of the first flag bearing stars and stripes and a field of blue containing thirteen stars for the thirteen original colonies.

Following this presentation Natl. Comm. George Cashman and Natl. Pres. Eileen Coombs were escorted to the platform, presented their gavels and assumed command of the convention. They each thanked the Chiefs of Staff for lovely opening and the Sons then retired to their meeting room for their business sessions.

Natl. Pres. Coombs called the meeting to order at 9:45 A.M. After announcing convention appointments the altar was arranged, pledge to the flag was given and the Star Spangled Banner and America were sung followed by the recitation of the American Creed. Roll call of Officers, Past National Presidents, sitting Department Presidents, immediate Past Department Presidents, convention appointees and members of the convention committee was given. Each was presented with a remembrance from the Natl. Pres. The meeting was recessed at 11:40 A.M.

At 1:45 P.M. the meeting reconvened. Natl. Pres. Coombs read her report which was most interesting. It was obvious from the report that our President was a very busy lady all during the past year. Other National Officers report were then given. These reports were interspersed with Department reports.

At 3:00 P.M. we received into our meeting Mr. Clifton Rice. Mr. Rice is the Director of Community Relations of the New England Home for Little Wanderers who were to be the recipient of our G.A.R. Memorial of \$250.00 presented each year by our Natl. Patriotic Instructor. Mr. Rice explained the functions of the Home and told of the founding of the Home in 1865 originally for the treatment of emotionally disturbed children and how over a period of over 100 years they have extended their activities to include a variety of services. The Home serves approximately 1000 children per year. Mr. Rice extended the grateful thanks of the Home to our Organization for their generosity and his personal thanks for the splendid reception he received from our dele-

Following the reading of National Officers reports, which were turned over to the Committee on Officers Reports PNP Mildred Webster presented a testimonial of \$200.00 to the National President from the National Organization. Several announcements were made after which the meeting was recessed at 4:00 P.M.

On Monday evening the Annual banquet of the Past National Presidents and Past Commanders in Chief was

held. Exemplification of the Ritual took place on Monday evening - PDP and Natl. Personal Aide Susie Renell of Maine Department presided. This was followed by a Courtesy Hour honoring our Natl. Pres. and many beautiful gifts were presented to Sr. Coombs on this occasion.

The Tuesday morning session was called to order at 9:30 A.M. Natl. Pres. Coombs announced that the sitting Department Presidents had all met together with her at breakfast and formed their club to be known as Eileen's Golden Pages. At this time several of the clubs made contributions to the two money officers.

A letter was read from PDC James Blackman of Illinois Dept. in which he stated that since the Auxiliary played such a major part in the life of his wife PNP Eva Blackman he was enclosing a check in the amount of \$100.00 in her memory with the request that the Natl. Organization designate a memorial in Sr. Eva's name. It was voted a committee of three be appointed to review and decide on a memorial and to report back on Thursday morning. On Thursday this committee under the chairmanship of PNP Margaret D. Schroeder reported that they had met and after much discussion they had decided it would be nice to have a bronze bell-mounted on a wooden platform - suitably inscribed. This bell is to be used by each Natl. President as she presides at her Natl. Convention: A small gavel is to be a part of this memorial. After some discussion this idea was accepted and it was voted that this be taken care of during this next year and a proper presentation be made at our next Natl. Conv. to be held in Philadelphia in 1972.

Reports of Standing Committees were given and all were accepted by the convention. Following reports of Standing Committees reports of Convention Committees were received. All recommendations approved by the convention, a resolution presented pertaining to a change in the method of purchasing supplies in the future and a change in wording in the Regulations of the C.R. & R. will all be contained in the first order of the National President. More Dept. reports were given throughout the morning.

We were informed that it would be necessary to vacate our meeting room by 2:00 P.M. so a motion was made and seconded to declare a ten minute recess and then go into Nomination of Officers. Following the recess the credential committee reported 164 voting members present and 18 guests. A listing of the newly elected National Officers, with their addresses, appears in another part of this issue.

Following nomination of officers a Greetings Committee was received from the Ladies of the G.A.R. and one from Sons of Union Veterans of the Civil War. Representatives of both organizations extended greetings and good wishes. The meeting was then recessed until 9:30 A.M. Thursday morning.

On Tuesday evening a delightful banquet and recention honoring the Natl. Officers of the Aux, and Sons was held in the ballroom of the hotel. Past Commander in Chief C. Leroy Stoudt was toastmaster for the banquet and the entire activity for the evening was under the direction of Natl. Chief of Staff Dorothy Klunck. While speaking at the banquet Natl. Pres. Coombs presented to Commander in Chief Cashman the love token of \$500.00 given each year to the Sons by the Auxiliary.

Wednesday was a free day. Many of the delegates planned sight seeing tours in and around Boston,
