

LETTER OF INTENT
Junior Vice Commander-in-Chief
Sons of Union Veterans of the Civil War

Brothers,

With great respect for the Sons of Union Veterans of the Civil War, I respectfully submit my Letter of Intent to seek the office of **Junior Vice Commander-in-Chief**.

As a longtime member of the Order and a Past Department Commander, Camp Commander, Credential Chairman, Assistant Quartermaster, and current **National Quartermaster**, I have had the privilege of serving Brothers at the Camp, Department, and National levels. These experiences have strengthened my commitment to our Order and given me a greater understanding of both the challenges we face and the opportunities before us.

My service is also personal. My third great-grandfather, **James Martin Wolf**, served in the Union Army. His service reminds me of our responsibility to preserve the history, sacrifices, and legacy of the men who fought to preserve our nation.

If elected, I will focus on **strengthening our Camps and Departments, developing future leaders, growing and retaining membership, preserving our heritage, and reaching young people through organizations such as Civil Air Patrol, ROTC, Sea Cadets, and Young Marines.**

I believe leadership is about listening and supporting our members. I will bring that philosophy to the office of Junior Vice Commander-in-Chief and work to ensure that the SUVCW remains strong, relevant, and prepared for the next generation.

I respectfully ask for your consideration and support.

Fraternally,

Daryl VerStreate, Jr.

National Quartermaster

Sons of Union Veterans of the Civil War
