Inspector's Name _____ Date _____

The writer attended Decoration services at the Butler cemetery Sunday. There were quite a number present. The exercises consisted in speaking and singing, after which the graves of the six union soldiers there were decorated, and the graves of others were also decorated by their friends. A fine dinner was served by the ladies, after which the choir entertained the people for some time with excellent music. There are good people who reside in that community, and who show a patriotic spirit by decorating the graves of our dead heroes. May we ever say of those heroes, "sleep on embalmed and sainted dead dear as the lives you gave, no impious foot step here shall tread the herbage of your grave, on fame's eternal camping ground your silent tents are spread, and glory crowns with solemn round the bivouac of the dead."
