

NATIONAL PATRIOTIC MONTHLY INSTRUCTIONS

June 2026

THE DECLARATION OF INDEPENDENCE

On August 2, the Continental Congress signed the Declaration of Independence except for seven states. The seven states eventually signed the document.

Being the 250th year of America's Anniversary, this would be a good educational topic not only for the brothers but for living history events and the school education program.

The discussion should be about the meaning of the Declaration and the role it played in the American Revolution.
