Grant Writing Guides Now Available on the SUVCW Website

Brothers,

I am pleased to announce that our **National Special Committee on Grant Writing** has created new **Grant Writing Guides** which are now available on our National website. These guides were created to assist Camps and Departments in developing successful grant proposals to support projects that further our mission of honoring and preserving the memory of the Boys in Blue.

The guides include:

- **Step-by-step instructions** for planning and preparing a grant proposal.
- **Tips for writing clear, compelling applications** that align with SUVCW goals and values.
- **Examples and templates** to help structure proposals effectively.
- **Guidance on budgets, supporting documentation, and reporting requirements.**

You can access the guides directly here:  <https://suvcw.org/handbooks-and-guidebooks>

I encourage all Brothers involved in Camp or Department activities to review these materials and use them as a resource when planning and applying for grants.

In Fraternity, Charity, and Loyalty,

Commander-in-Chief
